

大人，  
教主喊你回家吃饭

# Madam, Master Said to Eat Meal - Chapter 1

## Bad Luck Always Happened to Me

Without parent's love, Mo Qi Liang was raised difficultly by her shifu until the age of 16. Luck was not by her side, she is a substitute bride.

Bai Qin Yan tells a story of how hard she raised Mo Qi Liang while crying. Mo Qi Liang without hesitate disagree with marriage. Except Mo Qi Liang, nobody knows Bai Qin Yan told lie 'For mother's happiness, you must agree.' Said Bai Qin Yan with agree expression. Other than gave birth to Mo Qi Liang, she didn't know what else she owes Bai Qin Yan.

'If I don't agree?' Mo Qi Liang asked without concern.

'Don't agree? Why couldn't you agree?' Bai Qin Yan didn't expect hard to communicate with her daughter. Wasted raise her so many years.

'After married into Prince Manor, you can enjoy rich life.' Mo Qi Sheng coldly said. If not because of Prince Lie, he will not give good things to her.

Move to other place also not bad. Able to clean break with Bai Qin Yan is a matter that she wanted to do long time ago.

'Just need me as a daughter of Mo Qi's status to marry Prince Lie will do?' Mo Qi Liang lazy talked to these two people. To her, waste time is just like waste life. She really value life.

'Yes, that means you willing to marry?' said Mo Qi Sheng with happy tone, his lovely daughter no need to be cannon fodder.

'En, I marry.' Anyway marry will means not married as Prince Lie has a

sweetheart. Maybe after married will have lesser problem.

'Tomorrow, I will assign someone to fetch you. Don't think of runaway'. Mo Qi Sheng warned

'No worries, Minister Mo Qi, I never break promise I made and the thing you promised me, you must fulfilled.' Mo Qi Liang meant Bai Qin Yan return to Minister Manor. These 16 years, Mo Qi Sheng placed mother and daughter in small village and Bai Qin Yan took this opportunity return to manor by married off her daughter. Not sure whether Bai Qin Yan love deeply or stupid.

'Liang Liang, why you spoke to father like that?' Bai Qin Yan said while looking at Mo Qi Sheng expression.

'Enough, enough.' Mo Qi Sheng impatiently wave hand. In his eye, he only has one daughter. Mo Qi Liang attitude is not worth worried. Married into Prince Manor will do.

Bai Qi Yan unhappy with Mo Qi Sheng responds and glare at Mo Qi Liang. Only can blame this immature daughter

Mo Qi Liang slightly smile as an agree reply. Once she has craved for family love, however she didn't receive. Hence, why stay and live unhappy.

The next day come very fast. A quiet and peace small village became lively because of Mo Qi Liang marriage. Mo Qi Liang is not delighted and remain silent and calm as she thought married off just like move to a new place.

Mo Qi Liang was placed to stay at quiet courtyard. Mo Qi Sheng assigned two maids to serve Mo Qi Liang's needs for two days. These days are quiet. Maybe, Mo Qi Sheng informed everyone not to disturb Mo Qi Liang. Otherwise, the legendary mischievous Mo Qi Jing will visit her so called sister.

Thought that marry to Royal Family will have a grand marriage, too bad Mo Qi Liang is not Huang Fu Yue Xun's sweetheart, and thus the marriage is simple. Only marriage sedan is prepared and housekeeper led the troops. Disappointed, marriage is very important to a woman.

Huang Fu Yue Xun will not think too much, emperor order can't disobey, however, have enough right to host marriage.

No groom, no guest present in Mo Qi Liang's wedding. Is she easy to bully? Even skip the important step, have to admit that marriage is not important. Want to become her groom also very hard.

At night, Mo Qi Liang stay in the room alone and the room with window not bad, comfortable. As Mo Qi Liang unfamiliar with the place, she couldn't sleep in peace of mind; wasted the nice bed.

Noise has waked up Mo Qi Liang, who is the person disturbing her? This room has other person?

Mo Qi Liang remain still without moving, even breathe as normal. But, why she heard take off cloth and man's breath sounds, is people joke with her?

"He he, beauty, here I am." The man purposely said with deep voice. The sober Mo Qi Liang heard very clear, who think of this method, quite effective. Regardless of things happened to her and the man, she will not be able clear herself.

The naked men reached bedside, the smell of his body reached Mo Qi Liang's nose; not pleasant one. Mo Qi Liang have clean obsession nearly throw out at the same time. Who find this low level man?

Mo Qi Liang grabbed the dagger that she kept with her and placed it at the man's neck. "Don't move, or else you will die ah." Mo Qi Liang with kind heart uttered these words. However, quite weird when heard it and the man didn't say anything. Perhaps, become dumb.

" You... what do you want to do?" said the man. He doesn't want to die here. He has become himself as the cold dagger had waked him up.

"I want to know who ask you come here." Mo Qi Liang lazy talk to this man, she doesn't want to be trick by other people.

"I don't know." The man shake's his head. "After give me money, the person bring me here and ask me to sleep with the women until next morning."

"Do you think adulterer consequences are good thing?" Mo Qi Liang asked with smile. Actually, she knows whose idea without questioned him. Virgin is very important to a woman, to achieve goal, Huang Fu Yue Xun use this kind of trick.

The man's face pale after heard Mo Qi Liang said. "If you cannot quietly leave this manor, I will kill you straight away. How is it?"

"I can leave. Definitely, can leave." The man guaranteed. However, his eye expression lacks of confidence.

"You said. Can I trust you?" Mo Qi Liang's hand pressed harder at his neck.

"I'm begging you, don't kill me." The man is crying and his body trembles. Mo Qi Liang has no intention to harm people.

"Leave." MoQi Liang changed. She let go dagger from his neck. The man didn't move. Mo Qi Liang sneered, "If you don't leave now, you will die sarcastically."

"I leave. I leave immediately." The man flustered, hastily wear clothes and leave the room. Mo Qi Liang follows him. Generally speaking, the bodyguards in Prince Lie manor will not too bad and let unfamiliar man enter the room. Especially, Mo Qi Liang felt that someone is watching her since enter here. Too bad, these people didn't know that she have left the room.

The man quickly left, Mo Qi Liang not very fast or slow following the man's behind. She saw the person behind this matter, Prince Lie, Huang Fu Yue Xun. It makes sense if it is him.

"Mission accomplished?" Mo Qi Liang heard Huang Fu Yue Xun said.

"No." The man with servant expression. "How do you works?" Huang Fu Yue Xun knew Ying Qi have failed when he saw him come back. Huang Fu Yue Xun angered when he thinks that woman is not simple.

"Servant is unreliable, Huang Fu, please punish." Ying Qi admits wrong. But don't know why, he recalled the scene where that woman point his neck with dagger. Look back, he never became this coward before.

"Forget it, that woman will not do anything to Ben Wang. You leave first." If Huang Fu Yue Xun knows this will happen, he definitely will not order.

"Yes, servant obeys." Ying Qi quietly leaves. Left Huang Fu Yue Xun stands alone.

Under moonlight shine, Mo Qi Liang looks at Huang Fu's behind. Tall and thin figure, neatly tied hair, has prince looks. However, dare to do such things to his

owns wife; Mo Qi Liang's judgment to him is limited.

Knew the whole story, Mo Qi Liang thinks that Huang Fu Yue Xun won't be able to understand for a while so, she go back and have a good sleep.

# Madam, Master Said to Eat Meal - Chapter 2

## Bad Luck Continues

The next few days, Mo Qi Liang lives in peaceful. However, peaceful life made Mo Qi Liang uneasy. Woman's six sense very accurate.

After 5<sup>th</sup> day of marriage, the bored Mo Qi Liang is sunbathing at garden. Suddenly, one person walks to Mo Qi Liang. Until now, she doesn't know Prince Lie looks like, not to mention who is the person in front of her. However, this person looks for her should have matter.

"Wang Fei, Wang Ye invited you." Although the servant used honorifics language, Mo Qi Liang looked through his despise eye expression. People in Prince Mansion probably not even one person found her pleasant.

Mo Qi Liang nodded her head and prepare to follow this person to meet Wang Fu. However, the servant stops her. "You wear like this to meet Wang Fu?"

"A servant with lack etiquette, Ben Wang thought Prince mansion's etiquette will be the same as well." MQL sneered and read the face expression which is changed to unsightly.

"What do you mean?" Wang Hai has been a housekeeper at Prince Manor for a long time. Since when, she can lectures him. But, he has forgotten that the woman in front of him officially is Prince Manor's owner. However, she shouldn't have act in that way.

"I hate your manner of speaking." Mo Qi Liang's cold eyes glance at Wang Hai's neck. Recently, she likes to do such thing. He doesn't understand why the woman in front of him can give him more pressure than Wang Ye. However,

while Wang Hai waiting for her to cool down; the absentminded Wang Hai thought whether he is blurred vision of an old man. But, he himself not even reached 40 years old ah.

Mo Qi Liang still didn't say anything, just follow his behind and reached Huang Fu Yue Xun's study room.

"Wang Ye is waiting for you. Wang Fei, please." Mo Qi Liang didn't answer and straight away push the door and enter room. First time looking Huang Fu Yue Xun, Mo Qi Liang admit that he is the most handsome she ever met. Fair and bright with stern face, straight nose and pink thin lips. If there are no eyebrow above normal, he consider perfect.

"What is the matter?" Mo Qi Liang asked to get to the point.

"Is this the way you speak to Ben Wang?" Huang Fu Yue Xun's eyebrow raised hinting uneasy. However, Mo Qi Liang ignore it.

"What else Wang Ye expects?" Compared to me, every woman beside Wang Ye must have sweet talking and attractive, am I right?" Mo Qi Liang thought Huang Fu Yue Xun will not harm her. That's why she doesn't care anymore.

"You are interesting, but stop now." Huang Fu Yue Xun gets to the point. Mo Qi Liang understood, if she still doesn't care, she will not see the day after tomorrow.

"Thank you for Wang Ye's praised." Mo Qi Liang sneered and didn't have a good feeling.

"From today onwards, you stay at this room, not allowed to step out from this room." Huang Fu Yue Xun instructed and made Mo Qi Liang realized that she can't argue anymore. Anyway, she will stay here and believed she will gain something.

Huang Fu Yue Xin lost interest to be with her, thus, he instructed bodyguards to looks after her. If the woman inside the room disappeared, their head will be a replacement.

Being controlled is not comfortable. Mo Qi Liang self ego do not felt that Huang Fu Yue Xun is a good person till he will protect him. In reverse, he is taking advantage of her to plot other plan.

The day getting dark, Mo Qi Liang is hungry. Since brought to here, she hasn't eat anything. Looks like Huang Fu Yue Xin treat his people not so good. However, it is not a right time to complaint as she heard arguements.

It is not cleared as there are gaps. She feels someone is going nearer to her side. As expected, there are other odors. There is another person in the room, chilly and bloodies. The two people face to face, Mo Qi Liang not afraid die in his hand. But she fainted, hit by the man.

Mo Qi Liang wake up as her skin felt cold. She was stunned when open her eyes.

Huang Fu Yue Xun is good looking, but the person in front of her very pretty just as evildoer. The black shirt with slight skintight has revealed nice body. Long hair was tied neatly and simple.

It's not a first time You Qing Jia Tian stared by people and believes that it will not be a last time. Just that, the woman innocently stares at him and thought that this woman is interesting. In addition, the looks at the face of her shows that staring at man is not improper.

Mo Qi Lang still staring at You Qing Jia Tian's face, probably, still curious. Finally, she realized, can't help but blurt out, "Is your eyes not in good condition?" The hall atmosphere in a flash, become cold, depressed and unable to breathe easily. Few silver needles flied towards Mo Qi Liang and dodged by her. In a second, her neck was gripped forcefully by a man.

In a close body contact, You Qing Jia Tian's skin is nice till speechless. As a woman, she is jealous. But now is not a suitable time to think about it as she felt that the man's hand tightened as time goes by.

Mo Qi Liang able see through the dangerous situation as You Qing Jia Tian slightly squints his eyes. Mo Qi Liang wanted to struggle and free herself. But think about this man want to kill himself, the initially thought disappear.

Mo Qi Lianh closed her eyes and didn't move and wait for death. Her expression have aroused You Qing Jia Tian's evil interest. Perhaps, with her death, his entertainment will become lesser. This decision has made an ill fated relationship.

The gripped has loosened up; Mo Qi Liang opens her eye and saw the eye smile of You Qing Jia Tian. She admitted that time she has been spelled. The man's with mint smell congested her nasal cavity. Since when she have starry eyed?

Mo Qi Liang shakes her head and helplessly laugh. "Am I supposed to ask who are you?"

"You Qing Jia Tian. You Qing Jia Tian answered. Mo Qi Liang slightly blank when hear his name. In the world of martial art, the most evil leader. Her luck is not a good one. Very fast met the easily angered person. Now she knew why; when she mentioned about eye, You Qing Jia Tian's eyebrow raised.

"Why do you kidnapped me?" Mo Qi Liang bravely ask. Perhaps, he will tell answer she wants.

"Huang Fu Yue Xun." You Qing Jia Tian slowly and softly said these words. Mo Qi Liang grieves.

"I knew it. That despicable man couldn't escape responsibility." Mo Qi Liang talk to herself. However, You Qing Jia Tian hearing is outstanding compared to normal people.

"Bring her to prison cell." You Qing Jia Tian hinted the servant to take her away. He would like to know when she arrive that place, will she able to relax again.

Mo Qi Liang sunken when heard You Qing Jia Tian instruction. This expression is funny for You Qing Jia Tian just like she is wronged. Her neck is bruised, who ask her to ask question about his eyes. This pair of evil eyes has claimed many people's life. Mo Qi Liang able to live considered very lucky.

"Wei!" Mo Qi Liang screamed his name. But at the verge of saying his name, YQJT looks at her indicate to continue.

"It's better seldom to use that thing, if use frequently, maybe will not be able see to clearly."

"Take her." Heard from You Qing Jia Tian mouth, Mo Qi Liang very angry. she kindly reminded him but get nothing. Her shifu mentioned before that this solution can change the pupil color, but will have side effect. If only her shifu didn't say, she will not mind other business.

Very fast, she was brought to prison cell and realized that recently the days passed are not easy one.

# Madam, Master Said to Eat Meal - Chapter 3

Mo Qi Liang is taken to a prison cell by You Qing Jia Tian's servant. As expected and not looking forward to it, the clean freak You Qing Jia Tian will not make the prison cell cozy. The damp and moist with mix rot smell, Mo Qi Liang nearly throw out. She started to appreciate Huang Fu Yue Xun even though he mistreated her stomach.

"Do you provide meals?" Mo Qi Liang wanted to know what kind of treatments even though she knows nice and delicious meal will not be provided. Nobody is beside her prison cell. Don't tell her to ask the rats on the floor?

You Qing Jia Tian's servant looks at Mo Qi Liang like ghost. Kinda of ask something that will shake the world. But the only one person; Mo Qi Liang ask this type of question.

Even the only living person in prison cell didn't speak, Mo Qi Liang also didn't ask further. Anyway, she didn't hope this person will give satisfied answer. Looking at the person back shadow slowly disappear, and so called bed; piles of dry grass. Mo Qi Liang started to think whether previous life did she commit many sins. To her shifu, she only put a lot of laxatives, put pollen flower on body to attract bees. This uncountable mischief, Mo Qi Liang thought she is a good person.

The boring Mo Qi Liang sat on the piles of dry grass. About one hour, she has been monitoring cockroach ran here and there. Sometimes carried some sort of food stuff. Why a cockroach can fill stomach whereas a human in here have to bear hungry? Mo Qi Liang cursed You Qing Jia Tian in her hearts many times. At this moment, You Qing Jia Tian is eating luxurious and delicious meal, feel cold shiver at the back. This showed that Mo Qi Liang curse very effective.

"Ah..."

Mo Qi Liang bored and the sounds reached her ear. You Qing Jia Tian send a

present for free? Can she choose not to hear that sort of noise ah. The tortured man can't think of other people sake. If the tortured man knew what Mo Qi Liang said, he will bite her to death.

The miserable sounds continued and gradually stop at midnight. She guessed there were torture equipments and was placed in sequence. Otherwise, the sounds of screaming won't be from soft to heavy desperate sounds. Mo Qi Liang heard until fed up. Thus, she needs to get out from here. Nobody can guaranteed that the next bad luck person would be her as recently she have had enough bad luck.

Mo Qi Liang believes that she could escape by follow the way. She has enough skills to escape as this considered easy. Especially, this normal lock because since as a kid, she has been unlocked many locks.

Greed and think of fresh air, Mo Qi Liang is smiling but only for a while as she smell mint odors. In a sudden, she grief and slowly turn her body and face the face she doesn't want to see.

"You has been here?" Mo Qi Liang without concern asked as she has surrendered her life and obediently stand in front of You Qing Jia Tian .

You Qing Jia Tian blurt out with smile when saw her face. This time, she didn't do anything, at most think of break about prison cell and then stand in front of him only. Why her expression looks like he bully her and bully till extreme. She founds that You Qing Jia Tian mood especially good.

"Just reach." You Qing Jia Tian honestly said. The watch over man informed that MQL has escaped from here. However, he himself doesn't know why he doesn't want Mo Qi Liang escape.

"Dear leader, can I leave?" Mo Qi Liang brainless asked this dumb question. But she didn't think this manner of speaking is inappropriate as she blurt out in a split of second. It just Mo Qi Liang met You Qing Jia Tian twice, but she felt close to him. Why?

You Qing Jia Tian didn't realize Mo Qi Liang said afterwards as he concentrated on her word; dear. His eye expressions show smile and happy.

Mo Qi Liang didn't notice the obvious small change, she attempted to runaway

since he is absentminded. Step by step, she steps backwards. In the end, she failed to escape. You Qing Jia Tian sent her back, Mo Qi Liang heights is 1.6m compared to You Qing Jia Tian ; 1.9m.

“Want to runaway?” You Qing Jia Tian lowered his head and fix one eye at little girl. The age gap is ten years, he said little girl actually not so excessive.

“En.” Mo Qi Liang said honestly and nodded head. Immediately brainstorm, she wants to escape all expressed in her face. Why? Thinking ability is zero. Definitely beauty lure.

“You are honest.”

“Thank you for compliment.” Mo Qi Liang thought he did not compliment her, but threatened her. She did not forget that the person in front of her, kill people without blink eye. Perhaps, her life will end in his hand.

“But you cannot leave now.” Mo Qi Liang has expected You Qing Jia Tian answer. Moreover, she plans to escape from prison cell to change place only. Depend her skills, to escape brightly is impossible.

“Can I change place to reside?” Mo Qi Liang with pity face looking at You Qing Jia Tian . He cannot soft hearted and free Mo Qi Liang but possible to change a better place for her.

“Confirm want to change?”

“En. Even though, you are sure that no such good thing, but I still confirm to change.” Mo Qi Liang sounds firm. But if she knows You Qing Jia Tian bring her to that place, she won’t agree.

“Tonight, I sleep at where?”

“Follow me.”

“O...” Mo Qi Liang unwilling follow his behind. She do not expect, he bring her to his own room. Few hours till dawn, she will sleep here? Mo Qi Liang do not expect this but recall a piles of dry grass and luring bare bed belongs to You Qing Jia Tian , she immediately lie down. Tonight, death or live, she will sleep here.

You Qing Jia Tian helpless see Mo Qi Liang’s manner. She considered fearless, straight away lie and sleep on his bed. But everybody knows he won’t bring a

woman stay overnight. Mo Qi Liang is a first women sleep on his bed and never do anything.

Evenly breathe Mo Qi Liang sleep in peace. You Qing Jia Tian helpless and couldn't do anything on the woman that lay on his bed. But this room only has one bed. You Qing Jia Tian remove outer robe and lay beside Mo Qi Liang. In a moment, there is one small head rubbing his shoulder. You Qing Jia Tian is a normal man. Even Mo Qi Liang not considered as the prettiest woman, but the smell can made him intoxicated. Don't tell him that she is not afraid he won't do anything to her?

Mo Qi Liang not a bit and impossible take advantage intention. However, she attracted to the heat source. A pair of hand hug You Qing Jia Tian's waist and sleep peacefully.

You Qing Jia Tian looks at her and his desire decreased. He understood to rely on someone; the feeling is actually like that. He quietly put his hand on Mo Qi Liang shoulder, have a sweet dream.

# Madam, Master Said to Eat Meal - Chapter 4

Qing Jia Tian woke up and felt breathe sound beside him. He wanted to attack but his fingers stop when he heard mumbling sound. Her neck have faint mark and looks like had wonderful night.

Mo Qi Liang's hand remains the same just like last night; hug his waist. You Qing Jia Tian think that he was taken advantage of and since this is the case, he should take some interests.

Slowly nearer to Mo Qi Liang and touch the lips. He felt good in a second. However, Mo Qi Liang doesn't feel the same; someone is touching, who dares to disturb her dream?

Beautiful woman in his embrace, one hand hold her back of the head and still not satisfy, then, remove the quilt by force, pry open and quickly seek tongue.

Mo Qi Liang feel that her breathe has been robbed. Her pair of hand gripped You Qing Jia Tian's lapel and let out moan sound. This made You Qing Jia Tian's desire increased and did whatever he pleased.

You Qing Jia Tian wants more; her unripe and sweetness has been luring him to deepen. He wanted to occupy everything.

Mo Qi Liang who is nearly breathless, opened her eye and saw smart face; nimbling her mouth. She is frightened and pushed You Qing Jia Tian over. She curled up at the side of the bed and accused You Qing Jia Tian disgust acts.

You Qing Jia Tian's eye is gloomy and wishes to 'eat' the woman in front of him. However, Mo Q Liang tears made You Qing Jia Tian couldn't bear anymore. He didn't know what happened to him.

Mo QiLiang felt wronged. With difficult, she finally has a nice sleep but was woken up by force kiss. Moreover, first kiss just like that was gone. Mo Qi Liang was disgusted as You Qing Jia Tian has kissed many women and the more she

thinks the more she felt lose. In the end, Mo Qi Liang burst with tears.

You Qing Jia Tian hate the most; women crying. In the past, when he faced such situation, he would1 throw the woman away and if the mood is bad, he will kill them. But facing Mo Qi Liang, his head was blank and chest was in pain.

In a time, the atmosphere becomes awkward. Mo Qi Liang with red eyes was tired and sat on the bed. She pointed at You Qing Jia Tian in rage, "You, come here."

You Qing Jia Tian really went to Mo Qi Liang and wanted to hang Mo Qi Liang because she did such action; Mo Qi Liang wiped her face with You Qing Jia Tian's cloth. Is he goes too easy with Mo Qi Liang?

Mo Qi Liang made You Qing Jia Tian smiled. She is not easy to be bully and then face You Qing Jia Tian with smile eyes. Mo Qi Liang then take quilt and place it on her.

You Qing Jia Tian saw her action and smiles. He left the room. Mo Qi Liang still haven't sleep enough is looking for 'God of Dream' to play chess.

Wake up from the sleep, the day has become dark. No wonder, she is hungry. However, stay at other people house cannot walk all over the place. But she is extremely hungry and couldn't bear anymore. Mo Qi Liang sneaked out from the room and recalled You Qing Jia Tian alone stay in the courtyard. After carelessly enter few rooms, she finally found kitchen. The equipment looks new, looks like nobody use the kitchen. But the vegetables are fresh, probably someone supply vegetables everyday; absolutely, rich people. Not to waste vegetables, it's better to eat them.

Without the owner permission, Mo Qi Liamg prepared her own meals. For her, the most important thing is to fill her stomach first. She cooked few favorites dishes and sat at the table. She gorges all the food and the manner of eating different from a woman eating.

You Qing Jia Tian back from his work, he heard rustling noise and thought nobody will enter this place. Probably that little girl is inside.

Just as expected, after opened the door, he saw Mo Qi Liang like a cat, lazily sit on a chair after eating.

"Ge (sound of blech), you are back?" Mo Qi Liang friendly asked made You Qing Jia Tian stare blankly. His heart overflow with weird feeling but he doesn't object.

You Qing Jia Tian nodded his head and sit opposite of Mo Qi Liang. Looking at the miserable conditions on the table, didn't know that this little girl has big stomach.

Mo Qi Liang was uneasy being stared by him," Where do I sleep tonight?"

"Don't want to runaway?

"Want, but couldn't."

"You know yourself."

"You are the same just like rumors said."

You Qing Jia Tian very efficient. Not even one hour, someone fetch her and bring to residence. She didn't expect that You Qing Jia Tian let her reside that kind of place.

Just as names implies; Zhang Jiao Ge, is a place where YouQing Jia Tian's woman gather. Why he arranged her to reside here? On the way, she met many types of woman with hatred. She wanted to run away immediately but couldn't as she is escorted by two big build man.

Too mean, her room is located at the centre, which is surrounded by his woman. Her movement will be watched and he just wants her to suffer. You Qing Jia Tian, I will remember you!

# Madam, Master Said to Eat Meal - Chapter 5

name. MQL raised her head and looked at the name on horizon board. Probably, she will stay here for short time.

MQL pushed the door and entered the room. The smell just like a shit, she stopped. Just in few days, she has changed many rooms but couldn't stay.

Early autumn bring cool breeze. MQL took the outer wear from wardrobe and went outside for a walk. Under moonlight shine, figure of MQL appears.

Whereas the origin evil of YQJT, he can't sleep that night which is surprisingly because such situation never happened to him before. Whenever he closed his eye, MQL appear in his head; her small face, crying and luring red lips. This gives YQJT warm feeling. The situation is not very good. Because of this reason, he arranged her to reside that place and of course couldn't deny his mischief habit.

After stay a while in courtyard, MQL goes back to sleep to have a good rest for future battle.

YQJT arrange two maids but MQL sense that they are not obedient. These two people wants to climb YQJT's bed and become one of his concubines. MQL doesn't want to keep them; she used to do house chores by herself.

Hong Xiu and Lu Chang face expressions showed unwilling. Even the blind person can see it.

"I know both of you are not willing to serve me, I will not force you, hope that you tell housekeeper about this matter. Or else, what happened to you, I will not guarantee." MQL said with sloppy tone. However, they felt being threatened. MQL can greatly pressure someone that can be compared to YQJT.

When Hong Xiu and Lu Chang heard this, they have cold sweat. They are not defenseless and weak woman. But MQL can pressure and intimidate them.

"I don't wish to repeat twice, otherwise you think of a reason to fire you all.

Your consequences will be bad.” MQL never brag that she is not a kind person, even bad possession. Her ignorant parent is an excuse of trouble that she caused. However, from a child till adult, conversation between Bai Qin Yan and her can be counted by fingers. As they are not close to her, she didn’t let her clean the mess that she had caused.

After Hong Xiu and Lu Chang left, housekeeper send her a servant. But she looks timid and to be bully by people. MQL headeache.

“What is your name?” MQL asked.

“Servant called Xiao Bai.”

Xiao Bai ah, just the same as name. Not wasted.

“Xiao Bai, do you know what the rules at here are?” MQL softly asked without hesitate. She thinks that she is her bully master especially facing Xiao Bai’s innocent face.

“Servant doesn’t know, nobody tells me.” Xiao Bai sounds accused, just like waiting for punishment.

“You don’t need to be nervous. I will not do anything to you. Just do as I said.”

“Yes, servant understands.”

“Prepare some meals first and then bring common used seeds.”

“Yes, servant prepare now.”

Not long after Xiao Bai left, first guest enter Qin Yuan.

“Heard that new master arrive at Qin Yuan. Jie Jie, I purposely come and visit Mei Mei.” The guest appearance is lovely and gorgeously dressed. MQL admit she is pretty and envy her.

“You are?”

“I am Feng Yan, you can call me Yan JieJie.” Feng Yan intimately wants to hold MQL’s hand but MQL hide her hands.

Feng Yan embarrassed and take back her hands. “I made this for Mei Mei. Previously, this jewelleries brought by Jia Tian (refer to YQJT) and are delicate, Mei Mei please receive it.”

Jia Tian? Intimately call his name. But why MQL felt weird when heard it? Sounds like force these two words from her mouth. Practice not passed.

“This, I can’t receive.” MQL doesn’t dare to receive it. “Appreciate your kind heart.”

“How can it be? This is a present for our first meeting. Jie Jie doesn’t receive it will make Mei Mei sad, Jia Tian will unhappy.”

“Yan JieJie, don’t be too courteous, I cannot take gifts that Jiao Wang gives to you. Please take it back with you. It is not a must to have for me.” If received it will owe her and doesn’t know afterwards will have enemy.

“Meimei, if you still say so, Jiejie will angry.” Feng Yan pretends to angry. MQL and she not very close enough to care her emotions. Perhaps, she depends on this method to win this position. In here, still doesn’t have Jiao’s Mistress, so every concubine has opportunities to be known as Mistress. Even though they received favor, but willing to stay beside him without status.

“Alright, I just move here, doesn’t have anything give to Yan Jiejie. If have chance, will give you back. Is it fine?”

“Don’t mention about it.” Feng Yan’s eye shows a bit of shy. She never thought that MQL’s attitude will be this way, thought she is an arrogant person.

“At here, doesn’t have anything to serve Jiejie. Please stay for a lunch.” MQL looks at Feng Yan that she doesn’t have evil intention. Otherwise, she is good in hiding it.

“No, I still have else things, if have time, will come here and accompany Meimei eat.”

“Alright, next time Yan Jiejie can come here around this time.” Not sure if she is still staying here but it will be great if she doesn’t come here anymore.

“Okay, I leave first.”

“Okay, see you Yan Jiejie.”

After send off Yan Jiejie, MQL checks the gift and found nothing. Her medical skill is not an expert skill, she unable to find out the high level of poison. But hershifu gave her dispel poison pill. She always keeps it with her.

If the first person came and poisoned her, then it proves that these women try to omit other with tricks and harm each other, absolutely a big problem.

Feng Yan visits have triggered the alarm. Fortunately, the first guest is a woman with big breasts and brainless. Doesn't has many tricks and unlikely to cause trouble. However, many types of woman will come to her place, she cannot guarantee will treat them friendly.

Generally speaking, half low body of a man is a ruler. YQJT attracted many beauties and let her be a bad luck person to become one of them. If she admits fate, she is not MQL.

MQL and YQJT is not easy person to be deal with. Who will be the winner? Wait and see.

The battle begins....

# Madam, Master Said to Eat Meal - Chapter 6

ce met Feng Yan as she left. With cautious, she turn away and as expected Feng Yan glared at her. Hurriedly, she entered MQL's room.

"Master, are you alright?" Xiao Bai's nervous did not scare MQL. In reverse, she smiles, this child's thought is written all over her face.

"I'm fine, why?"

"Servant just met Madam Yan comes from Qin Yuan. She doesn't do anything to you?" Xiao Bai worried. MQL is touched as there is someone worries her.

"I'm fine, is she that scary?" she thinks that Feng Yan is not scary. Both of them; Feng Yan and Xiao Bai are cute.

"Master didn't know as you are new here. Madam Yan is fierce." Xiao Bai scarily said.

"Ah? How fierce?" MQL thinks it's funny. But she knew Xiao Bai will not brag the fact. "If we angered her, we, the servant will be scolded and punished." Xiao Bai said.

"So, she is the most difficult person?" MQL thought it's impossible.

"Absolutely not." Xiao Bai lowered her voice, "The scariest person is Madam An, if angered her, the consequences are bad."

Bad consequences? This had evoked MQL's curiosity. "What happened nowadays?"

"Servant also doesn't know. Those who said behind Madam An back will disappeared or die, Master forbided her from going out. However, people who said behind her back will die. Xiao Bai said, "Die la die la, servant going to die, master please help me."

"Don't nervous, aren't you said that only people who talked her behind will die? You only said the truth." MQL couldn't understand Xiao Bai fussed at nothing. But rumors about Madam An makes people frightened. It's very hard to imagine people unable to avoid death. Under YQJT, it's his responsibility to handle this matter. MQL doesn't care about this rumor as long as nobody harms her.

Because of the issue of Madam An, Xiao Bai couldn't be herself. MQL instructed her to rest and went for a walk by herself.

In the afternoon, sunlight gives warm feeling, MQL is immersed under this sunlight and felt better.

"Who are you? This place is not for low level people to come here." The sounds came from MQL's behind and sounds ear piercing. When MQL heard this sort of sounds, wanted to choke her neck.

MQL ignored her, and walked away but blocked by that woman.

"So rude, I'm asking you." MQL is not in the mood of arguing. "Now, I live in Qin Yuan, if you want to know more, you can come and look for me."

"Qin Yuan? How come you will be at there? Explain it." That woman shouted at MQL which is walking away from her.

The same day of noon, a guest visited Qin Yuan.

"You are MQL?!" Problematic woman again. MQL glance at her and knew YQJT's preferable woman; perfect body figure. Won't he scared that will dry him out.

"I am. What bring you here?"

"Just a second-hand goods. So shameless stay here. Faster move out." Said woman with command tone.

"No problem, you tell the person who ask me to stay, to expel me, aunty." Even with thick makeup, MQL can see the visible thin line at the eye, probably not young anymore.

"What do you call me? How dare you call me aunty? That woman is angry. MQL stepped backward and was fortunate to avoid the thrown cup.

"You know better than me where is this place are. Go courtyard if become crazy; it's bigger and can be fully used. Won't send you out" MQL turns visitor out.

"Do you know who I am?"

"Don't know." That woman try to make MQL understand that provoke her will have scary consequences. But it's not working.

"Do you know, I can kill you just like killing an ant as simple as that."

"Whatever." MQL didn't care even though she threatened her.

"Don't think Master favors you, you can put to another side. I won't let you go easily."

"I know." That woman warned MQL but failed.

"You.. you wait for me."

"No problem." That woman has nothing to say. At last MQL wins. With anger, that woman left Qin Yuan. MQL not afraid that woman complaints to YQJT as due to that guy, this problem arises. She doesn't know why he placed her to stay here.

Just for today, have 2 guests with that kind of behavior. MQL didn't know how many woman YQJT have and the guests that came are all small characters (probably not the most evil-I think).

# Madam, Master Said to Eat Meal - Chapter 7

The next two days, MQL live in peace; nobody disturbed her. Except eat and sleep, just like a child, flip pages of the books. These days absolutely boring and bored till plan to escape from here.

Third day, something had happened and MQL have new interest. Different length and thickness, there are many types of snakes which made Xiao Bai faint and MQL leaned at the door. Heaven know these things are disgusting. Hair stood and uncomfortable but interestingly, these snakes are not very poisonous and only made people half dead and half conscious. With difficulty, MQL leaned at the side door. She must immediately find people to deal with this situation, she doesn't dare to think will she vomits.

"Why do you come here?" Li Shuang saw MQL's shocked expression. She is considered as one of the concubines or madam and doesn't know what to call the woman in front of him.

"Housekeeper, I think I need your help."

"What happened?" Li Shuang is nervous, if something happened to MQL, he afraid he will not live longer. Other people don't know that Master always lingered near to the MQL's room at night, but didn't go inside.

"Someone sent a big present to me, I need to settle it." MQL holds back the disgusting feeling but still recall the scenario.

Li Shuang understood what happened, must be a bunch woman create problems. Master does not take care of these problems, hence this bunch of woman dare to cause problems.

"No problem, servants will settle it." Li Shuang brings few bodyguards and follows MQL behind. Just like Xiao Bai, the tough build and looks strong bodyguards, fainted when they saw the floor full of snakes. MQL with depressed

expression looked at pale Li Shuang. Even these bodyguards are normal skill, but hired by evildoer, they are not that weak right. Shame on them.

“I hope you all clean up this mess and eradicate the disgust smell. Investigate who did this.” Have free labor why not just use them.

Li Shuang looked at MQL; serious expression. Does it means that he needs to give his best? Doesn’t know which Madam is unlucky, but since master have given instructions, must do right?

“Who is this Madam? MQL looked at the portrait, gorgeous but gloomy. How come YQJT likes her?

“She is Master’s concubine.” Li Shuang honestly answered, but met MQL’s supercilious look; this obvious answer she knew it as well.

“I mean what type of person is she?”

“Servant never sees this madam, she is gloomy and everyday stay at her own room, don’t know what she did. But maid who serves her found her room has snakes, rats and insects those kinds of living things.

“Looks like she released them in my room.”

“What will Madam do about it?”

“Nothing. These snakes are not poisonous; at least she does not have intentions to harm me. But the disgust smell is unbearable. Please inform her not to do such boring things. Next time, I won’t let her go easily. If she denies when asked, then no need to say anymore.” MQL self guard increased after this incident happened.

The news about bunches of snakes released in Qin Yuan spreads very fast. MQL doesn’t care about it but there are people make fun of it.

“Heard that something have happened, Jie Jie purposely bring this calm nutritionals products to Mei Mei.” One of three women with leader skill spoke.

“Nothing happened to me, why put trouble and spend money?” This fake intention conversation, MQL brings to the point of perfection.

“Isn’t it too late if something happened to Mei Mei? Another woman spoke and angered MQL.

"Jie Jie are right. Jie Jie lives here longer than me, sure received lots of gifts."

"What do you mean?" In sudden, that woman stood up and wanted to argue but was stopped by another lead woman.

"Nuan Er, sit down." Instructed by lead woman. " Nuan Er still young and doesn't know anything, Mei Mei won't take it right?"

MQL silently cursed," I won't, I'm 16 years old only."

Cheng Jin Yun found out she was 16 years old and didn't make sense when 16 years old MQL said to a 19 years old still young. This is obviously critics.

"Half day already passed since Jie Jie came here, I still don't know you all." MQL changed topic and as people said; know yourself and know your enemy.

"I am Cheng Jin Yun, this is my biological younger sister, Cheng Su Yun and another is Li Nuan Er." The lead woman introduced. MQL is in another world thinks that YQJT likes beautiful sister.

"The most famous and used to be a part of Chun Yi Fang suddenly disappeared had broken many men's heart." MQL enviously said. Xiang Chen Yun expression brightened but Cheng Jin Yun annoyed. At all costs, she has been cover up her pasts but today blew out by her. It's too much.

"Jie Jie, you are really the most famous of brothel ah. In the past, I only heard about you from my brother." Not sure whether Li Nuan Er is dumb or ignorant. She repeatedly said, is it not enough hate other than angry?

Cheng Jin Yun status is revealed and tried to maintain expression and posture. "All this are pasts, not worth to mention it."

"How can it be not worth to mention it? In the past, didn't Jie Jie know that, Jie Jie are the dream's men and will not hesitate to burn money to be with Jie Jie?" MQL said with hidden meaning. Clever people will know what MQL means.

The elegant mask of Cheng Jin Yun nearly tore apart by MQL. She really wanted to tear her mask immediately but she told herself not to do it.

"Really? Jie Jie really that famous?" Said Li Nuan Er. Previously anger at MQL, now turns become partner.

Cheng Su Yun sat still and said nothing just like a puppet without expression.

She didn't have any response even thought this matter involved her own sister. MQL is interested; probably Cheng Su Yun is the one who cannot be ignored compared to the other two.

MQL wanted to speak but the quick footed Cheng Jin Yun spoke, "Mei Mei is frightened today, we all visits Mei Mei and have ignored your body condition, Mei Mei probably tired. We make a move first."

"Jie Jie is considerate, I am tired. Due to my body condition, I did not treat Jie Jie properly, am really sorry. If Jie Jie have time, come here again." MQL kindly invite them but sounded provoke them.

"Since Mei Mei mentioned it, Jie Jie have to come here. But Jie Jie doesn't have many gifts. Mei Mei won't take it into heart, will you?"

"Of course not. At here, I didn't lack of anything. Jie Jie no needs to prepare anything." Anyway, the gifts that have been prepared afterwards, will not be usable anymore.

"Mei Mei have big heart, no wonder Master likes you."

The parting words have made Li Nuan Er realized the purpose of coming here. Walked to the door and looked at MQL, "I will not give YQJT to you!"

A little girl's love declaration, of course MQL won't bother. Cheng Su Yun distressed; looks like in deep pain. Exactly what happened to her? Interesting..

After send these three woman out, MQL diligently started to check the nutritious product sent by them. Nothing abnormal but variety of herbs mix together will slowly cause chronic disease. This dosage is not an issue but if consume in long term will not die but cause dementia. This kind of evil trick, only Cheng Su Yun can think of it. MQL thought first time meeting, she won't harm her but today visits have bring her a big surprise.

# Madam, Master Said to Eat Meal - Chapter 8

ed in Qin Yuan. Since that incidence, this is the first time YQJT showed up. MQL didn't know that YQJT lingered near Qin Yuan every night. This is because YQJT martial's art skill is higher and it is not abnormal if MQL didn't aware.

"Why you come here?" MQL asked. She thinks again, this place belongs to him, why shouldn't he come here?

YQJT looking at MQL from head to the foot; some sort of identifying something. MQL is shy and impatiently ask, "What's wrong?"

"I'm hungry." MQL didn't think that the first words she heard from him related to meal.

"The evildoer leader doesn't have place to eat?" the gloomy mood cleared by YQJT's words. The way MQL treated YQJT is back.

"Don't forget that you are in my place."

"So what?"

"I can kill you anytime."

"Your eye expression doesn't have kill intention, at least now you will not kill me." MQL looks at YQJT's eye. She doesn't believe other people said YQJT kill people merciless but every person have their own principles which are different from others.

MQL are right, YQJT not really wants to kill her. However, he doesn't like the feeling; eat by others. Since he met this woman, MQL, he is not on the up. In his eye, nothing is important including himself.

"What do you likes to eat? I will cook." MQL values life, if she angered YQJT, probably, she doesn't know how she die.

YQJT felt he was played but looking at MQL attitude; to win favor, his anger

dissipate. Standing at the side of the table just like husband came back from work and waiting for delicious meals cooked by wife.

After cooked, MQL is arranging the dishes; congee in front of YQJT. After all, at night, eat greasy and oily not good for body. Especially YQJT eat 3 meals a day considered enough. Meats are not suitable for him.

“Try it. My cooking skill can be only this level.”

YQJT dissatisfied, “You want me to eat this?”

“Or else what do you want to eat” Definitely young master, want many things.

What to eat? YQJT think and think but couldn’t get an answer. He could only think of the dishes that he dislikes and doesn’t hate the dish on the table. Hence, he reluctantly and accept the dish that are not looking good.

YQJT eat gracefully, the chopsticks and ladle didn’t touch the bowl. In addition, didn’t say anything, the room is quiet and MQL is sleepy.

The taste of dish made by MQL not bad. She prefers taste that is not heavy and light, dislikes sweet and salty food. YQJT have same preference with MQL and before came here he didn’t eat anything, that’s why YQJT eat the entire dish.

“Satisfied? Big master.” MQL said and clean up the table while looking at YQJT.

“Didn’t expect the dish you cook is delicious.”

If the dish is inedible, she already poisoned him. MQL said to herself and change the tone.”It’s my honor to serve master.”

“Ah?” YQJT increased the tone.”Then, you can serve me.”

When heard YQJT said, her forehead showed slight dark line. Can he be more mature ah, she just followed the flow and because of that words, suddenly become his maid.

“Why” Not willing?” YQJT looked at MQL expression; to be labor do hardcore, knew what she is thinking. But he won’t easily let her go.

“Don’t dare ah?” MQL must leave here quickly as not to become slave to this guy.

“Then, quick.” YQJT back face MQL stretch out her long arm. MQL admit her

fate and take off the outer robe. She thought he is daring because showed his back and didn't afraid she will harm him.

"You really want to rest here today?" MQL questioned again, even she thought it is unnecessary.

"You really don't want me to stay?"

"Is it very obvious?"

"You see yourself; look at the mirror."

"Forget it, master, have a good rest, I won't interrupt you." MQL said and close the door but stopped by YQJT, "Where do you want to go?"

Anywhere except here. MQL knew that these words cannot blurt out, definitely anger this guy, hot tempered YQJT. MQL quietly and shut up, didn't answer his question.

"Come here!" MQL sat on the bed, only wore inner shirt and slightly expose collar and chest, as if luring MQL.

"No." MQL still fight for herself. In the past, she already lost once to him and doesn't want it to happen again.

YQJT though MQL has become obedient but what happened today, completely different. So, YQJT hold and pull to him embrace. To prevent her from talking nonsense, the best method is to seal her lips with his lips.

As before, the tongue in rushed and twirled made YQJT suppress MQL struggles. Only want to hug tightly in his embrace, to join into his body.

MQL attempted to prevent the tongue from going further but she is facing evildoer. Not enough pry open and twirled, gradually robbed the breathe and weakened MQL. She dissatisfied, why he leads her every time?

With remaining strength, MQL bite YQJT's lip but left one bruise mark only.

YQJT didn't expect MQL still have strength to resist. Looks like this little girl have energy and strength. Doesn't it means to step forward? One hand slowly stretches forward into MQL's shirt and caresses her body. YQJT admires MQL's beauty, grasp her waist that didn't have excess fat.

MQL felt that whole body being touched can only pull YQJT's neck closer. In this situation, will cause accident if didn't stop, but she doesn't want to part with him.

Looking at YQJT's palm stretch to her well rounded, MQL said "No.."

YQJT is not bragging that he is a gentleman but to stop at this moment, every man knew this difficulty. However, MQL sounds firmed and he heard clearly. He didn't want to force her, probably because of self-respect. He never forced any woman moreover to MQL. He helped MQL to straighten the clothes and took his own robe, left Qin Yuan.

MQL opened her eye, why allowed him to do whatever he wants. Didn't feel disgust and not strongly resist but unwilling to give him? MQL closed her eye and tried to be calm but the embracing each other scenario appeared. She didn't know what happened to her, so confusing. Looked down herself and well, she is not different than other woman.

The other person also frustrated. Wanted to find other woman to put off the fire but even the naked woman stand in front of him, will not interested to her. Unbelievable of this, thus angered.

Back to his own room, YQJT recalled that scenario embracing each other. What happened to him exactly? Since when wants a woman, got problem to have her. He never defeat before. Based on the strength, he able to conquer her but will be bothered afterwards.

# Madam, Master Said to Eat Meal - Chapter 9

sleepless night. She also didn't eat breakfast and just laying on the bed, like a patient.

Xiao Bai stood at the front door and knocked but no response. Thus, pushed the door and saw MQL laid on the bed with weak complexion. Xiao Bai worried and asked, "Master, what's wrong with you?"

MQL wanted to say that she is alright but her throat is in pain, "water". Xiao Bai hurriedly fills the cup with water and carefully fed MQL. The throat pain was lesser but body condition has changed to weak? Few years ago, she didn't fall sick. Can it be unable to adapt to the new environment and cause the health deteriorate?

Actually, sometimes take a rest also good. MQL didn't care about it but doesn't know who spread the news; she has fallen sick. Or else Feng Yan will not visit her?"

"Mei Mei, why not careful and fall sick?" Feng Yan sat at the side bed and hold MQL's hand just like they are close to each other. But her eye drift away, looks like searching for something.

MQL sweated, since when their relationship is good and nice to each other? MQL couldn't accept it but Feng Yan holds the hand tightly.

"I'm fine, Feng Jie Jie don't worry." Even though MQL didn't understand her attitude but still act sincerely.

"Why need to be so polite?" Feng Yan purposely increased her voice as she was dissatisfied with MQL's affection.

"Er... this is just ordinary sick, am really fine."

"Cannot careless on ordinary sick ah, if become serious then it's bad."

Are you sure your words for my good sake? MQL deeply thought but other person's good heart, she couldn't drive out. Last time said wanted to invite her to eat meal, this time take this opportunity to have meal with her.

"Jie Jie, please stay and eat with me, it is boring to eat alone."

"Master didn't come here yesterday?" Feng Yan hurriedly said even forgot to address YQJT just like the way MQL first address YQJT before.

"Jie Jie, how do you know?" This is the purpose of her coming here, MQL thought she have kind heart.

"Heard servants said when woke up this morning, Jie Jie didn't see Master for a long time."

"Servants are talking about it? Jie Jie, can you tell me who said it? Who spread the news that YQJT came to Yuan Qin? Even Xiao Bai didn't know, it can't be that when he came here someone saw it?"

"Obviously, the one who is jealous, at this time, Master didn't go anywhere except Mei Mei's place. Jie Jie also envies."

Looks like Feng Yan came here today just want to know whether YQJT still at here. But she didn't know that he didn't stay overnight. MQL understood why she sighed after she entered.

"Just tells him if Jie Jie likes him." MQL finished talking and perhaps these words are rubbish. YQJT never likes woman equally, even perhaps no love exist. MQL thought she is hypocrite after said such words.

"Didn't I try before?" Feng Yan laugh herself, "I know, even if I did everything he will not love me."

Feng Yan lonely expression made MQL effortless. After all she is not Feng Yan, couldn't understand her feeling. If these are comfort words, then her words made her paler. But she knew that love a person is not wrong.

Xiao Bai has been ordered to prepare lunch. With MQL body condition, she cannot eat salty and oily food. In addition to the Feng Yan's visit, MQL didn't rest well and still pale.

Regarding to food, MQL is not picky. So, Feng Yan tried out and feedback to

MQL. YQJT favors who, she is helpless and nothing much to know if she continued to probe MQL. After lunch Feng Yan with her servant left Qin Yuan but MQL didn't know that this would be last time they met.

In afternoon, Xiao Bai accompany MQL for a walk but haven't step out from Qin Yuan was stopped by a group of people who rushed in.

"What are you all doing?!" Even though her body still not in good condition, she still have some strength left.

"Who are you, dare to stop me?" Facing MQL was a lady wearing pink shirt, lead these people. MQL cold expression made her tremble and felt like she will be arrested if accused MQL wrongly.

"Is it acceptable to act misbehavior at my place and didn't know who I am?" MQL sneered, a lady with big breast and brainless again.

Xiao Die keep away from MQL's vision, "Since you have admitted, servant, take her away."

"Who give you permission to act in this manner? Act on one's own initiative, wanted to settle it yourself?" MQL voice sounded hoarse and with pale face, her expression is no different from hell. She looked at Xiao Die's eye and without notice, Xiao Die was sweating.

"You killed Feng Yan, I ... of course I have right to send you to prison cell." Xiao Die stammering and MQL stunned for a moment.

"You said Feng Yan has died?"

"She died after left your place not long ago, you still wants to pretend don't know? Xiao Die slightly can't believe that how can people killed another person without knowing he/she have died? She can pretend that she didn't kill anyone?

"How did she die?" Who killed Feng Yan and blame her? Deep in MQL heart, she knew who did it, but didn't have any evidences. For temporary, she became scapegoat. Weird, if she kill Feng Yan in her own place, wouldn't obvious she is the killer? Now, she just wants to claim justice for Feng Yan.

"You poisoned her." Feng Yan and her considered have a bit friendship. Both of them come together to courtyard and helped each other before. Thus after

Feng Yan died, more or less she is influenced and appeared here to get Feng Yan's justice.

"What evidences you have?" MQL faintly said.

"Evidence? What want to say about evidence?" From your place, Feng Yan has died. Don't tell me, you didn't do it?" Xiao Die is bold and confident with justice on her side. However, MQL sneered and looked down of her. Just wait and see after send her to prison cell, beg Xiao Die to release her. Xiao Die's wishes not fulfill.

Li Shuang appeared in Qin Yuan. Usually this incidence, one of the concubines died happened before. The suspect will be dragged into punishment room to confess. But the suspect now is MQL, so he cannot act without thinking.

Although Master didn't care about this stuff, he knew everything. It is easier if the suspect is other woman. If today matter failed to handle, he will lose life and reincarnate.

"Housekeeper, you came here just in time. Hurry, catch the murderer." Xiao Die happily looked at Li Shuang who came over.

"Madam, master want to see you." Li Shuang words, without doubt have settled MQL's status and prove that her status was different from concubines. Even Xiao Die, the idiot knew the meaning behind it.

"Housekeeper, what did you call this woman?" Xiao Die unbelievable asked. She has been here not in a short time. All this time, Qin Yuan was not resided by anyone. It is said that, who able to reside there will be one of the candidates of Madam. Didn't expect, it is true and immediate become Master's Madam.

"Madam Die, you should go back." Foolishly disturb when nothing else to do. No wonder, this type of woman, Master didn't fall for them. Still, MQL is better. "Humph.." Xiao Die voiced and left unwillingly. Came here aggressively but left with depressed. Suddenly, MQL felt that staying here, problems; harms or tricks will keep rolling to her side. MQL thinks that it is not worth to die at this place.

"Madam, please follow servant to see Master." Li Shuang spoke respectfully to her but just now talked to Xiao Die totally different. Anyway other than YQJT, she is the most powerful person. Perhaps, those women want to be favored by YQJT

need to study another's experience.

MQL bring along Xiao Bai to YQJT's place. If left this child in Qin Yuan perhaps the outcome; left bone only and she doesn't want to see this kind of tragic.

Reached YQJT's place and didn't see him around, MQL knew that Li Shuang acted on his ownself. YQJT is at outside, actually Li Shuang didn't inform him what happened in courtyard today. He arranged her to wait YQJT come back and decide later. If YQJT came back and knew Li Shuang act in this manner, what will he reacts? She is looking forward to it.

# Madam, Master Said to Eat Meal - Chapter

## 10

Liang waited You Qing Jia Tian until night, he still haven't come back. So, she asked Li Shuang to arrange a room for Xiao Bai to stay. If You Qing Jia Tian found out that his room has another woman, the consequences will be pretty bad.

Laid on You Qing Jia Tian's bed, Mo Qi Liang didn't feel awkward. Anyway, it's not the first time. With faint mint smell, surprisingly have calm effect.

Mo Qi Liang didn't sleep well, felt someone came nearer with the mints smell.

"How come you are here?" You Qing Jia Tian familiar with Mo Qi Liang's smell, he didn't expect Mo Qi Liang will appeared in his room.

"Li Shuang deceived me, don't tell me that you didn't know what happened today?" Possible that Li Shuang didn't know when he will back since this guy come and go without a trace.

"What happened?"

"One of your concubines is dead. Apparently, I'm the one who kill her." Mo Qi Liang pretended to think and the words she spoke can made people angry.

"Apparently?" You Qing Jia Tian didn't manage to catch the main point, in reverse, he concentrate on the words.

"Er.. In fact, I don't have such skills. Obviously, not killed by me." Mo Qi Liang sounded very sure and knew that You Qing Jia Tian won't do anything to her because based on his response, he never doubt her. Mo Qi Liang very happy.

"Do you want to go outside?" You Qing Jia Tian changed topic. Mo Qi Liang couldn't follow his train of thought.

"You are willing to let me go outside?"

"Forget it if you don't want to."

"Want, why not? When will we depart?" Mo Qi Liang was excited, her face showed smiles and didn't aware You Qing Jia Tian that wants to pamper her.

"You really wanted to go?" Mo Qi Liang doubted You Qing Jia Tian . Just now, the moods quite good why now become angry? Even though his face didn't show any expressions, she knew he was angry and in addition, it's related to her.

"Cannot always stay here right?" Mo Qi Liang answered. If here is her place, stay longer is not a problem. However, the truth is not. That's why she didn't want to stay here longer.

"Don't think of runaway." You Qing Jia Tian warned. However, the angry Mo Qi Liang didn't listen.

"Looks like, today I can't go out. Bathe first and sleep early." Mo Qi Liang lost interest and laid on the bed.

YQJT without care took the quilt away and resulted angry look on Mo Qi Liang's face. "What do you want?"

"Go out!" You Qing Jia Tian dragged Mo Qi Liang and headed outside.

Mo Qi Liang used strength to shake off You Qing Jia Tian 's hand. She didn't remember how many times they are in such situation. Mo Qi Liang felt helpless.

"Where do you want to go?" You Qing Jia Tian asked. "Going back." Mo Qi Liang answered without looking at him. Just now, didn't he say that let her go to her own room?

"Why want to go back?"

"You give approval right?" Mo Qi Liang approached the edge, she scared You Qing Jia Tian will take things which is near to him and throw at her.

"I give approval to go outside with me." You Qing Jia Tian understood their differences, his dignify is nothing in front of Mo Qi Liang; daring to ignore and fear nothing.

"Do you hear me?" You Qing Jia Tian walked towards Mo Qi Liang and blocked her path.

“You Qing Jia Tian , you are too much!” Mo Qi Liang burst out. “I’m not roundworm in your belly, doesn’t know the meaning of these words, so, talks to me properly, alright?!”

Mo Qi Liang anger influenced You Qing Jia Tian. His pair of hands holds Mo Qi Liang’s shoulder tightly just like wanted to erupt.

“Let go of your hands! Is it fun to play me?” Mo Qi Liang felt like she is a puppet, You Qing Jia Tian never put her in his eyes. Only thought she is different from other woman and let her live longer. That’s all. She is stupid enough to think that she slightly touched his heart.

“What happened to you?” You Qing Jia Tian soften spoken; which is rare. However, Mo Qi Liang didn’t get it and let out the unsatisfied feelings, “Am I interesting? In your eyes, I am an interesting toy isn’t it?”

“What nonsense are you talking about?” You Qing Jia Tian avoid Mo Qi Liang’s sharp gaze. At first he thought it’s interesting and kept her with him but gradually this thought started to change and didn’t assume her as hostage but curious to know every movement of her. That’s why he will go to her place and look for her. Hence, every time he came back, the first he do is look for her. However, they fight whenever they meet and didn’t know he has been endure it, the outcome just like today.

“I talked nonsense? You Qing Jia Tian , can you guaranteed that you didn’t think of it; think of advantage points. Thus, you let me live until today? You say it ah.”

You Qing Jia Tian at a loss of word. He didn’t expect the hot tempered Mo Qi Liang would burst out and yell at him. YQJT admire her. Is it alright to yell at him? However, Mo Qi Liang didn’t think of it, probably her brain is busy thinking of what to say rather than bother You Qing Jia Tian ’s expression. Even, she didn’t of consequences after this.

“Calm down.” In his whole life, this is the first time he felt woman is scary; anger that couldn’t recognize one’s family. Moreover, looking at Mo Qi Liang that has calm down a bit in short time, he had decided that this woman will make him headache as well.

“How can I calm down? Previously, I am calm but now couldn’t. Didn’t know

why I was taken to here and everyday suffer under your woman's evil tricks. They took me as enemy and thought you and I have something going on. Because of your indiscriminate, they plan tricks and all sort of schemes. I'm innocently suffer, who will claim justice on my behalf? You always absent minded, think of it, you didn't care of me. In reverse, I always thought you are not bad but except good looking man. Your behavior is pretty bad till wanted to use axe to kill you. All these things, you said it's my wrong? Mo Qi Liang said without stopped and felt breathless. She saw You Qing Jia Tian 's calm face, wanted to tear off the mask and look properly what kind of person is he.

You Qing Jia Tian never thought that her small mouth could blurt out nonsense words. Looks like if didn't give her a good lesson, it won't do.

"What are you doing." You Qing Jia Tian stepped forward and Mo Qi Liang stepped backward. She started to regret and didn't want to die here.

"Aren't you a good speaker? Why now didn't say anything?"

"No matter what I said, your morality still the same." Mo Qi Liang softly said. Just now, the fierce and angry have disappeared and currently, life is the most important and obediently be an ostrich.

"Morality? What morality? You Qing Jia Tian cornered Mo Qi Liang and a pair of his hand stretched to the wall and blocked her route. She knew unable to escape.

"Nothing. You heard wrongly."

"Just now the anger, where did it goes?"

"Wei, don't be too over." Mo Qi Liang slightly protest, since when she became coward? It happened because of the man in front of her.

"I too much? Just now who said about me?" Is he too serious and made this woman's small mouth shut up. Now blame on him, is it make sense?

"So what? Didn't you heard before, gentleman never argue with woman? Mo Qi Liang anger rise again. Anyway will die and with what else you can do to me thought, I will not afraid of your expression. As a result, You Qing Jia Tian smiled with sort of interesting.

"Now, you are brave enough..." You Qing Jia Tian purposely said it stretched the words.

"Humph..." Definitely won't surrender. Deep in her heart secretly encourage herself. Even though this place belongs to enemy, at least she still has her ownself.

If he knew her thought, he definitely opens her brain and see whether it is full of cotton. With this thought, he concentrates on her physical conditions, isn't it?

"What do you want me to do? Little thing..." Facing You Qing Jia Tian that suddenly showed soft of his side, Mo Qi Liang was stunned. Waiting for her response, she has been taken advantage by him. Who can explain what was happening; put on her shoulder and tightly hugged?

Mo Qi Liang was helpless to resist. Didn't know why her hand put on You Qing Jia Tian's waist? When recall, probably due to the smell of familiar mint odour. Leaned at Mo Qi Liang shoulder and felt warm, he was satisfied that she could give this type of feeling.

Mo Qi Liang waited and You Qing Jia Tian remained still, she started to nudge. Don't tell her that this man fall asleep? She tried again and he still remained the same. Two people hugging and stand still feel the winds, if people saw them, they will think they are crazy.

"Wei, wake up." Mo Qi Liang move body and only this method will do.

You Qing Jia Tian didn't happy with disturbance, however still raised his head and said, "Shut up."

"Er, can you choose another place if want to hug? Here very cold." Mo Qi Liang impatiently complaints.

"Then, let's go. Go back and hug again." You Qing Jia Tian happily agreed.

Just now, what did I said? Mo Qi Liang was dazed and forgot that the man in front of her full of tricks. Oh god, what kind of sins she have committed, if she knew, she will totally do good deeds.

# Madam, Master Said to Eat Meal - Chapter

## 11

Liang glad was just like he said. Innocently hugged even though looks like ambiguous.

You Qing Jia Tian's chest stick close to the Mo Qi Liang's back. She could hear strong and sturdy with fast heartbeat. His hand placed on her waist and felt warm. It made her somewhat absent-minded.

Early in the morning, he left since he has works to do. Just before he left, You Qing Jia Tian expression was unwilling to be part with her. As long as she was around, he was able to sleep soundly.

Mo Qi Liang didn't know that You Qing Jia Tian has left. She was woken up by the sound of knocking from Xiao Bai. You Qing Jia Tian prohibited anyone enter his room unless permission was given. Disobey servant will be killed. This was the reason why Xiao Bai was trembling in fear.

"Spit it out if you have something to say." Mo Qi Liang knew from Xiao Bai expression, she wanted to tell her something but remained silent and seems want to say but in the end just swallowed it.

"Master?" Xiao Bai gathered her courage and called Mo Qi Liang again.

"En?"

"Found the person who poisoned Madam Yan."

"Who?"

"Lu Fu, personal servant of Madam Yan." Xiao Bai trembling said, probably the innocent and pure girl couldn't accept it.

"She confessed?" Mo Qi Liang felt it was impossible.

"No. When found Lu Fu, she has hanged herself. The remaining poison was found in her room and match to the poison that caused Madam Yan death.

"Who found her suicide?"

"Is Madam Die's servant, Hong Luan. Just like their madam, Lu Fu and Hong Luan relationship like sisters. When she looks for her today, she already die. Xiao Bai still trembling in fear and recalled back the scene which Lu Fu's eye and expression; glimpse on one side eye.

"Who else found Lu Fu hang herself?" This happened when Mo Qi Liang still in her dreamland, that's why she unaware of this situation. From Xiao Bai's story, probably the killer is Lu Fu but behind the scene the actual killer is not her, just that she has been killed to keep this secret.

"Housekeeper and Madam Die. Every Madam also knew this news. Because Madam Yan is bossy, nobody wants to friend with her. That's why nobody goes to her place."

"You know this incidence very well." Mo Qi Liang didn't expect that Xiao Bai knew a lot and thought she is the type that works on tasks given.

"Has been here for a period of time, more or less will know a bit."

"What did housekeeper say after went there?" Mo Qi Liang pity at Li Shuang, all matters including big and small were handled by him. These works were not easy tasks.

"Servant doesn't know, probably this matter just let it go."

Just like that let it go? Li Shuang are you helping or harm me? She knew this murder is related to her and now carelessly handle this matter. Possible changed to moth, that time, how can you answer it?

Li Shuang who is still handling this matter suddenly felt his back shiver. Doesn't know who talked about him.

Mo Qi Liang back to Qin Yuan just like the same feeling back to home. Counting the days, Mo Qi Liang has been staying here about one month and stay here longer than Prince Lie manor. However, in one month she totally cut off from the world and just like country bumpkin didn't know what is happening outside.

—-at Prince Lie Manor—-

This is the second time Mo Qi Sheng stepped into Prince Lie Manor since Mo Qi Liang has disappeared.

“Prince Lie is really refined and elegant attitude in mind. Wife has been disappeared for so long and still at ease, plays chess with concubine.” Mo Qi Sheng sneered didn’t bring anything but the word ‘concubine’ made the woman in front of Prince Lie stunt for a while and showed evil eye expression.

“Same with you. Daughter of Prime Minister has been missing for a period of time and still can be at ease?” Mo Qi Liang disappearance due to Huang Fu Yue Xun acts. However, he didn’t expect that Emperor didn’t believe him and suppress his status as a Prince. This made him anger but didn’t have place or someone to vent. At last this opportunity came, Mo Qi Sheng. He wants to see how powerful he is.

“Daughter married just like cannot be retrieved back. Daughter married to this husband, of course her husband need to take care of this matter.” Mo Qi Sheng again kicked the ball back to Huang Fu Yue Xun. Both of them knew; they abandoned Mo Qi Liang. So, it’s not important whether she exists. The most important was, this matter has influenced Huang Fu Yue Xun. Whereabout Ming Yuan still not known and not easy to find their base camp. Moreover, Huang Fu Yue Xun has sent someone to investigate still clueless. Maybe his cheap daughter became meal of wild beast; kill two birds with one stone.

The title of Emperor will not falls into Huang Fu Yue Xun hand. The biggest hindrance of Crown Prince title will not be hindrance anymore. Can’t believe that Prime Minister go this far; emotionless. No wonder he have a wife and few concubines. Woman will not choose his type.

“Your servant, of course can’t compare to Prince Lie.”

Every concubine in this manor are pretty. However, the woman in front of him considered barely satisfactory beauty. Mo Qi Sheng noticed this woman who played chess with Huang Fu Yue Xun. His sweetheart, Li Wan.

She couldn’t be Huang Fu Yue Xun’s first wife but become one of his concubines because of her status. However, everyone can see Huang Fu Yue Xun favors her the most. If this woman disappeared, fear that Huang Fu Yue Xun will

mad.

“My concubines in this manor cannot be compared to the most famous lady in Chun Brothel, the goddess Qing Yan. Even though no longer is a youth, still an attractive woman.”

Qing Yan. Bai Qin Yan who is Mo Qi Liang’s mother agreed Mo Qi Liang became a substitute bride. As promised, Mo Qi Sheng let Bai Qin Yan return to his manor.

However, at first, didn’t know what was happening. There was always someone at the front main door of minister manor lingered around. Hence, he sent someone to investigate but yield nothing. Fortunately it was discovered early, this news didn’t come to Emperor. Or else will be worst than Huang Fu Yue Xun.

“This minister came here not only for other matters, just wanted to know daughter news. Just now chat for a period of time and Wang Ye still doesn’t have much response, this minister will get to the main point. Wish that Prince could understand father’s love.” Mo Qi Sheng expression just like the wicked and sly politician turns into compassionate father. Good acting.

“Ben Wang had sent people to look for Wang Fei whereabouts. If there is any news, my man will pass news to minister immediately. Minister no need to worry.” Huang Fu Yue Xun in a moment became the considerate husband and daughter in law. This scenario will be harmony if they are truly sincere.

Besides these two people, there is a person hopes that Mo Qi Liang will not be found, You Qing Jia Tian. The appearance of Mo Qi Liang for a month has colored his life, not just black and white. He didn’t expect that someone could influence his life but Mo Qi Liang did it. Hence, he won’t let anyone know she is in his place.

-----at Qin Yuan-----

The missing Mo Qi Liang is laying on bed at her room, boringly flip the book. Nobody will notice she is looking at upside down book if didn’t see properly. Mo Qi Liang’s head is thinking of the master servant of Madam Yan death news.

Mo Qi Liang care about this matter because it’s related to her. If she didn’t come here, Feng Yan with arrogant attitude still alive but now became corpse.

The youth beauty at this age wasted.

“Ai....” Didn’t know how many times Mo Qi Liang sighed. Just like whole person aged. Deep in her heart wanted to escape. She will escape this cage once there is an opportunity.

“Master, please eat lunch.” Xiao Bai prepared the lunch and arranged meals. Mo Qi Liang sat the side of table and noticed the case on the table. Pointed at the case, she said “What is this?”

“This is a silver spoon to check the presence of poison. It was provided by Li Shuang.”

“Li Shuang very thoughtful, then, tests the food.” Mo Qi Liang laughed and hinted Xiao Bai to open the case.

Due to Feng Yan incidence, Xiao Bai still worries about life-threatened caused by the poison. That’s why her actions very quick and didn’t believe that every dishes were poisoned. In addition the concentration of poison was high.

“Master, what should we do?” Fortunate to use the silver spoon to test the dishes or else will die without doubt.

Mo Qi Liang never thought this outcome and can only ordered ”Go and bring Li Shuang to here, I think he can explain it.”

“Servant goes now.”

Still not let me go. Mo Qi Liang never thought that the murderer wanted to kill her with this high concentration of poison. How the murderer get this? If buy this big quantity of poison, people will suspicious, perhaps buy separately? However, able to hide the poison; colorless and odorless truly not a normal person could do it. Probably, this poison sold in medicine shop? If knew the origin of this poison come from, possible to know who is the murderer? This time, Li Shuang, please do not disappointed her again.

# Madam, Master Said to Eat Meal - Chapter

## 12

mbling with fear. Just settle the incidence of Madam Yan and now possible of this woman became Master officially wife faced such incident again; Mo Qi Liang didn't fall to the same trick. Should say is she unfortunate or lucky.

"Housekeeper Li, looks like you have to explain this incident." Mo Qi Liang said and drank the newly brewed tea. A table full of delicious food, wasted. However, if eat these dishes will have bad outcomes.

"Servant neglected duty. Please punish me." Li Shuang lowered his head. He has been working here for many years and encountered many schemes made by this bunch of woman. However, the schemes encountered considered not serious. Unlikely this schemes, unable to track and cause life and death. Following Madam Yan and Lu Fu death, can be said that hard to find the actual murderer.

"What do you think of this incident?"

"Servant will assign someone to investigate."

"Housekeeper no need to be nervous, but I think this matter will become serious and everyone will anxious. Housekeeper will be busier then."

"Madam, you know who is the suspect?"

"I know. Believe that housekeeper also know this person, Cheng Jin Yun." Mo Qi Liang didn't mind to share her thought and tell Li Shuang about it. Even though she didn't know whether Li Shuang stand her side, but she still didn't want to bring trouble to You Qing Jia Tian.

"Servant immediately investigates this matter." Mo Qi Liang talked to few concubines before, Cheng Qin Yun will not do such things. From the beginning,

she was a gentle woman compared to her sister, Cheng Jin Yun is suspicious and didn't fit to her age.

"Housekeeper no need deliberately investigate. If she really wants to kill me, definitely she will take action again. No worries."

"Servant will assign someone to protect madam."

"No need as to give chance for murderer to take actions again." Mo Qi Liang is not like didn't have confidence with protection given, just that from her past experience, the murderer will be more cautious. In addition, this incident is just like appetizer, the murderer won't do to her anything.

"But if something happened to madam, servant couldn't explain to master."

"No need to explain. He impatience to see something happened to me." Recalled the scenario just like two kids quarrel, Mo Qi Liang didn't give high points to You Qing Jia Tian. Just give him a chance to become hero saves beauty even though she knew he probably not.

"But..."

" You only need to focus the tasks given. Here, I still can deal." Mo Qi Liang intolerant and interrupt Li Shuang talks. "Don't do anything except spread the news that I'm ill."

"Pretend to be ill?" Li Shuang didn't understand. Probably he understood the purpose of pretend ill but what kind of false ill.

"Even though something wrong, but caught in time. However, it influenced my body condition resulted in weak condition. In addition, to look like real, have to trouble housekeeper to check types of poisons found in these dishes." Mo Qi Liang explained but didn't expect anyone will believe this excuse.

"Servant immediately carries out tasks given." Li Shuang thought that Mo Qi Liang unnecessary to do such things. If something happened, the self ego will be injured.

After discussed with Li Shuang, Mo Qi Liang started to pretend ill. She thought it is difficult to pretend ill than in real life, maybe because of laying on the bed for whole day and her body was uncomfortable. From her body condition and

according to the book she had read, is it necessary for her to meditate to improve body condition?

That night, You Qing Jia Tian visited Mo Qi Liang after heard this news. He scolded Mo Qi Liang after found out she wasn't ill as news said. He assigned a bodyguard in order to protect her. The next few days, she didn't see him anymore.

In reverse to Mo Qi Liang leisure, Xiao Bai was busier than usual. She needs to handle everything including the gifts and presents sent by a bunch of woman. Afterall, Mo Qi Liang's sick news has spread to those women.

All these gifts, some are jewelleries and some are mix with hazardous items. For example, after Xiao Bai fed chicken with the food given by Madam Jia, the chicken turned to corpse. Other than that, the gifts from Madam Yi generously given to the servants, after used it, the rashes would appear and frequently hair fall. Even, nearly die. Things like this, everyday happened resulted Li Chuang couldn't find the actual murderer. This things naturally will not contained poison right? The people who handled these gifts were investigated by Li Shuang but still couldn't find out the culprit.

Compared to Li Shuang anxious, Mo Qi Liang didn't have interests in this matter, anyway she still pretend sick, why have to bother.

"Xiao Bai, What gifts they sent today?"

"A thousand years of ginseng, and also lots of valuable jewelleries." Xiao Bai honestly answered. At first, she was greedy when looked at these high value items but the more pretty it is the more harmful it is. One by one, she inspected these items; at last she lost her desire.

"These items sent by them are more and more high value. Doesn't know that You Qing Jia Tian's money will become zero?"

"Concern about master?"

"Concern? I can't wait for him to become poor."

"But master treat you very well."

"What did you saw that he treat me well?"

"All the while, master never let anyone enter his courtyard even room. But you can go in and out."

"This lead to everyone not please with me, am I right?"

"No matter what you are doing, master will not angry."

"You also think that this kind of treatment is good?"

"Servant just envy; have someone to depend on."

"You Qing Jia Tian is not someone to depend on, his woman too many and I will not become one of them." Mo Qi Liang didn't have interests and will not fight with this bunch of woman for a man.

"How can you think like that?" Mo Qi Liang didn't understand Xiao Bai's thought. If there is a man treat her well, she will definitely together with that man forever.

"Xiao Bai, You still a child. You will not understand."

"Master..." Xiao Bai still wants to say. "Master should appreciate happiness in front of you."

Mo Qi Liang didn't get to the point and asked "Xiao Bai likes You Qing Jia Tian?" Xiao Bai didn't response and blank for a while.

"Master, master what did you say? Servant is low person, how can a low servant pair with You Qing Jia Tian?"

"If not a status issue, do you wish to become his woman?" Even though just asking, Mo Qi Liang used a firm tone. You Qing Jia Tian is a gentleman? Many woman attracted to him and wanted to become his woman, but not so easy to become one.

"Mas.. Master, still have something haven't tidy up, servant leave first." Xiao Bai wanted to leave and disappear from Mo Qi Liang vision. Mo Qi Liang feels that she is hiding something.

"Don't go first. These few days of incident, did by you isn't it? Or should I say it was plotted by you?" Mo Qi Liang lazy to argue and get to the main point. Mo Qi Liang didn't aware there was something wrong with Xiao Bai. Or else she will capture her from the first day. At the beginning, she didn't aware what was

happening but everytime after met You Qing Jia Tian, the expression of Xiao Bai became clear. Thus, she understood another admirer of You Qing Jia Tian.

“What are you saying? Servant didn’t understand.” Xiao Bai lowered her head so that Mo Qi Liang won’t be able to see her expression.

“You understand very well. Able to add poison in every items or materials only you can do it, am I right?”

“When do you know about it?” Xiao Bai didn’t want to hide anymore and said it in clearcut. The energetic in her body totally change. From an innocent child changed to a woman who protects her love.

“Spit it out. Why did you do it?”

“Aren’t you clever? Can’t think of the reasons?” Xiao Bai contempt smile. Mo Qi Liang who is still laying on the bed, there is no master servant status anymore.

“Only can think of this reason; you like You Qing Jia Tian, but looks like not only this reason.”

“Definitely clever, no wonder master favors you.” Suddenly Xiao Bai grieves and Mo Qi Liang can’t adapt to this changes.

“Couldn’t capture You Qing Jia Tian’s heart, you kill his woman one by one?”

“No, I only want to kill you.”

“Why?”

“Why? You dare to ask me why? You didn’t appreciate when master treat you well and you still bad mouthed him. This type of woman should die so that able to dissolve my mind hate.”

“Actually didn’t dare to say and get over him, resulted in this outcome.” Mo Qi Liang really wants to open her head and see what is inside.

“Shut up! You fickle woman, you don’t have rights to critics me.”

“Actually you made me commit this crime.”

“You as a married woman, still wish to be with master together. After get master’s favors, still didn’t recognize his good intentions. If you are not a fickle woman, what are you?” Xiao Bai became slightly crazy and with rage looked at

Mo Qi Liang.

“If I say You Qing Jia Tian is provoking me? Do you believe?”

“Impossible. You slut woman, don’t speak nonsense. Master will not falls in love with fickle woman, it’s impossible. Must be you who seduced master and wanted to become his official wife. I will not let you succeed.” Xiao Bai said and stepped forward to Mo Qi Liang who is still laying on the bed and not moving at all. Actually, she has found out something wrong with her body. She knew Xiao Bai will take actions today.

“Couldn’t move, right? Relax, the drugs only limit the movement. You still can feel the pain.” Xiao Bai contempt smile and expose her white teeth. Mo Qi Liang never thought that she has evil potential.

“You want to kill me?”

“I will not let you die easily. Don’t you depend on your face to seduce master? I will destroy it. See whether you still dare to face master. At that time, master definitely ignore and thinks you are disgusting.” Xiao Bai from nowhere draw out the knife, brightly shines at Mo Qi Liang. She can see their reflections.

“Feng Yan and Lu Fu, you kill them?”

“I don’t need to take actions on these two idiots, someone else will settle them.” Xiao Bai showed evil smile. Looks like Feng Yan and Lu Fu not worth for her.

“Cheng Jin Yun?”

“You are clever.”

“But she is not clever and still thought she is using you.”

“Don’t care what kind of woman as long as able to settle this issue, right?”

“But her tricks not good enough.” Mo Qi Liang calm and composed laying on the bed and saw Xiao Bai’s expression without any emotion.

“So, what if it is? Li Shuang just closed one eye? He doesn’t want troublesome, that’s why, I’m not worried.”

“You totally understand him; he is your lover right?”

"I underestimated you. Never thought you will know." Xiao Bai expression not good, didn't want other to know this secret, thus her smile slightly distorted.

"The bruised on your body done by him, right? Both of you are intense lover." Mo Qi Liang unintentionally glimpse at Xiao Bai's bruise which resulted from tightly hugged.

She will shame for whole life if this matter exposed. Xiao Bai's knife at Mo Qi Liang's neck leave a blood trace. Her anger slowly dissipated. Xiao Bai took a small white bottle from her sleeves and put it under Mo Qi Liang's nose; she fainted.

# Madam, Master Said to Eat Meal - Chapter

## 13

mature content.

Mo Qi Liang opened her eye and aware of surrounding decorations are unfamiliar. She knew she wasn't in her room anymore. The one she recognized was Xiao Bai's evil smile.

"You woke up? Counting the time, you should wake up by now." Xiao Bai looks like talked to herself and not in good condition.

Mo Qi Liang didn't say anything, her body still weak. Probably Xiao Bai added drug dosage. This time, really can't escape.

"Ignore me? Doesn't matter since you will beg later." Xiao Bai stood at the side of the table which was not far from Mo Qi Liang. Her hands seem like fiddle something like a murder weapon that gave Mo Qi Liang weird feeling.

Mo Qi Liang wasn't familiar with courtyard but no choice to think where she is. From the faint light shines, here probably a private room since there was candles. Definitely this room was dark. Looks like Li Shuang did something behind You Qing Jia Tian.

A person pushed the door and entered the room. Mo Qi Liang slightly turned her head; really was Li Shuang. Just that didn't expect the woman behind him was Cheng Jin Yun. They were allies if they really kill Mo Qi Liang.

Too pity, Cheng Jin Yun not brave enough as thought by Mo Qi Liang. Lingering at the door and not sure whether to come in, till she saw her laying on the bed. Her courage was replaced with jealous and anger, in immediate walked to the bed where Mo Qi Liang laid.

"Long time no see." Mo Qi Liang smiled and showed expression still alive. But

to Cheng Jin Yun, her smile was sneering to her.

“What do you laughed at? Currently, you falls into my hand, you still have mood to laugh?” Cheng Jin Yun didn’t match with her previously warm and gentle woman. Whole person just like vixen, if the previous admirer saw this kind of behavior, afraid not only didn’t get the silver and gold (money) but to disdain as beneath contempt

“You really think that you have won?” Mo Qi Liang faintly asked. An impatience woman will succeed?

“Pa...” Cheng Jin Yun without pity slapped Mo Qi Liang and left red slap mark on her face. “I hated the most the expression from you, like you are controlling everything. Now, you will be sacrificed under my knife and become fish meat. See whether you still have confidence?”

“Whether I’m confident or not, you will not let me go. You still want to ask?” Mo Qi Liang gloomy smiled and just like what Cheng Jin Yun said. Slowly her confidence was decreased but still remained some.

“You know yourself, knew that I will not release you.” Cheng Jin Yun patted her both hands and seems to be clean freaked scared will be contaminated disease. At last, she took a handkerchief and wiped her hands.

Mo Qi Liang thought it was funny to see her actions, might as well ask her to demonstrate; hygiene. Few years back, Qin Brothel really trained her very well; from a village girl became an elegant woman from wealthy family.

“When are you going to finish her?” Cheng Jin Yun turned and asked Xiao Bai. The way she asks definitely both are allies.

“You do not need to bother matter.” Xiao Bai coldy said. Even though both wanted to kill Mo Qi Liang but didn’t represent they are in the same boat. She didn’t have a good feeling about this hypocrites woman.

“Don’t think that you gang up with Li Shuang, you can do anything you want. Remember your status, you are low servant.” Cheng Jin Yun mood not bad but if completely finish off Mo Qi Liang, she will be at ease.

“Humph... very strong vinegar smell (refer to jealous), afraid that recently Li Shuang didn’t visit you right?” Xiao Bai provoked Cheng Jin Yun and as her

wishes, she threw tea cups at Xiao Bai and was dodged by her. This means that Xiao Bai learnt martial arts, at least learnt foundation and not a weak girl.

Heard their conversations, Mo Qi Liang understood what was going on. Cheng Jin Yun and Li Shuang had affairs and few woman of YQJT had it too. Probably, these women were lonely. Other than You Qing Jia Tian, Li Shuang status was highest. If want to survive and live well, became his mistress is the fastest way. Li Shuang have lucks with woman.

“However, there is a person suffered the pervert treatment, isn’t it?” Cheng Jin Yun openly said and sneered. As she is a You Qing Jia Tian concubine, Li Shuang didn’t dare to leave marks on her body, but Xiao Bai is different. She is a servant, he will do whatever he wants. If he is excited, Xiao Bai will be half dead.

“Madam Cheng said I am pervert?” Li Shuang said.

“I’m not? You didn’t come to see me for so long and don’t let me complaint for a while?” Cheng Jin Yun’s stand close to Li Shuang. Definitely, use tactics taught from Qin Brothel. Looks like she didn’t return it to trainer.

Li Shuang shamelessly hugged Cheng Jin Yun’s waist and pinched her rounded butt. His actions just good as it used to be.

“It’s means I didn’t satisfy you?” Li Shuang smile and yet not a smile. Totally turn to a different person that Mo Qi Liang couldn’t recognize. After this scene, Mo Qi Liang understood what kind of person he is. She was uncomfortable with this situation.

“Don’t speak nonsense. I didn’t say anything.” Cheng Jin Yun hastily denied. Every time, he satisfied her and not she satisfied him. Never thought that, the middle age man still has strength.

“Tonight, I will go to your place, definitely will feed you well.” Li Shuang eye expression full of desire and didn’t have intention to hide his thought from everyone including Mo Qi Liang. She saw it clearly.

“Bad man, will wait for you ya.” Cheng Jin Yun said and left the room.

Li Shuang turned to the person who laid on the bed, Mo Qi Liang. His eye expression was indescribable; just like a person who lost his lover for a long time and finally found her.

“I underestimate you.” Li Shuang hands caressed the face that has been slapped. Mo Qi Liang wanted to hide but nowhere. Her body couldn’t move, even to turn body also take much efforts. Mo Qi Liang was helpless.

“Move your hands away from my face.” Mo Qi Liang hates and wrinkled her eyebrow. She was uncomfortable with Li Shuang acts.

“I can’t be part from you.” Li Shuang disgusted words, Mo Qi Liang didn’t response to it and like a corpse, laid without moving.

“When will you take actions?” Xiao Bai interrupted and impatience to finish off Mo Qi Liang. Next time, master will regain himself and full spirit just as he used to be.

“The way I handle matter since when you can invade?” Li Shuang stared at Xiao Bai, insulted her.

“But if didn’t kill her, matter of time, not benefit to us.” Xiao Bai not reconciled to, she couldn’t let Mo Qi Liang live anymore or else her time of death is nearer.

“Get lost!” Li Shuang ordered. Xiao Bai is a low servant and has to listen his order. She unwillingly and left the room.

Mo Qi Liang’s hands and legs could move a bit, however Li Shuang saw it. Li Shuang with weird expression and smiled, “didn’t expect that effects of drugs will drained away so soon. But doesn’t matter as it is more interesting when we play later.”

“What do you think you can do with me?”

“How to know if didn’t try?” Li Shuang’s hand touched Mo Qi Liang’s body and she felt disgusted.

“You wait for bodyguard that was sent by You Qing Jia Tian to rescue you? Earlier, I have sent him away. Really didn’t know if You Qing Jia Tian really cares about you. If say he care about you, he let his own bodyguard to protect you. If say didn’t care about you, he assigned a slow bodyguard. Just a small trick, able to send him away. He can’t rescue you.” Li Shuang thought the plan properly and smiled just like a person who has succeeded. A hand stretched forward to her chest and unbuttoned, exposing the fair skin and well rounded. Li Shuang eye shined brightly.

“Remove your hand!” Mo Qi Liang didn’t care about her weak voice. But thinking of that person is Li Shuang, she wanted to hit her head with the wall and die.

“No worries. I will gentle.” Li Shuang voice revealed he was not lack of patience. Picked up the broken shoes, not easily met a woman who is virgin, he definitely couldn’t hold back.

“Get lost!” Mo Qi Liang warned in weak voice. Her red eyes looks like wanted to kill; stretched her body and grab his hand not letting go. Really wanted to cut him into pieces.

“Be patience, soon you will be excited.” Li Shuang age nearly same as her father age and still not change his behavior. Another hand stretched to pendulum. Mo Qi Liang used all her efforts; tightly close leg. Li Shuang is not urgent; his hand stopped and lowered his head to kiss Mo Qi Liang. Mo Qi Liang turned her head not letting Li Shuang succeed.

“You still wait for You Qing Jia Tian to save you? What I have is time; slowly do with you.” Li Shuang showed great patience and not even angry.

“You are so pity, have to act according You Qing Jia Tian’s instruction, and lust after his woman, secretly did. If he found out, you will die.”

“You think he doesn’t know” If he doesn’t know, I still can do it openly without fear? He didn’t care, in addition, how many times; he came home and how long he stay can be counted with fingers. Those women I used before, he will not touched them anymore. But I’m kind enough not to do it with every of his woman and give few to him.”

“You really are disgusting.”

“Disgusting? Never try with man before, how do you know whether it will bring wonderful to you? Don’t hide from me anymore, soon or later, you will be mine.”

“I would rather die from letting you do it.”

“Want to die? Not so easy.” Li Shuang pinch Mo Qi Liang’s chin, “Bite tongue and die? I don’t want to be an adulterer.”

“If you dare to touch me, I will not let you die easily.” Mo Qi Liang blurted out

and like a dead person glared at Li Shuang. I definitely will not let you go.

# Madam, Master Said to Eat Meal - Chapter

## 14

ecome a habit.” They heard cold voice. Mo Qi Liang and Li Shuang, both of them recognized this voice and showed expression shocked and horror.

“Mas.. Mas.. Master..” Li Shuang tremblingly said. He didn’t foresee that You Qing Jia Tian will come back so soon and caught red-handed.

“Li Shuang, why didn’t you say properly?” You Qing Jia Tian smiled. A burst at Li Shuang and he fell from the bed; bloods spurt out and laying on the floor. He didn’t die as his chest still moving up and down.

You Qing Jia Tian walked to the bed and looked at the barely naked Mo Qi Liang. Can’t help but angry, if he late a bit, Li Shuang will succeed, he didn’t know what he will do to vent his anger and make up for it.

Mo Qi Liang with unfamiliar expression looked at You Qing Jia Tian. She was in this difficult situation, all because of him. Didn’t know use what kind of feelings to face her.

You Qing Jia Tian took off his own outer robe and covered Mo Qi Liang. At the same time, hold her and left the room.

Mo Qi Liang didn’t struggle, at this moment, she doesn’t want to think or do anything. Closed her eyes, body and mind are tired as well.

You Qing Jia Tian didn’t know what to say and need to say. Saw Mo Qi Liang in such situation, perhaps, knew the feeling so called heart pain. Anyone who harmed her will die.

“I want to be alone.” At this moment, Mo Qi Liang realized she is a normal woman; afraid will happened to her and will protect the person she loved. She can even not care about him, but definitely not this method. Whoever harms the

person she loved, she will not let them go easily.

You Qing Jia Tian didn't listen to Mo Qi Liang, he stubbornly sat at the side of the bed. Mo Qi Liang didn't have energy to argue, whatever. Glad that the mint smell can calm her.

Didn't know how long the time flew, Mo Qi Liang breathe gradually in pace. You Qing Jia Tian quietly tucked the quilt and covered Mo Qi Liang. Cruel and evil expression was replaced by soft and gentle expression. People who saw this scene will be touched and kill themselves.

In her dreamland, Mo Qi Liang saw Li Shuang's disgusting face again. Every place he touched, she felt disgusted. Her straight body and wrinkled eyebrow showed that she was having bad dream. Upon seeing this, You Qing Jia Tian wanted to calm her. His hand slightly touched her body was removed by Mo Qi Liang immediately. Looks like this incidence gave her a big blow and won't be easy to forget this incident.

Few hours later, Mo Qi Liang woke up and felt pain all over her pain. Probably, it is the side effect of the drugs.

"How do you feel?" You Qing Jia Tian asked with concerned. His worries didn't seem to be fake.

Mo Qi Liang turned her head away and didn't know what she angry at. Perhaps, blame herself too weak, thus didn't care about the person in front of her. Moreover, this incident happened because of him, she has rights to ignore him, right?"

"Don't tell me that this incident gave you a big blow." Mo Qi Liang didn't care about the condition of Mo Qi Liang. His expression totally different from the previous warm and worry expression.

"If you want to know, you can try it; being force from other person." Mo Qi Liang responded and raised her voice as usual.

You Qing Jia Tian smiled and said "Still energetic, right?"

"If I died here, isn't the one who benefits are you?" She admitted, the weakest and the thought of she is going to die at that moment, moreover, she tried but failed. However, she won't thanked him and still remembered he said before, if

seize the chance, want that person suffered.

“You understand well.”

“Thank you.” Even though she dislikes the way he comforted her but the outcome not bad; not so distressed and she realized that she need to rethink about her strength. At that moment, she is timid and she aware that she was not braves enough and repeatedly scared. This thought made her recalled the past where she used to be under shifu shelter and went through outrageous days. After left shifu, and did everything she wanted to, she realized that last time just was small troubles she caused.

“Don’t say such words. Think about how you are going to handle these people.” You Qing Jia Tian have same opinions with her in certain things. After this situation, not many people who are openly and without fear. Moreover, this woman pretend to be strong just like provoking him, strong enough compared to the other woman who did nothing. In addition, her cooking skill is good. All this points if added, enough to give him a reason to think that she is not bad at all.

Actually if counting the days, they were not always together but she gave him a special feeling. In the past, he was very sure that he will be alone in this life and not even that kind of love feeling. After met Mo Qi Liang, he couldn’t very sure of it. Sometimes will quarrel with her but this add to the points of entertainment to him. Without knowing, he visited her and quietly read a book or leisurely at the courtyard and enjoy the moonlight shine.

“Since when you know Li Shuang and your woman having affairs?” Mo Qi Liang mentioned about it and in his eye, these women is what for him?

“Since they’ve started the affairs just that I didn’t think he will treat you in that way.”

“That means you accepted the affairs?”

“Can be said so.”

“So, what do you take this bunch woman for” To vent and lust after woman; desire?”

“It’s not wrong if you think like that. Just takes what I need.”

"Just takes what I need? Only you are daring enough to say it."

"Why? Want to be fair? Do you think that those women are genuine and sincere?" Originally You Qing Jia Tian didn't want to discuss about this topic but afraid Mo Qi Liang misunderstood. Hence, he admitted these women were after his wealth which hurt his prides. He was willing to let her thought of this reason rather than misunderstood.

Mo Qi Liang unable to deny You Qing Jia Tian statements because she knew it was the truth. Even though lots of criteria could make woman falls in love but for You Qing Jia Tian, his appearance could attracts many woman and became one his woman. The love in You Qing Jia Tian world, if the woman loses favors, she lost everything. In the past, this woman definitely climbs over the mountain and couldn't suffer consequences of failures. Moreover, according to Li Shuang, they are lonely and throw herself to him. With these reasons, Mo Qi Liang couldn't blame You Qing Jia Tian.

"What are you going to do with those women?"

"What do you think?"

"Those women are yours not mine." Mo Qi Liang just now wanted to be fair has influenced You Qing Jia Tian. Thus, he asked for opinions. Obviously, it is wrong when talked many, lesser wrong if talked less, and not wrong if didn't talk at all.

"Those small characters, I won't take care of them."

You knew what to do with your servant right? Mo Qi Liang silently cursed. Her situation also not in good condition.

"Oh ya, where is the bodyguard who assigned to protect me?"

"That useless bodyguard, why are you concern about him?" When Mo Qi Liang mentioned about him, You Qing Jia Tian expression changed; dark face. Heaven knew why he found this bodyguard, at first because of his honesty but later found out he was slow and prudent and assigned easy task to him but nearly caused Mo Qi Liang insulted. There is no need to let this useless bodyguard stay.

"Just want to see your man; the slowest and prudent worker." Mo Qi Liang didn't have good impression on this bodyguard. Can't blame him since Li Shuang

has the most rights except than You Qing Jia Tian.

“Why? Are you interested in him?” You Qing Jia Tian tone is normal but Mo Qi Liang sensed danger when heard it. Sometimes really need outstanding skill to recognize the way he thought.

“I’m not” Mo Qi Liang shakes her head. “But I think you will not kill innocent people.”

“In your eyes, am I kind?”

“Should be kind enough.”

“These words are the most funny I heard. My pair of hands are tainted with blood and happened many times than you meet people. You still think that I’m kind enough?” You Qing Jia Tian really laughed. In martial world, people fear the most, You Qing Jia Tian, killed people without blink eye and never thought that he will be praised for being kind. If people discussed about his kindness, probably will tie them and burnt to death and said this man must be attached by evil spirit.

“There is no precise judgment on good and evil and no relation between kill people and kindness. At least, in my eye, evil person will not act like you.” Mo Qi Liang ignored You Qing Jia Tian smiles. She didn’t want to see the sorrow smiles which will influence her emotion.

“You really think like that?”

“Why should I lie? In addition, since when do I say you are evil person?”

“Hopes you didn’t lie or else you will not expect the consequences.” You Qing Jia Tian gazed at Mo Qi Liang’s eye and only saw sincere. Starting from he accepted this position, he never hopes other people will understand him, encountered Mo Qi Liang definitely just like someone said indescribable fate and destiny.

# Madam, Master Said to Eat Meal - Chapter

## 15

Jia Tian's bed till night. The drugs in her body has wear off. You Qing Jia Tian has been watching her closely and didn't leave her even a step.

"How are you going to handle them?" Mo Qi Liang get up and warm up muscle and bone. Lying in a long time felt like her body not hers.

"Do you have any good suggestions?" You Qing Jia Tian didn't like the weak and lifeless Mo Qi Liang whereas energetic more suitable for her.

"These two, can you give them to me?" Mo Qi Liang always have her own thought; if you don't disturb me, I will not disturb you. Since Li Shuang has angered and didn't kill her, she will not let him go easily and no exception for a woman.

"Why should I give them to you? You Qing Jia Tian asked with expression that he really need a valid reason.

"It is not satisfying to let the enemy suffered with your own hands, am I right?" Mo Qi Liang smiled with pale face emitting the demon aura.

"What are you going to do with them?"

"Give them a taste of his own medicine." Mo Qi Liang mind pop out the medicine prescription which is unintentionally knew and could put in good use.

"Ah? I'm started to have interest."

"So, you agree?"

"I disagree, you think of a solution to settle them by yourself?"

"You knew me well." Mo Qi Liang slowly put off guard against You Qing Jia Tian. Both of them didn't have any disagreement and clash disadvantages. Mo Qi

Liang presence has brings lots of entertainments.

“Before this, I would like to take a look of Xiao Bai.”

“Why? You still want to forgive her?”

“I’m not kind enough, want to see her only.” Before realize the matter relate to Li Shuang, she really thought that Xiao Bai is a kind person. Too bad, all of this was illusions.

“I bring you to her.”

“No need, If master has free time, help me find the medicine.” Mo Qi Liang said and walked to the side of the table. She wrote down the medicine prescriptions and passed to You Qing Jia Tian. He looked at the prescriptions where the handwritings were delicate and grace same as the owner of handwriting. Looking at the medicine ingredients, he knew what she wants to do with this medicine.

“I will assign a servant to lead you there. For this prescription, all the medicine ingredients will become end product when you come back.”

“You are the best.” Mo Qi Liang without stingy gave You Qing Jia Tian a big hug and leave the room with bouncing walk. Compared to previous where sad and in deep hatred, she became a different person, didn’t know where this energy came from.

Absolutely she is a person who has mood swings. You Qing Jia Tian helpless and didn’t notice that his eye with expression adored Mo Qi Liang.

Mo Qi Liang arrived prison cell which is the same prison cell she came before. The surroundings just as same like the first day she arrived this place.

“Why are you here? To laugh at me?” Xiao Bai was tied to the chair and her cloth was soaked in blood. Her body has bruises and looks in pity condition. Her pale face looked at Mo Qi Liang with deep hatred.

“I don’t do such boring things.” Mo Qi Liang saw Xiao Bai’s condition, where she didn’t have any feelings deep in her heart. Perhaps she is the most emotionless person, even didn’t express hate to her.

“So, why are you here?” Xiao Bai shouted at her and cough sounds followed

with gasped which looks like going to die in a seconds.

“I’m here to see you.”

“See me? Mo Qi Liang, you are still hypocrite.” Xiao Bai helpless laughed and worsened the bruises on her face. Perhaps she has no feelings of pain.

## 2)

“A person like you who looks like didn’t care about it but in reality need more than that. Obviously, you are hypocrite and still want to pretend you are not wrong. Aren’t you tired?” Xiao Bai sneered and didn’t manage to anger Mo Qi Liang. She listened and thought of her words. She actually very tired, isn’t she?

“It’s a good decision to come and see you.”

“Why master likes you? Your feeling to him is fake, you didn’t like him, didn’t love him and still want to tempt him? So thick skinned and do such things? For what? Why?” Xiao Bai asked Mo Qi Liang and this is the first time she wanted to avoid her gaze.

“I didn’t know how to explain to you, probably you misunderstood me. However, I only want to say that I don’t know what it means like, what is love. You thought I played You Qing Jia Tian with hidden meaning. You accused me and these are all your thought and not my excuses.” Mo Qi Liang coldly said. You Qing Jia Tian treat Mo Qi Liang special, she herself even didn’t know what sort of feeling it is.

“Your reasons likeable but you are twisting the words.” Xiao Bai dissatisfied with Mo Qi Liang reasons and only can gave these excuses.

“Whatever, I have seen you. I can leave now.”

“I don’t care what you said is the truth but if you didn’t like master, you should leave master.” Mo Qi Liang turned and left the prison cell. Xiao Bai looked at Mo Qi Liang back and suddenly thinks of something. The following words she spill out, “Or else, I will not let you go if I became a ghost.”

Mo Qi Liang shakes her head. You Qing Jia Tian should have prepared the medicine that she requested. Finally, she can return Li Shuang ‘big present’.

Li Shuang has been locked in a special prison cell; water prison cell by You Qing

Jia Tian. Wet and greasy shirt stuck on his body, pale green face with purple lips. When he nearly fainted, there is someone poured hot water on him and the water will become cold. Just like this, he suffered for few hours under hot and cold water. His body condition nearly reached to his limit.

“This medicine can let whoever consumed will have dying flashed?” which also means that the medicine requested from Mo Qi Liang has prepared. When Mo Qi Liang reached the prison cells and You Qing Jia Tian was there.

“Your medicine will have the effects you want.”

“Really?” Why I didn’t know? Or she didn’t hear correctly when shifu told her about the effect?

“This medicine prescription, where did you get from?” You Qing Jia Tian suddenly suspicious and asked. Or else impossible she didn’t know the effect of this medicine.

“Buddha: to speak, I didn’t steal these things.”

Li Shuang heard conversations between Mo Qi Liang and You Qing Jia Tian. He knew this stuff and didn’t manage to speak as he didn’t have energy left. If he knew this is the consequence, he definitely won’t do it.

“Where did you lock Cheng Jin Yun?”

“Who is the person you are saying?” You Qing Jia Tian felt this name very familiar but looks like didn’t have any connection to him.

“One of your woman, Li Shuang’s crime partner. My face was slapped by her.”

Said about crime partner, You Qing Jia Tian recalled. “Locked at nearby prison, you want to see her?”

“Both of them is a pair right? Good, now can try this medicine.” How Mo Qi Liang could forget the person who slapped her? Since she was a kid, nobody has hit her before. She couldn’t forgot that incident even she wanted to.

“Do as you pleased.” You Qing Jia Tian waved hand and hinted to bring that woman.

“Aren’t you unwilling? Even a bit?”

“Why should I?”

“She stills your one of the woman.”

“They received this tryout. They wouldn’t hide under table.”

In a moment, Cheng Jin Yun has brought to them. Her condition is better compared to Li Shuang and Xiao Bai. At least, her body didn’t have the obvious bruises. Just that she looks like a crazy woman. The untidy hair combined with mess makeup looks more or less like a beggar.

“Let go of my hand.” You Qing Jia Tian didn’t have patience to this woman. Moreover, to a betrayer this didn’t worth to him.

“Master, I beg you, all of this is because of Li Shuang that bastard, instructed me to do it. I’m innocent and didn’t want it to happen. Master, please forgive me.” Cheng Jin Yun didn’t hear the cold voice and gaze from You Qing Jia Tian. She kowtow beg for forgiveness and her forehead gradually bleeding.

“Shove her inside.” You Qing Jia Tian coldly gave instruction despite of Cheng Jin Yun plead.

The cold water stimulated Cheng Jin Yun’s delicate and tender skin. Whole person looked like a drowned rat that flopped but the water level was half of her height. Didn’t know what she flopped for.

“Let them act this show themselves.” Mo Qi Liang lost interest but she still didn’t forgive them. Looking at guard cell poured the medicine to the Li Shuang’s mouth, Mo Qi Liang turned and left. As she walked out, she heard Cheng Jin Yun’s continuously screamed and sounded miserable.

Bad people will have bad fate, this is the norm. Just that, after revenge, she didn’t feel any satisfied feeling and only felt tired. Is this the life she wanted? With all these bunch of woman schemes and tricks many times nearly cost her life. Looking at it, it is not worth it. In addition she recalled Xiao Bai’s words. Is it the time to leave? This place is not a place for her to live forever.

# Madam, Master Said to Eat Meal - Chapter

## 16

You Qing Jia Tian unhurriedly said after came out from the prison.

Mo Qi Liang replied with a smile and slightly distressed. As for revenge, she didn't have any idea. She only wanted to let others know that she is not the person easy to bully. It doesn't matter if it is a small issue, however, if the issue is serious, she afraid that will bring out the darkest side of her. Not because of she is not cruel enough but she didn't want to because if something happened, regret will be useless

"They will die, right?" Mo Qi Liang considered understood the medicine well. She didn't include purify which Li Shuang's blood vessel will burst and die.

"At this moment, you still want to be kind?" You Qing Jia Tian asked. If she say yes, probably he will let them live.

"No, it's rare to die at its own place." For Li Shuang that kind of person who dies due to love affair, probably he will thank Mo Qi Liang arrangement whereas Cheng Jin Yun considered unlucky. Who asked them became a couple. Moreover Mo Qi Liang couldn't tolerate people who slapped her. That's why if met Mo Qi Liang, considered very unlucky for Cheng Jin Yun case, next reincarnation, find a good man to marry.

"Thank you for saving me, and thank you for settle them." Mo Qi Liang sincerely expresses her gratitude. These words can be counted as goodbye words before leaving him. It's time for her to leave. Didn't have anything to miss this place, right....

This awkward atmosphere, You Qing Jia Tian dissatisfied after she said however he didn't express it and simply asked, "Your gratitude not sincere at all."

"What should I do to show my gratitude? Master." Mo Qi Liang very happy

when think of escape this cage and also relax when think of nobody will harm her. Flattered You Qing Jia Tian is not a dumb choice.

You Qing Jia Tian didn't expect Mo Qi Liang said so. In a moment, he didn't know what else to make Mo Qi Liang express her gratitude and blurt out, "This master still haven't eaten until now."

"As simple as that? Your Master, what do you want to eat. This servant will cook immediately and will need your kitchen." Mo Qi Liang couldn't guarantee that Qin Yuan's kitchen contaminated with poison.

You Qing Jia Tian glanced at Mo Qi Liang and hinted to follow him. Two people walking towards You Qing Jia Tian's manor. Mo Qi Liang walked behind him and smelled faint mint odour. She didn't know this smell would give her deep memory. Mo Qi Liang shakes her head, perhaps thinks too much.

As expected, this place was the same place where she used without permission. You Qing Jia Tian's kitchen forever have fresh vegetables and fruits. However, with her cooking skill she couldn't cook many dishes that could fill up the table.

"Master, please wait here and the dishes will be ready in moment. This servant will cook without delay." Mo Qi Liang sweetly smiles at You Qing Jia Tian and close the kitchen door.

You Qing Jia Tian thought it's funny to see Mo Qi Liang attitude and obediently wait. It's seldom occurring this situation where these two people have a nice and harmony talks which You Qing Jia Tian has forgotten his initial evil intentions.

There was sound coming from the kitchen which sounded battles. Last time, shifu mentioned the way she cooked same as the natural disaster. However she disagrees as when cooking more or less should have sounds. That's why all this time, she cooked in that way. Moreover cooking is one of the things she enjoys the most. All the ingredients can be mix and cook together to make a nice and delicious dish which she felt accomplished.

As only two people eat meals, Mo Qi Liang kept her principles not to waste food. Hence, she only cooked six dishes with a soup. If You Qing Jia Tian still picky, she doesn't know what else she would cook. Initially, she wanted to cook four dishes with a soup but when think of You Qing Jia Tian will petty, she added

two dishes.

You Qing Jia Tian patiently waited and looked at the dishes on the table which he felt warm and home feeling. Since kid, he lived with shifu and didn't know what so-called family is. People who cast him away due to unknown reason, he already used to it.

"Try the dishes, not sure whether my cooking skill has improved." Mo Qi Liang sat in front of You Qing Jia Tian. Mo Qi Liang had a same feeling with You Qing Jia Tian where this meal has brings them the long lost; warm and home feelings.

Both of them ate harmoniously and didn't talk, even didn't look at each other. Time was past very slow. These quiet and harmony mood had interrupted by a person who knocked the door.

"Master, servant has something to report."

You Qing Jia Tian creased eyebrow and put down the chopsticks and bowl. Without saying anything, he left and the servant also disappeared.

Mo Qi Liang looked at the You Qing Jia Tian's back, her expression filled with lots of feelings. Now is a good opportunity to escape, but why she still hesitates? Is it because, stayed too long and have a feeling?

Finally, Mo Qi Liang has a chance to escape and didn't have any signs that You Qing Jia Tian will come back. Due to the incident of Li Shuang, You Qing Jia Tian's bodyguard has been punished and nobody was guarding Mo Qi Liang. This has increased the chance to escape. Moreover, it's not the first time she think of this matter. Earlier, she had found a girl replacement where the person looks like her. The only she felt incomplete was she unable to make a mask and only depends on makeup that resulted in 70% similarity. Probably nobody will notice as it was at night.

In other manor, there was a servant stay in her room. Mo Qi Liang quietly entered Hong Xiu's room and let out a fragrance drug where this drug dosage able to make her sleep for whole night. The next day when she wakes up, Mo Qi Liang already left the place.

Mo Qi Liang quietly laid Hong Xiu on the bed. To avoid unfortunate case, she tied her with ropes. She opened the wardrobe and looked for dark color shirt.

Last time, she accidentally heard from Xiao Bai that Hong Xiu, Liu Chang and other servants freely go in and out of the manor. Moreover, Hong Xiu went outside at midnight before. So, it is not difficult to go outside tonight.

All preparation was done. Mo Qi Liang step by step walked towards main door. On her way, she met two people who was patrolling. She lowered her head and relaxed as nobody notice she wasn't Hong Xiu.

Nearer to the door, Mo Qi Liang's hand was cold sweat however she pretends calm and walked. However, a voice has startled her.

"Miss Hong Xiu wants to go where at this late night?" A loud voice from gatekeeper asked and looked at 'Hong Xiu'.

"Go outside to work." Mo Qi Liang gathered courage and answered. Fortunately, that man's attention was low. Even though a bit weird, he didn't make it difficult to Hong Xiu as her tempered very bad. He was a small gatekeeper couldn't compared to a person who stand and serve beside Master. He didn't forget his status.

Mo Qi Liang let out one breathes and continued to walk the tunnels. She felt someone watching her. Anyway, place a dumb housekeeper at the important place; exit door. Didn't know how and when die if enemy invade. She gradually walked further and they looked away from her. It was close call. Finally, spent almost an hour and able to see low light which also means that reaching soon. Pushed the last door of tunnel, Mo Qi Liang walked and found herself in mountain. Wild animals will come out at this time. She didn't want to escape from crocodile's mouth enter a tiger's mouth. She walked faster to avoid become meal of carnivore animals.

Mo Qi Liang walked in one direction and immediately climbed the tree if she found something wrong. Finally, it was not danger anymore as she walked out from the mountain. However, she doubted where she was as there were few houses.

She anyhow asked a family and found out that she was at the Northern part of Lin'an City. She didn't expect that there were desolate place. Looks like the Emperor, Huang Fu Zhuo Tian didn't do much and the Chi An country was not that powerful and rich. Of course, all this guessed from Mo Qi Liang. She didn't

want to see Chi An collapse or else troublesome to move to other place.

The sky slowly brightened; dawn. Mo Qi Liang wasn't tired at all and only thinks of leaving this place soonest as she worried. Mo Qi Liang didn't have much valuable items but sufficient to get transport back to Chi An. Finally, Mo Qi Liang saw Lin'an and was touched; unable to express the feelings. At this moment, she only wanted to find a place and sleep. Afraid that when woke up, she found herself in underworld.

Mo Qi Liang very fast fell asleep. She successfully escapes and didn't think that she herself able to run away from the secret place; won't face jealous and resentment anymore.

# Madam, Master Said to Eat Meal - Chapter

## 17

In Mo Qi Liang reached the middle of Lin'an City. The road filled of common people with harmonious atmosphere. The scene where business prosperous, the air filled with delicious smell. Mo Qi Liang rubbed her hungry stomach.

She anyhow chose a porridge stall and sat down. The stall owner looked honest, showed white teeth when smile. Not a bit she felt rude whereas friendly served and explained to her the signature dishes.

As in eating meal, she didn't have any interests. Order the dishes recommended by the stall owner; Flower Rice Porridge and several side dish. Sat under slightly cold weather, she felt a new day.

After breakfast, Mo Qi Liang felt alive and have strength. Although exaggerate, breakfast very important and shouldn't ignore. It's fine to miss breakfast few times, if in long term, stomach and body definitely couldn't bear anymore. Mo Qi Liang treated herself fairly as she wanted to live longer.

Mo Qi Liang found a nearest inn house. As she was full, she wanted to take a good sleep. Since yesterday, she didn't rest properly. Looking at the soft bed, Mo Qi Liang straight away laid on the bed. Before sleep, she thought the bed not so comfortable compared to You Qing Jia Tian's bed.

\*\*\*\*\*

"Wangye, servant has matter to tell."

Huang Fu Yue Xun stood up when listened to the hurried footsteps and Wang Hai voice.

"Come in."

Wang Hai's expression was unnatural and hesitate took out something.

"Please take a look. This morning, the bodyguard found this in manor."

Huang Fu Yue Xun took the letter from Wang Hai. Roughly read the contents, his expression became serious, didn't know what he was thinking.

"Anyone saw who placed this letter."

"No, just saw this letter appeared in front of the door." Wang Hai cautiously answered. Afraid will anger Huang Fu Yue Xun.

"No? Then, what is the use of these groups of bodyguards? Behead all of them." Huang Fu Yue Xun coldly gave instruction and made Wang Hai stunned for a while. He never saw Wangye this angry before.

"Still blank for what, get out!" Huang Fu Yue Xun was impatient and looks like the letter had influenced him.

Wang Hai went outside and afraid that Huang Fu Yue Xun's anger will kill him too.

The letter was at Huang Fu Yue Xun's hands. He still thinking of the contents whether fake or truth. However, to let her came back is another question. Lately, emperor father attitudes to him were not usual. If wanted to become emperor, all this not important anymore.

\*\*\*\*\*

At here, Mo Qi Liang had a good dream. There was a sounds of hurried footsteps had increased her anger. The people who rushed inside, she wanted to kill them. However, she was lucky as she didn't have a habit of sleep naked or else her naked body will be seen by these groups of man.

Mo Qi Liang looked at the man who led the groups, "How come you are here?" It's normal if she saw You Qing Jia Tian, however in front of her was Huang Fu Yue Xun's.

"Why? Doesn't want to see husband?" Huang Fu Yue Xun's sat in front of Mo Qi Liang and waved hand; hinting servants to leave. Whatever it is, she stills the official Wangfei. If she did something that embarrassed him will only smeared his name. He won't let this incident happened.

"Definitely doesn't want. What brings you here?" Mo Qi Liang answered

honestly and Huang Fu Yue Xun's face darkened.

"Did you know that with your words, I can kill you?"

"Wangye has this intention when see me. Why need to say aloud?" Mo Qi Liang slightly smiled and ensures the collar of shirt not loosened as Huang Fu Yue Xun's eyes expression same with pervert guy.

Huang Fu Yue Xun more concerned on this matter. Ever since Mo Qi Liang kidnapped, he really assigned someone to look for her but to no avail. Except knew this matter related to evil master, he knew nothing else.

"I was thrown by somebody." Mo Qi Liang lied to emotionless person. If Huang Fu Yue Xun wanted to know more, she can let him know the 'details'.

"They didn't do anything to you?" Huang Fu Yue Xun still suspicious as the evil master was famous with his cruel and merciless acts. How come he let her come back here easily?

"Wangye wanted me to die there, right?"

"No. You are my Wangfei, impossible Benwang think like that." Huang Fu Yue Xun face changed very fast. Just now threatened her and now changed to 'have to honest for your own sake'. The contrast was way too big.

"Wangye, don't blame yourself. I was kidnapped didn't represent you are useless."

"You.."

"Don't angry. Just now talk nicely. Why angry?" Mo Qi Liang tried to appease Huang Fu Yue Xun. However, after she finished talked, Huang Fu Yue Xun became more angry.

"How Mo Qi Sheng taught her daughter?" Huang Fu Yue Xun questioned Mo Qi Liang's manner and morality. Mo Qi Sheng let her own daughter became rude but he forgot that every time met Mo Qi Jing, he couldn't take it anymore compared to Mo Qi Liang.

"Wangye has forgotten I am an illegitimate child? As in teach and raise, father will not put efforts on me." Mo Qi Liang corrected Huang Fu Yue Xun points.

Honestly, she has no relation with Mo Qi Sheng. All was about her shifu masterpiece and she missed him as it has been long time didn't see shifu.

"You know yourself." Huang Fu Yue Xun let a heng sound, didn't know whether despise or look down her.

"All the while, I know I'm not bad." Mo Qi Liang without hesitate proudly praised herself.

With headache, Huang Fu Yue Xun looked at Mo Qi Liang and wondering all the talks were nonsense but these kinds of talks could let him relaxed and rare for Huang Fu Yue Xun. It's pity that Mo Qi Liang was a daughter of Mo Qi Sheng and destined to fall into his hand which will not have easy life.

"Wangye has been here for a long time but still doesn't know what brings you here?"

"Are you pretending or really an idiot? Benwang come here to fetch you."

"Wangye is joking, right. Previously, Wangye has been tried all methods to eliminate me, aren't you?" Mo Qi Liang coldly smiled. This person couldn't compete with You Qing Jia Tian. Mo Qi Liang realized this was the second time You Qing Jia Tian came across her mind when she compared him with Huang Fu Yue Xun. It was not a good habit.

"You still bear Wangye a grudge?"

"Wangye is joking again. I'm only a woman, doesn't dare to do so." Mo Qi Liang paused for a while, "However, being played by someone, Wangye do you know that feeling is not good at all. Moreover, I heard because of me, Emperor treat Wangye not so well compared to last time; couldn't protect own Wangfei, how can protect the country. Probably, Emperor has this thought."

Huang Fu Yue Xun didn't expect Mo Qi Liang knew this matter, moreover in details. Looks like, couldn't look down this girl. The only not perfect was her status.

"What do you want?" Huang Fu Yue Xun think all over again and finally blurt out.

"This question, Wangye asked back? I only want to live peacefully. Will Wangye

grant my wish?" Since Huang Fu Yue Xun entered this room, Mo Qi Liang knew that she got no choice but to follow him back. Just that she didn't know who followed her and let him knew where she was. Looks like her alertness was poor.

"Who are you to talk on term and condition?" Huang Fu Yue Xun felt himself nearly bear enough.

"Wangye wants to bring me along with you, more or less need to sacrifice right? In addition, Wangye eagers to take me away?" Mo Qi Liang asked and she knew couldn't escape from Huang Fu Yue Xun easily. Probably she was too boring so had a talk with him for so long.

"Don't too over." If not because he still can use her, Huang Fu Yue Xun won't talked to her for long time. If the time has passed in a long time, Mo Qi Sheng definitely will know this news and not sure whether credit belongs to him.

"Wangye, please calm down. Didn't expect that Wangye really wish me to go home. If really as your wish, Wangye sweetheart will heartbroken?" Mo Qi Liang kindly glanced at Huang Fu Yue Xun. She knew that he will let her back but anger him also not bad.

"No need to bother this matter. Benwang has thought abut this matter." Huang Fu Yue Xun totally didn't think of Li Wan Wan conditions. That time when she heard he wanted to marry to Wangfei, she didn't angry or cry. At least in front of him, she still act as normal. That's why he never thought that she will object. Moreover he didn't think that this matter was wrong.

"Wangye really heartless. She follows Wangye for many years and only gets concubine status. She is too pity. Mo Qi Liang pretended became kind and Huang Fu Yue Xun couldn't stand it.

"Wan Wan is fair and reasonable. She is not like you, annoying and troublemaker."

"Wangye realy didn't understand woman. Soon or later will suffer losses." For many years, Huang Fu Yue Xun probably didn't give heart to any woman. It's not strange if he died because of a woman.

"What do you want in order to come home?" Huang Fu Xin nearly lost patience. Blue veins appeared on his forehead represent he was enduring.

"I have said earlier. It's enough if Wangye can give me peaceful life."

Huang Fu Yue Xun hesitate for a while, looked like have made a big decision."Alright, Benwang promise. If you didn't create any trouble, Benwang guarantees your peaceful life."

"Fine. Deal."Since Huang Fu Yue Xun appeared, she knew no matter what she has one choice only which was back to his place. However, who leaked her whereabouts to Huang Fu Yue Xun? Definitely not You Qing Jia Tian and also means that there was someone monitored her. Looked like the day ahead probably won't be a peaceful day...

# Madam, Master Said to Eat Meal - Chapter

## 18

Mo Qi Liang was merry for two families and reflected the hidden meaning of it. The concubines whose were not so doted by Prince Lie had gathered with the valuable items which they kept with them since they married. They looked at the Wang Fei's signboard (refer to the room's name). They chose to stand at the other side whose was Wangye sweetheart, her status more or less same with Wangfei and believed that their choice was correct.

"What is the meaning of this?" Mo Qi Liang just came back to Prince Mansion, even sat on a chair yet to be warmed and heard the voice saying; concubines pay a visit Wangfei. What was the purpose of visit as she herself didn't know what happened to her. Since they came to visit her, Mo Qi Liang didn't have any valid reason refuse to see them. However, she regret after met them. Every of them didn't know whether they purposely or sincerely; their face were pale and the clothes they were wearing just like attending funeral. She didn't mind it but if outsider saw this scene, probably this place will look like full of ghosts. Even the servants were trembling when pouring the tea.

"Wangfei, we gathered all these items for you. Please don't mind our small intention." Said the woman who led this group of woman. Her face not so white and when flattered, her face showed visible lines which quite scary.

"You all should know what my status in Prince Mansion is. There is no need to bring your favorite items to win my favor? Why not spend this thought in Wangye which may bring fortunate life in Prince Mansion." Said Mo Qi Liang who just like mother of this owner mansion.

Every word and action didn't anger them. Her wish is to pass the day in peace, that's why she need to control this group of woman to avoid the unnecessary troublesome.

"Wangfei, what are you talking about? You are truly and officially Wangfei's Imperial wife, this low concubine naturally will take your guide/lead. Don't dare to have disobedient intentions." Said the woman who led the group with the fear expression. Even though the rest didn't say so, their face showed loyalty.

Mo Qi Liang couldn't reject their intentions when encountered this situation. "Since you have said so, I will not say anymore. But please take back all these items. Likely, you have memorable feelings on these items; lingering feelings towards Wangye. Will have grasp remembrance with these items stay with you." Mo Qi Liang suddenly pity to this group of woman. For whole life, can only depends on one man but that guy never treasure them. Actually felt sorry to them. Mo Qi Liang words touched their bottom of heart. Each of them lowered their head and even red eyes which made Mo Qi Liang didn't know what to do.

"But still need to mention ugly words, in days ahead, I couldn't guarantee can give or hopes for Wangye's dotes because all this fond and dotes have to depend yourself to fight for it." Mo Qi Liang words increased their hopes and disappointed at the same time

From the beginning till the end, the grievance became stronger. Mo Qi Liang helplessly passed the time and let them think properly.

When to love yourself more than love a man, probably they won't appear in front of Mo Qi Liang anymore. But then, she knew it's impossible. Just after this group of woman left, Huang Fu Yue Xun walked in. Probably, he had met this group of woman with pale face, not nice-looking good.

"What is going on with this group of woman?" Indeed, Huang Fu Yue Xun still cares them.

"Seek protection from me. Afraid that Wangye didn't go to them for a long time."

"Wangfei, you are generous. Don't tell me, Wangfei didn't want me always keep you accompany?"

"Wangye, it's unnecessarily to use this trivial thingy to try on me. Rest assured, unless there is no choice, I will not let out my intentions on Wangye for the time being."

“What kind of intentions you have?”

“Just said only. Wangye, don’t take it serious. Actually, why do you come here?” Huang Fu Yue Xun realized the purpose of coming here when he was reminded by Mo Qi Liang.

“Enter Emperor’s Palace with Benwang now.”

“Enter Emperor’s Palace? Wangye, don’t mind to explain in details?” Mo Qi Liang couldn’t recall who else she knew in Emperor’s Palace. She, who didn’t receive favor from anyone should be nobody will want to see her. In addition, Imperial Palace undoubtedly was another battlefield. Mo Qi Liang couldn’t stand anymore.

“You can only listen to Benwang’s instruction. No need to ask so details.” Huang Fu Yue Xun clearly showed impatient. If can, he too didn’t want Mo Qi Liang enter Imperial Palace. This woman definitely will not worry about her status, probably will ruin his big chance. However, Imperial Father summoned to see her and couldn’t disobey his words.

Really didn’t know how Imperial Father knew this news so fast. After brought Mo Qi Liang home, he received Imperial edict and doubt could have spy of Imperial Father in his mansion.

“Wangye, shouldn’t you let me know who the enemy is? After all, we sit in the same boat. If I do any mistakes, it’s hard for Wangye to make correction isn’t that so? Mo Qi Liang tried to put off Huang Fu Yue Xun’s unnecessary guard. Actually she never think of Mo Qi Sheng side, however could see that old man lose face also not bad.

“Benwang thought you know everything.”

“I don’t have interest on this stuff. Hence, did not ask around. Its better Wangye tells me everything.” They are officially husband and wife. If something happened, definitely, Huang Fu Yue Xun will fight. That’s why it’s not a good thing if Mo Qi Liang made mistake. Huang Fu Yue Xun looked like considering Mo Qi Liang’s words, he unhurried and said, “You should have knew the current formality. If you run into Empress or Huang Fu Yue Yang, take note of the manner of speaking. Don’t blame Benwang didn’t save you.”

“Many thanks to Wangye’s reminder. As in to put on act to show affection, I inherited it from my father.” In this current situation, Mo Qi Liang willing to choose the person who provide shelter and food even though both of them looked after their side of family.

“Don’t have time to listen to your nonsense talks. Get ready to enter Emperor’s Palace with Benwang now.” Huang Fu Yue Xun afraid if he listened further, he will be influenced by Mo Qi Liang.

Both of them reached Imperial Palace. Mo Qi Liang unfamiliar to this place and quietly followed Huang Fu Yue Xun behind. In her heart, she repeatedly said; slow down a bit. Is it will die if not slow down ah. However, Huang Fu Yue Xun still kept the speed pace. The passersby who saw the delicate and pretty with a bit of resentment face expression of Mo Qi Liang, they seem to have pity feeling. However, Mo Qi Liang didn’t need this kind of impression.

Arrived at Qian Yun Palace, Huang Fu Yue Xun immediately changed the clothes with serious expression. Mo Qi Liang couldn’t except that her role was to act as eligible Wangfei. Although she was born; the family background not the above average, she stood there which don’t have a slight feeling of small-minded. But in reverse, have the noble manner which gave comfortable feeling.

“Er Cheng pays respect to Imperial Father and Mother.”

“Chen Qie pays respect to Imperial Father and Mother.”

“Rise.”

“Thank you Imperial Father and Mother.”

Huang Fu Zuo Tian looked up and down at daughter-in-law who was standing. Originally, he was dissatisfaction as Mo Qi Sheng decided and chose illegitimate daughter. However, he changed his thought after saw Mo Qi Liang. Although her appearance was not the prettiest, she has the aura of elegant and noble which average people wouldn’t able to imitate. Slightly lowered her head, considered passed the first round.

Even though Mo Qi Liang showed extremely humble, still, her corner of the eye could looked Huang Fu Zuo Tian up and down. Huang Fu Yue Xuan’s face didn’t resemble him, probably resemble to his mother side. Moreover, he looked more

kind than Huang Fu Yue Xun. However, the aura he had couldn't despise.

"Liang Er, come here and let me take a proper look. This period of time have let you suffered." Empress Su Zhi Qing friendly said and waved to Mo Qi Liang. Mo Qi Liang glanced at Huang Fu Yue Xun. The inadvertent acts let Su Zhi Qing felt she was not as innocent as she looks. The truth was woman's six sense is scary.

"Many thanks to Imperial Mother concerned. Liang Er is fine." Mo Qi Liang smiled with graceful. She recalled that time because of want to have this kind of smile, she trained for one month where shifu panicked to see her in this condition.

Huang Fu Yue Xun in awe when saw Mo Qi Liang charming attitude. However, when met Imperial Father he wouldn't let himself to loosen or absent-minded.

Elegant with fine appearance and clear voice, Mo Qi Liang was no different from young lady of family influential for generations. Could it be that, she herself oversensitive? Su Zhi Qing thought over and over again.

"Good. If something happened to Liang Er, Huang Fu will heart broken." Su Zhi Qing just like a kind mother who was concerned on son's marriage yet she tightly hold Mo Qi Liang's hand.

"Imperial mother is teasing." Huang Fu Yuen answered with neither cold or warm. Mo Qi Liang never missed Su Zhi Qing and Huang Fu Zuo Tian eyes who didn't interfere their conversations. This family really interesting. Huang Fu Yue Xun was not biological son of Su Zhi Qing and probably their gaps was destined since Huang Fu Yue Xun was born.

"Chen Qie like this child and would like to bring her to my palace for a while. Doesn't know whether Yue Xun willing to part with her?"

"Pls do as Imperial Mother wish."

Go die Huang Fu Yue Xun! Helplessly looked at herself entered tiger's den and knew this Empress prepared something to deal with her. Could it be that, one day, she has good fortune to save herself?

# Madam, Master Said to Eat Meal - Chapter

## 19

t Ci Yun Palace. This place was equally splendidous and majestic sight. Not a slightly different when compared to Qian Yun Palace. Indeed, couldn't look down Su Zhi Qing; Empress status.

"How Huang Fu Yue Xun treat you?" Su Zhi Qing sat at Lord seat and gazed at Mo Qi Liang who was standing. The looked of kind and nice of her has disappeared. This time was truly true colors.

"Wangye is good to Chen Qie." Mo Qi Liang lowered head, voice had slightly trembled. With her appearance looking at Su Zhi Qing eyes and due to her background as illegitimate daughter, she didn't bring any harm to Su Zhi Qing. Mo Qi Liang life could be peaceful.

"Usually, what did he talks to you?"

"Chen Qie just married, didn't know a lot of things. That's why Wangye never said anything. Chen Qie is incapable as couldn't share his worries." Mo Qi Liang terrified expression, looked like going to cry soon. Su Zhi Qing disgusted with her acts, glanced at her twice; useless. She sent her away.

Mo Qi Liang didn't mind Su Zhi Qing's attitude. Anyway, she wanted this result. The best was, everyone neglected her. However, she blank for a while when exit the palace.

"Who are you? Didn't pay respect when meet princess. Believe me; this princess will assign someone to behead you." Mo Qi Liang didn't aware the coming lady. However, she couldn't not to stop walking when heard noise. Lazily raised her head, looked at a stench lady, hands on waist more or less same attitude; fishmonger wife shouting at the street.

"Pay respect to Princess." Mo Qi Liang didn't want to cause trouble and

obediently said. Clearly the opponent didn't have any intentions to forgive and wouldn't let her go easily.

"What kind of attitude is this? Someone, lock her up."

Mo Qi Liang thought this year was unlucky year. The accumulated and all bunch of unlucky happened to her at the same time, wondering how she will survive.

"Could it be that because of Princess status, rely on status to bully others?" Mo Qi Liang was not the type that quietly bullied by others. She has been endured since at Empress's Palace and need a way to release her anger. Probably, she didn't pretend enough and expressed in her face. Thought again, she realized didn't doing anything wrong. Facing You Qing Jia Tian also like that moreover to this lady?

"What do you say? You dare to say I rely on status to bully others. Looks like you didn't want to live anymore." When Huang Fu Xuan Er angry, nobody could stop her and dodged by Mo Qi Liang when she wanted to check her. Huang Fu Yue Xun couldn't control strength and fell flat.

"Sister, what's wrong. Why made yourself in sorry condition?" Didn't know where Huang Fu Yue Yang hide himself and sudden appeared in time. He was pleased when standing in front of Huang Fu Xuan Er.

"Why are you here? Get lost." Huang Fu Xuan Er never thought Huang Fu Yue Yang will encounter her sorry condition. Entire life, she hate the most the wicked smile of brother where always have suspicious looks on him. She didn't understand since she was kid and always scared of him, however, now she grew up, understood the behind meaning. At first, she couldn't believe it but later on changed to hate and hide from him far away. Never thought, she will meet him again.

"Sister said so, brother will heart-broken." Huang Fu Yue Yang supported Huang Fu Xuan Er to stand up. However, his hand was stopped by his sister and at the same time gave him the hate gazed.

Huang Fu Yue Yang was not bothered by her action and smiled. His gaze shifted to the woman who stood at the side, Mo Qi Liang. He saw a lot of 'high quality woman' and was used to it, however, for Mo Qi Liang's appearance,

more or less he was attracted to her, “Beauty, who are you?”

“Prince, please be dignify.” Huang Fu Yue Yang’s pervert was widely know. Even Mo Qi Liang didn’t know him could guessed it out.

“Beauty, since you knew this Prince, why not come along with Prince and goes for a walk.” Huang Fu Yue Xun eyes over Mo Qi Liang. Even tough, her appearance was not the prettiest, her skin looked not bad; felt great when touched.

“I’m a married woman. Better not to spoilt Prince’s interest.” Mo Qi Liang thought in Imperial family, Huang Fu Yue Xun was the normal person among them. Didn’t know how Mo Qi Sheng thought, this kind of Prince, is it worth to assist? Totally useless. The properties of Empress will not enough for him. If Chi’An country hand over to this type of person, soon or later, this country will fail.

“So what? The person I want, definitely will belongs to me.” When heard this, Mo Qi Liang understood; he and Princess was a family. Had attitude of rely authority to bully others moreover, the way they talked more or less the same.

“She is mine. Why do you interrupt?” Huang Fu Xuan Er didn’t know since when she stood up, the clothes was dirtied and blamed Mo Qi Liang for not pity her.

“It’s wrong sister said so. Just now, sister wants to behead this beauty. But this Prince is a hero save beauty, Could it be that she shouldn’t devote her life to me?”

In Mo Qi Liang life, first time heard hero save beauty could be used in this way. She swore; not ever use this words, as to avoid recalled this incidence.

Huang Fu Yue Yang saw Mo Qi Liang didn’t say a word had increased his pride. “Sister, don’t you get it? This beauty also agreed with my words, right?”

Mo Qi Liang stunned for a moment. Who can help her explain to this scumbag with low IQ? How could he have low understanding level?!

“Afraid to let brother disappointed, Liang Er is Benwang wife.” Didn’t know when Huang Fu Yue Xun appeared, one hand hold Mo Qi Liang’s waist represent he owned her.

Mo Qi Liang has been taken advantage and couldn't resist or else they will know everything. However, no need for her to do so as Huang Fu Xuan Er suddenly became angry and separated his hand and stepped forward. Don't tell her that she to his brother had that kind of feeling? Mo Qi Liang couldn't continue to think, looks like Huang Fu Xuan Er and Huang Fu Yue Xun, both were same type.

"Xuan Er, don't get angry." Huang Fu Yue Xun shifted eyes to Mo Qi Liang. Both of them stood together had an attractive and elegant sight.

Huang Fu Xuan Er unwillingly and stared at Mo Qi Liang. "Didn't expect, she indeed is third brother wife. Just now, I was joking and let her startled."

"It's misunderstood, brother no need to blame yourself." After Huang Fu Yue Xun said, proved the accusation of Huang Fu Yue Yang. If Imperial Father knew he was flirting brother's wife, didn't know he will lock up for how many days.

"Brother Xun, how could you married to ugly woman?" Huang Fu Xuan Er didn't want to be ignored and interrupted them which let the Yang's person face darkened.

"Xuan Er, what nonsense are you talking about! Liang Er is your brother wife, don't be rude." Huang Fu Yue Xun shouted with serious expression. However, didn't have any intentions of blame her in his words. After all, they were siblings. Even though, they were born not under same mother, Huang Fu Xuan Er's mother, Shun Fei Concubine treated him nicely when he was a kid. That's why he doted and pampered Huang Xuan Er.

"Xuan Er said the truth. Brother Xun shouted at me because of this ugly woman, I don't want to care about you anymore." Huang Fu Yue Xun ran away after finished said. Huang Fu Yue Xun didn't chase after her as he knew her well; she will be fine after a while. In reverse, he worried about Huang Fu Yue Yang.

"Third brother didn't want to take a look of sister? You are the one who dote her the most, right?"

"Doesn't matter. Brother, no need to worry. This princess's behavior, no one could control her."

"Third brother, you are right. It has been long time didn't see third brother enter palace. What brings you here?" Huang Fu Yue Yang expression with desire

has lessened. Even Mo Qi Liang suspect he could had acting. However, didn't look like he was acting as Huang Fu Yue Yang wasn't a clever person.

"Due to Imperial Father order."

"Imperial Father? What do Imperial Father talks to you?"

"Imperial Father wanted to meet daughter in law. Moreover, since she married and never enter palace before, bring her here and sight seeing."

"Oh, I see. Then I will not disturb both of you." Huang Fu Yue Yang smiled and left the vision of Mo Qi Liang and Huang Fu Yue Xun. Looking at the direction he took, probably went to Su Zhi Qin's palace.

"Didn't expect, Wangye's charm so great. Even, sister couldn't escape." Since everyone has left, Mo Qi Liang let out her anger on Huang Fu Yue Xun.

"What nonsense are you talking about?! Huang Fu Yue Xun face didn't look good.

"Actually, Wangye knew. I thought Wangye didn't know and purposely remind you. Brother and sister love shouldn't be lit up."

"Benwang's matter didn't need you to teach me. How do you encountered them? Explain in details."

"When walking didn't notice the woman walked in front of me and was stopped by her. She said wanted to behead me and Huang Fu Yue Yang appeared. Wish to become hero save. After that, you appeared."

"As simple as that?"

"Wangye, you think it's complicated?"

"Benwang trust you for the time being."

"Then, many thanks to Wangye."

# Madam, Master Said to Eat Meal - Chapter

## 20

uang Fu Yue Xun back to Prince Mansion. This place was where she lived. Standing at the entrance, that person resembles Li Wan Wan. Towards this woman, Mo Qi Ling knew she was Huang Fu Yue Xun's sweetheart. She didn't need effort to know her which she didn't look at her when passing her.

Li Wan Wan didn't expect Mo Qi Liang wouldn't give face to her. Saw Huang Fu Yue Xun, she was in happy mood, however, changed to upset. Huang Fu Yue Xin was upset to see his woman sad and asked, "What's wrong? I'm back but you are not happy?"

"Wan Wan is happy to see Wangye come back. Just that, Wangfei looks like didn't like me." Even though Li Wan Wan lowered her voice, still, Mo Qi Liang heard it clearly. Mo Qi Liang thought they had a lot of free time to provoke and talked about her.

"No need to bother her, she always like that." Huang Fu Yue Xun knew the ignorant Mo Qi Liang not only oppose Li Wan Wan. This point, he saw through and didn't make difficult to Mo Qi Liang. However, for Li Wan Wan, she saw it differently. This obvious protection made her suspicious and endure heartbroken which her expression turned to not good looking.

Huang Fu Yue Xun assigned two female servants. The good side was they served Mo Qi Liang and the bad side was they were monitoring Mo Qi Liang's every acts. That's why Mo Qi Liang named them Servant no.1 and Servant no.2 which she didn't feel guilty at all. Their changing of face expression due to boring life was interesting.

Returned to her own courtyard, Mo Qi Liang straight away laid down on bed and met God of Dream again. When she woke up, it was night time. While lifting

the curtain, in her mind; she has been waiting this kind of life.

Mo Qi Liang skillfully in hiding was due to avoid and prevent shifu's chase and beat. Huang Fu Yue Xun didn't notice her at all whereas Yin Yue thought she had illusions. Hence, Mo Qi Liang bravely stroll along the streets. However, with her woman appearance was way too obvious and wasn't a good idea to go the place. Therefore, she entered a shop clothes; from a young woman changed to young man.

One green robe, hair tied neatly with headband and elegant aura had attracted the passerby woman. However, couldn't hide the aura of young married woman and her heights was more or less the same with the other woman. At first glance, probably will thought young master went out and played.

Mo Qi Liang walked all the way and reached Chun Yi Fang Brothel. 20 years ago, Bai Qin Yan and Mo Qi Sheng met at this place. That time, she was famous beauty and reportedly love at first sight between Bai Qin Yan and Mo Qi Sheng. Met few times with Mo Qi Sheng, Mo Qi Liang thought he had outstanding charms during old time. Honestly, Mo Qi Sheng currently in middle age considered as handsome uncle.

Now things remained the same, but people have changed. The owner of Chun Yi Fang had changed many times but the name remained the same.

"Young master, first time come here. Please go in and take a seat." The entrance of female brothel keeper glanced and realized the standing Mo Qi Liang not far from the entrance. The manner and way of gestures was good. Probably young master from wealthy family; should served him properly so that next time will become regular customer.

"Here, you are mama?" Although, Mo Qi Liang was a woman, she still dislikes woman with strong perfumes. Moreover, the woman in front of her had strong smell. Mo Qi Liang didn't dare to stand near to her.

Mama naturally thought and treated Mo Qi Liang as shy young guy. Perhaps, after he tasted the beauty, afraid that he will come and sticked to her, introduced the good one to him.

"I'm a mama for this place. Young master can call me Mama Jing."

"Heard that lady in Chun Yi Fang not bad. Need your assistance to introduce the good one?" After talked, she gave a gold leaf to her.

Mama Jing eyes brightened when saw the gold leaf. Seldom met the generous customer, of course she will give the best service, "Which type young master like? Mama guarantees will find a lady met your requirements."

"Find a clean, obedient. Have to trouble you to prepare a room with few side dishes." Mo Qi Liang's response just like an experienced customer. This made Mama Jing happier which he will not come once but will come back again and again.

"Young master is joking? Able to serve young master is Qie Shen fortune."

Mo Qi Liang's private room was at second floor and able to see the performance from the private room. Mo Qi Liang missed few performance as she arrived late.

If said Mo Qi Liang was in the prime of youth woman, then the lady in front of her was totally young. Looked like twelve to thirteen years old. In this age, she should be with parents and had fun. However, she appeared here and too pity that Mo Qi Liang was not kind enough and everyone had their own path to walk on.

Mo Qi Liang didn't order alcohol and only order a pot of tea. When Zi Juan reached and saw the scene; Mo Qi Liang sat at the side of table, quietly enjoyed the tea. This was the first time she saw someone came here and drink tea, looked like the noise from outside didn't influence 'him'.

"Since you are here, please don't stupidly stand here. Have a sit." Mo Qi Liang's cold expression with the quiet atmosphere made Zi Juan forgot she was in Chun Yi Fang Brothel.

"What's your name?" Mo Qi Liang attention was at outside which attracted her.

"I called Zi Juan." Sounded like a doll and easy to be bully by others.

"You looks like in twelve or thirteen years old. How come you are here?" Mo Qi Liang gazed shifted to Zi Juan who looked like a porcelain doll, skin fair and smooth like a jade, good body shape with cute expression. Mo Qi Liang

guaranteed that she will become a beauty when grow up.

“Young master didn’t like Zi Juan?” Zi Juan said with wronged expression. Absolutely has been here for a long time, her innocent and sincere had lost which disappointed Mo Qi Liang.

“No, just curious only. Later, any good performance?”

“Zi Jin Sister auctions her first night today.”

“She should have talent, right?” Mo Qi Liang curiosity made Zi Juan started to about Zi Jin and non stop talking about her beauty.

Mo Qi Liang looked at the centre of the stage where a woman strumming the strings wholeheartedly into the song. The aura she emits like a incorruptible lotus.

“Young master come here because of Zi Jin Sister?” Zi Juan couldn’t help but angry as Mo Qi Liang’s attention was with Zi Jin.

“Of course not.” Mo Qi Liang didn’t have any interests towards woman. For beauty woman, she admires them. However, the way she dressed, others will thought she had interests on Zhi Jin the most.

A song ended and many people applauded. In the eyes of this man showed determination to win and a song could made man madly for her; definitely lower tool controlled them. Moreover, she saw her own husband, Huang Fu Yue Xun among this bunch of man.

He who was in private room, has been looking at Zi Jin and didn’t notice Mo Qi Liang existence. Mo Qi Liang wanted to know to what price he willing to bid.

However, everytime Huang Fu Yue Xun bid a price, another person in private room will bid higher price. Looked like purposely opposed Huang Fu Yue Xun; even required efforts to have a woman. This voice sounded familiar to Mo Qi Liang. Could shout a price clearly obviously not the same voice from the previous one, perhaps she knew the person in that room?

Both sides unwilling to step down and other people were watching the show which had bothered Mama of Chun Yi Fang Brothel. Didn’t expect Zi Jin’s first night could had a high price which reached to ten thousand and the price kept

shooting up. Looked like could turn the leaf over.

In private room, Huang Fu Yue Xun frowned and every time servant bid a price, his face darkened. Who is the person dare to oppose him? He assigned someone to investigate however to no avail and even badly hit. Obviously was provoking him. As a Prince, has been ridiculed until now, better not let him found out who was behind it or else definitely won't forgive him.

The bidden price nearly reached hundred thousand figure and suddenly, the secret person in private room stopped bidding. Finally, Zi Jin's first night was sold at ninety five thousand to Huang Fu Yue Xun. But he was not happy, clearly someone played him. Moreover, knew his status and still played him. At least he knew, that person was not simple. That person in his mind initially was Huang Fu Yue Yang but thought deeply, wouldn't be him because Huang Fu Yue Yang wanted to have a good impression to Imperial Father where most of the shady business has been secretly done. Who was it that tricked him to bid high price?

"Congratulations Prince Lie for obtaining beauty." Suddenly appeared seductive woman in private room made people in room stunned for a while.

Huang Fu Yue Xun didn't make a sound. Everyone knew his status, people knew him. Being played by someone, he was angry just like exposed himself in front of enemy and still didn't know who the enemy was.

"My master admires Prince Lie; generously bid beauty. Afraid that only depends Prince salary, able to pay huge lump sum? Therefore, my master will pay Prince's expenses today. What do you think?"

The woman voice successfully diverts everyone attention to Huang Fu Yue Xun; did he really have that much money? If yes, where this money came from? Let the commoners suspicious on Prince's bribery. This serious topic couldn't forgotten easily and if more serious, even won't guarantee life. Mo Qi Liang wanted to know how Huang Fu Yue Xun response.

No matter how Huang Fu Yue Xun answer; whether yes or no, his impression in commoners will suffer damage, moreover, the people who presents here, could be imperial employee. He will lose their support and have a rough road to become an Emperor. Today issue if Imperial Father knows and adding details from Empress, probably will lose everything. How? How was he going to deal

with it?

"All the while, Prince Lie is honest, has been admired Miss Zi Jin for a long time. No wonder he borrows money from me. If this rumor affected Prince Lie; I will be in guilty." Suddenly, a person from another private room opened the door and walked to white clothes young master. His face with slight smile with jade fan just like a person resemble in portrait.

Not everyone knew Huang Fu Yue Xun, however, in Lin'an City, nobody will not know young master from Mu Rong Family, Mu Rong Lun Zhu. That's why, people started to have change of view towards Huang Fu Yue Xun; leaned to a good side. However, Mo Qi Liang aware of Huang Fu Yue Xun expression which was surprised, looked like he didn't know Mu Rong Lun Zhu will appear here and would actually helped him.

"Actually is Mu Rong Lun Zhu young master. Didn't expect the relationship between Huang Fu Yue Xun and Mu Rong Lun Zhu is good. My master has thinks too much. However, since my master had said and will not take back. Didn't know, will Prince Lie willing to be friend with my master?"

"Benwang naturally willing. Can you please ask your master to come out and meet?" Huang Fu Yue Xun wanted to see what type of person in private room.

"Really sorry, my master has something on tonight. He left earlier and only can find another opportunity to meet again. How was it Prince Lie?" The laughed and smiled from woman reminded Huang Fu Yue Xun that he was tricked again. Moreover, tricked by the same person at the same time.

In private room, Mo Qi Liang laughed while looking at Huang Fu Yue Xun expression. Suddenly, felt she would have a good sleep.

# Madam, Master Said to Eat Meal - Chapter

## 21

an never saw such customer who only drank tea in a brothel. Totally ignored her; left after watching the show. The only evidence that proved her existence was few pieces of gold leaves given by Mo Qi Liang.

The good show ended, Mo Qi Liang will not stay as to avoid Huang Fu Yue Xun noticing her presence.

“Finally, you’re back?” Mo Qi Liang who just came back to her own room, heard a voice questioning her, the smell was so familiar. They separated in just two days, but he kind of showed up a bit slow.

“The well-known evildoer master, why do things you are afraid people will know?” Mo Qi Liang poured tea for herself. Just hurried back; was very thirsty.

You Qing Jia Tian saw Mo Qi Liang which wasn’t tensed at all. He thought he should have killed her to have peace of mind. Nobody dare to belittle his dignity, she was the first person. Why was he happy when met her, even, unwilling to kill her?

That day, after he came home and found out Mo Qi Liang escaped, that moment, besides angry, he was more concerned for her safety. Not to mentioned jealous as well. Worried she was in a desolate mountain, worried she will be harmed, jealous other men will embrace her, jealous she was officially a Wangfei. That’s why he did such childish acts in Chun Yi Fang Brothel.

“A woman going to a brothel, you have guts!” When thought about this, You Qing Jia Tian’s anger increased and burst out. Walked to Mo Qi Liang, his thumb and fingers pinched her chin; letting her know his temper.

“How do you know?” Mo Qi Liang suspiciously looked at You Qing Jia Tian. Suddenly her mind flashed back, the voice sounded familiar. She let out heng

sound, "So..actually you like that type of woman."

Unfamiliar attitude with sneered smiles made You Qing Jia Tian loosened. Two of them with awkward atmosphere, Mo Qi Liang raised head and looked at You Qing Jia Tian; expression which she shouldn't have seen.

"You are not here to kidnap me again, right?" Mo Qi Liang to that courtyard, she didn't have any good feelings, even that kind of feeling But if You Qing Jia Tian was determined not to let her running away, she couldn't escape, right?

"Are you really unwilling to follow me back?"

"Go back for what? Continue becoming your prisoner?"

You Qing Jia Tian was choked and didn't speak. Mo Qi Liang didn't know her status in that courtyard but at least she knew in here, she was Huang Fu Yue Xun's Wangfei.

"So, you came back here continue to be Wangfei?" You Qing Jia Tian's pair of eyes closely looked at Mo Qi Liang which looked like he wanted to hide her in him.

"My status is Lie Wangfei. Don't you know already?" Thought she was one of the women who admired him? You Qing Jia Tian, I disappointed in you.

"Do you like him? Unwilling to give up the wealth and status, that's why, happily coming back here, right?" You Qing Jia Tian appeared to be agitated and rambling, however he regretted after said it.

"In your eyes, I'm that kind of person? Then, why are you looking for me? For revenge? To go as far as to think that because of me, you lost talented women. That's why, to compensate your loneliness, you came here?" Mo Qi Liang didn't care if her loud voice will attract others. Facing You Qing Jia Tian's critics, she couldn't calm down. How could he treat her in that way, like he had the rights? Both of them didn't have something going on, right? Both of them really didn't have...

"What nonsense are you talking about!" You Qing Jia Tian flustered. Probably he had a low EQ which he didn't know why Mo Qi Liang reacted that manner.

"This is Prince Lie Mansion, you can leave now." Mo Qi Liang suddenly calmed

down, what has she done? She nearly was exposing her weakness to the man in front of her as she was angry at his words. Luckily, she realized in time or didn't know what else would happen.

"You do not wish to see me?" You Qing Jia Tian turned Mo Qi Liang who had her back to him (facing away from him) and forced her to say, "You say! You don't want to see me?"

"You Qing Jia Tian, Why are you angry?" Mo Qi Liang felt You Qing Jia Tian being more and more ridiculous. Ridiculously appeared and questioned her, "What do you want to hear from me? There is nothing to say between us!"

Mo Qi Liang shifted her gaze and didn't look at him. You Qing Jia Tian couldn't endure Mo Qi Liang's neglects and felt that he was going to lose her if he didn't do anything.

"Wu..."

Her lips was pressed by warm lips causing Mo Qi Liang's eyes to become bigger. With strength, she pushed the person in front of her but You Qing Jia Tian hugged her tightly; didn't have gaps between them. The hand caged her back neck, the tongue interlocked and robbed her breath again, the same sweet taste and has been looking forwards to it.

Why did it happen like this, every time? Mo Qi Liang suddenly felt warm and burned. Her heart was tightly tied like a dead knot. His tempered over and over tested her, she didn't do anything; didn't mean she accepted.

Feeling the person in his embrace didn't resist, You Qing Jia Tian deepened the kiss. But then, he was aware. Neither did she resist or respond, just like a block of wood, staying still without expressions.

"Played enough?" Mo Qi Liang coldly said. You Qing Jia Tian felt the coldness; thought he was lost in ice house and couldn't find a way out from the house. Looking at her eyes, he couldn't find any feelings which made You Qing Jia Tian upset and heart broken.

You Qing Jia Tian didn't answer her means that he agreed with her. Good, at least they won't feel awkward when met each other, "If you played enough, you can leave now."

"I didn't play you." You Qing Jia Tian said the main point and saw Mo Qi Liang's eyes full of doubt. He didn't know whether he was talking to himself or talking to her, "That day, I came back looking for you, but couldn't find a trace of you. I never ask anything relating to the house/family matter. I thought the prisoner fugitive kidnapped you and realized I was wrong as one of the servant was tied, knew that it was all done by you. I'm very angry and wanted to bring you home but what for, to dismember your body. Even though, I don't want to admit, I couldn't do it. Knowing you went back to Prince Lie's Mansion and knowing both of you are officially husband and wife but still thought Huang Fu Yue Xun is not suited to stand beside you. Then, I asked myself, what kind of man suited to be with you? The answer came across my mind was me, who purposely appear here. I want to be with you. I want your heart to have me."

Whole bunch of words where You Qing Jia Tian softly said which made Mo Qi Liang stunned. She knew You Qing Jia Tian's cruelty, evilness, and ridiculousness but didn't know he had a soft side. Even she thought he shouldn't have a soft side. How can a lead evildoer master put down the swords and live like a commoner just because of a woman.

"Did you listen to what I said?" You Qing Jia Tian unsatisfied of Mo Qi Liang's silent.

"I'm listening. Just now, do you mean that you love me?" Mo Qi Liang teased with smile and purposely looked at You Qing Jia Tian's expression which had become darkened.

"I do not know this so-called love." You Qing Jia Tian depressingly answered. Seems like was the first time he confessed and it's fine to say he was shy.

"Looking at you, you are in dazed. Then, what do you mean by what you said just now?" You Qing Jia Tian words still touched Mo Qi Liang's heart and considered it a pass.

You Qing Jia Tian easily stirred trouble but for love feelings, it was difficult for him. Probably, he will used his own method to prove his words but Mo Qi Liang was pushing him to say something beyond his ability. Hence, he didn't know what else to say.

"You want to be a man who stays beside me?

“Yes.”

“You want to be with me?”

“Yes.”

“Then, why did you go to a brothel tonight?” Mo Qi Liang was angry when mentioned about it. Looks like this kind of feeling is called jealousy.

“Looking at Huang Fu Yue Xun who was unpleasant to the eye.” You Qing Jia Tian answered honestly. Due to being unpleasant to the eye, You Qing Jia Tian made troubles for him, can she concluded it.

“So, you didn’t like him?”

“Don’t like.” You Qing Jia Tian answered. Didn’t know since when, his heart only had this woman, Mo Qi Liang. He treated other woman as cloud; ignored them. He even didn’t have desire towards them. Perhaps, he only wanted Mo Qi Liang as his woman.

Mo Qi Liang laughed and sighed. She believed him; he wouldn’t lie her. If Huang Fu Yue Xun knew today scene was caused by You Qing Jia Tian, he would beat him straight.

Mo Qi Liang lightly embraced You Qing Jia Tian, head leaned on his chest. Due to their heights difference, Mo Qi Liang able to hear his heartbeat; seems to differ from others.

“You Qing Jia Tian, I admit. I have special feelings towards you. But I didn’t know if this feeling is enough to be called love. I am selfish and insecure. I can’t promise, will you not regret? For the first time, Mo Qi Liang revealed herself to You Qing Jia Tian. She looked forward to his answer but afraid of being rejected by him. She never felt this nervous before.

Action speaks louder than words, he embraced Mo Qi Liang. At this moment, both their hearts were pulled closer.

# Madam, Master Said to Eat Meal - Chapter

## 22

“Come home with me.” You Qing Jia Tian looking at Mo Qi Liang lovingly and lightly pulled her hand.

“Alright. We will go home together.” Mo Qi Liang happily agreed with overflowing love expression.

Warm and love in the air came to an end.

“Go home with me!” You Qing Jia Tian’s words didn’t have any room for discussion. Both of them stared at each other firmly. Mo Qi Liang could only act childish to one person; You Qing Jia Tian.

“Don’t want.” Mo Qi Liang decided and made it clear cut.

“Why?” You Qing Jia Tian was hurt. Just now, everything was fine. Why the warm scene turned to this in a second?

“Don’t you think the two of us need time to understand each other?” Mo Qi Liang asked. In fact, she was cornered and didn’t want his self-confidence to build up.

“Then, you want to stay here?” When You Qing Jia Tian thought of Mo Qi Liang staying beside Huang Fu Yue Xun, he was uneasy. The best was to solve this issue.

“I’m still officially Prince Lie’s Wangfei. Where do you think I’m supposed to go?”

“Why did you agree to marry him?”

“So, my fate will come across yours.” Mo Qi Liang’s literature words were rarely used in conversation. Unexpectedly, You Qing Jia Tian blushed; his earlobe was red. She never thought he was a pure boy. How can this word could make

him blush? Absolute miracle.

"You really don't want to come home?"

"Still don't want. It's just temporary."

"Until when will you stay together with him??" Probably he should solve this issue if takes too long

"Won't take too long, at least get rid of the Wangfei title." But this matter was not easy at all. Mo Qi Liang would think about it in detail if she had time. Probably would gain some advantage from this thought.

"At most, one month." You Qing Jia Tian decisions made Mo Qi Liang felt warmed. All along, he was the type who dared to love and no exceptions this time. If it was true, that year she was lucky to meet him.

"Yes, big master!" One month, it's enough. If one month could determine her heart, then everything was worth it. That's why, one month was enough.

You Qing Jia Tian pinched her nose. Mo Qi Liang felt her face hot, looked at the smiling eyes in front of her. Now she knew what shy meant.

The next morning, the pillow which was warmed became cold. That person was no longer staying beside Mo Qi Liang. She didn't know when You Qing Jia Tian left, probably a while ago. Slowly, her heart felt lost. Don't tell her, love can make someone gain and loose. Didn't know since when she fell in love and didn't know that so called pain. Couldn't last night decision be wrong? If You Qing Jia Tian knew her thoughts, he will not let her go easily.

Servant no. 1 and servant no.2 who was standingat the door heard the sound inside the room and entered after knocking the door. Mo Qi Liang had dressed neatly as she didn't like anyone serve her.

"Put down the stuff. I will do it myself."

Servant no. 1 and servant no. 2 who heard instructions, put down the face wash and mouth rinsing stuff at the corner. They served Wangye's woman before but for Mo Qi Liang, it was the first time they encountered this situations. These two days, she didn't give any work to them. Few servants envy they had a good master and even said, Wangfei won't be loved or doted, their days won't

pass days peacefully. However, Wangfei didn't care about it, plus, she was not dissatisfied when allocated to a desolated place and enjoyed herself quietly.

"Why do both of you foolishly stand there? If you have something else to do, you may leave now. No need to watch over me." Mo Qi Liang diverted her eyes away. There was someone standing without moving, staring at her, how could she eat?

"Wangfei, please punish us." Mo Qi Liang's intention was considerate and kind. But in servant no. 1 and servant no. 2, they didn't think the same and thought their service was not good enough and should be punished.

"Why kneel down? Quickly stand up." Mo Qi Liang didn't know whether to praise the way Prince Mansion's people taught servants. They didn't understand human words. Should it be said in other words, Huang Fu Yue Xun assigned them to watch over her.

"Wangfei, please state our wrongdoing. Not to do it next time." Both of them said at the same time which made Mo Qi Liang doubt they were trained to act so.

"You all didn't do anything wrong but not to listen my words. I do not wish to repeat twice. I said you all can leave now means be obedient and leave."

"Yes, Wangfei. Servant withdraws."

"Wait. Do you know where is Wangye?" At this time, he should be at Royal Hall  
"Wangye is at Concubine Wan's place."

"Concubine Wan? Li Wan Wan?" Mo Qi Liang recalled that woman. Huang Fu Yue Xun's sweetheart. Their love relationship was not bad.

"Yes, Wangfei."

"Bring me to Wan's place ." Mo Qi Liang's title made her the third party, how could she go there and showed face 'origin wife'. After all, Li Wan Wan wasn't her friend.

"Wangfei, this.." Servant no. 1 and 2 glanced at each other. Their face expression became stiff. This was not like the Wangfei they used to know her. The actual Wangfei should hate the pretending Li Wan Wan who Snatched (wangye)

, doted on, and pampered.. Li Wan Wan always instructed the servants in her courtyard to call her Wangfei privately. Wangfei, did this word suit her?

“ Huang Fu Yue Xun does not like me. No need to go. Bring me and walk around Wan Garden. They don’t have many lives that could avoid Wangye’s punishment. Last time, there was concubine went to Wan Garden and looked for Wangye. From that day, didn’t see her anymore. Later they found out that the bodyguard threw and buried her. Since that day, nobody dared to enter Wan Garden, afraid of loosing life

Mo Qi Liang didn’t say to meet Huang Fu Yuan Xun regardless of what happened. She only needs to meet Li Wan Wan. As a result, whenever she admires flowers, Mo Qi Liang followed and admired flowers too.

“How come you are here?” Huang Fu Yue Xun raised eyebrow. Obviously, disliked Mo Qi Liang disturbing them.

“Came here to look at flowers. Initially wanted to greet Wangye but heard; in Wan Garden, Wangye dislikes disturbance from anyone. That’s why didn’t greet. Unexpectedly meet Wangye here, so coincidental.” Mo Qi Liang presence had increased Li Wan Wan’s alertness. Li Wan Wan with black long hair rolled in a bun, long eyebrows almond shaped, cherry lips with fair and smooth skin, considered one of the beauties. No wonder, Huang Fu Yue Xun doted on Li Wan Wan.

“Xun, why don’t we invite Wangfei Sister to stroll with us?” Mo Qi Liang was numb when she heard Li Wan Wan voice who sounding like a spoilt child. Not to mention Huang Fu Yue Xun, she herself could guess the hidden meaning; both of them were a couple. Mo Qi Liang assumed this critic as praise. Her pair of eyes thought she interested in Huang Fu Yue Xun, however, in reality, she wanted to divorce him.

Huang Fu Yue Xun looked at Mo Qi Liang who didn’t reject. She wanted to know what other tricks Li Wan Wan has as to avoid not knowing how she died in Prince Mansion in the future.

Li Wan Wan just said it only and didn’t mean it. Didn’t expect Huang Fu Yue Xun would take her words seriously. Usually, whoever tries to come near him, will be sent out. Not like today, even seeking her opinion first. Mo Qi Liang was

treated differently in his eye, wasn't it? The more Li Wan Wan thought, the angrier she was. However, her expression couldn't be seen as she lowered her head.

"After my issue handled (refer to Huang Fu Yue Xun instructed Mo Qi Liang to come back home), isn't Wangye busy. Don't say, there is other matter spread to Emperor." Mo Qi Liang tested him. Huang Fu Yue Xun was stunt. She knew, probably last night issue has been added with other 'stuff' by other people and informed Emperor which brought disadvantages to Huang Fu Yue Xun.

When Mo Qi Liang mentioned about this matter, he recalled last night's person who tricked him. Imperial Father summoned him and said; no need to attend royal court at the moment to re-think his own etiquettes and acts which brought shames to the Imperial family. It also means, the Emperor seat was further to reach. However, he will not give up and was determined to have it.

Li Wan Wan still held Huang Fu Yue Xun's arm and felt strange. With Mo Qi Liang's words, could make this kind of response from him, then, was she successful? Last time, she used to depend on, doted and pampered by him which is why she could behave unscrupulously. However, after he married Wangfei, she didn't know what they were talking about and she couldn't interrupt their conversations. For the first time, Li Wan Wan felt she was a flower pot. She couldn't loose Huang Fu Yue Xun, loosing everything. Must not. She won't let this happen! Mo Qi Liang, I won't let you snatch my happiness!

Mo Qi Liang didn't know what Li Wan Wan thought deep in her heart. However, from her body language; grasping Huang Fu Yue Xun's arm tightly, more or less she knew what Li Wan Wan was thinking. Her nail embedded in her own palm. Should praised her courage or cruelty? If it's so, she will be crueler towards enemy?

### MMSTEM Chapter 23

This chapter was edited by Random.AleX and me.

\*\*\*\*\*

Three people stopped strolling in the garden when Wang Hai came. Mysteriously, there was an invitation card from Mo Qi Sheng. Huang Fu Yue Xun and Mo Qi Liang glanced at each other and walked to another place to discuss about this matter, ignoring Li Wan Wan. Even Huang Fu Yue Xun didn't comfort Li Wan Wan. Woman's jealousy, how could a man understand? After all, he wouldn't understand.

"What do you think of this invitation?" Huang Fu Yue Xun fiddled the invitation card. Thought this invitation card didn't resemble the outer appearance; simple yet elegant but in contrast, hid tricks.

"Wangye, aren't you asking the wrong person?" Mo Qi Liang thought it was better to avoid him first and later think carefully of this matter. However, she didn't expect Huang Fu Yue Xun would ask her.

"A bit unusual. Aren't you standing at Benwang's side?" The way Huang Fu Yue Xun spoke emitted a dangerous aura. Probably, Mo Qi Liang wouldn't be able to come out from the study room if she answers wrongly. Whenever she was in this room, nothing good happens. Last time, she was kidnapped, this time, perhaps will be killed by him.

"Indeed, I can stand at Wangye's side. However, Wangye needs to give me some benefits, right?"

“Win an inch, want a foot (means not satisfied with small gains). Benwang can kill you regardless of when or where.”

“I know Wangye’s authority. However, after we were married, your days of living are not satisfactory, right?” Suddenly, Mo Qi Liang recalled the scene where You Qi Jia Tian kidnapping her. Didn’t expect at that time, two groups of people arrived together. You Qing Jia Tian’s men target was Huang Fu Yue Xun but captured her. These groups were from killer organisation, could have kill or capture her but Huang Fu Yue Xun’s men went against Mo Qi Liang and didn’t fulfil the tasks given (refer to task: protect Mo Qi Liang). Mo Qi Liang assigned people to investigate this matter and should have known the investigations result by tonight. Now thought about it, the person behind it, should be Mo Qi Sheng “What do you mean?”

“Nothing. I Just feel we must go; this invitation. Could it be that, Wangye didn’t want to know the purpose of the invitation?” According to this invitation card, all the young handsome talented people in Lin’an City received this invitation which means large crowd of young talented people were invited. Mo Qi Sheng absolutely will think that The Emperor might have paid attention to it. However, this event will be boring if it was just as pure and simple. Therefore, it’s not too much if Mo Qi Liang attends it.

“You even tricked your own father.” Didn’t know whether Huang Fu Yue Xun said this to Mo Qi Liang or to himself. Anyway, it sounds like a hint of teasing.

“Same to you. Play foul tricks to obtain goals.”

“It’s a must to become an Emperor.”

Mo Qi Liang never believed in gaining something without loss. If it could have happen, why were there always people harmed by others.

“Benwang will become your friend if you were a man.”

“Earlier, I knew Wangye favors men over women. So, I didn’t put high hopes on Wangye. However, I’m willing to support and assist Wangye if Wangye willing to fulfil my wish.” This country will be better if falls to Wangye rather than Huang Fu Yue Yang. However, Huang Fu Yue Xun’s capability is still weak and couldn’t ascend to the throne even if aided by the richest Mu Rong Family. Mo Qi Liang’s hand was itchy and wanted to get involved too.

“You really think you have rights?”

“Better than adding one more enemy, isn’t that so?”

"Benwang believes you at the moment."

"Will not let Benwang get disappointed as much as possible." Mo Qi Liang didn't have a habit of guaranteeing. She is the type of person; that will do what she wants. As in choosing to stay beside Huang Fu Yue Xun, more or less it related to the grudges towards Bai Qing Yan. How generous and forgiving she was, she wouldn't forget she was a child without parents love. That kind of childhood, she won't forgive them. Agreed to get married to Huang Fu Yue Xun was an evident break of the relationship of mother and daughter. Therefore, why else she cares for them?

The banquet will start at shenshi (3-5pm). Now the time was weishi (1-3pm). Suddenly, Mo Qi Liang felt she needs to meet Mo Qi Sheng first. After all, bloodline couldn't change. Moreover, Huang Fu Yue Xun agreed if she did it this way. He assigned two high martial art bodyguards to avoid unnecessary things happening to Mo Qi Liang. The first words Mo Qi Liang used after reaching the Prime Minister Master was, things have remained the same, but people have changed. The only thing didn't change was the people in this mansion still didn't recognise her. Don't tell her that she needs to break inside to go in? Not worth it at all. Without any better option, she waited servants to inform Mo Qi Sheng. "My lovely daughter. Fortunately, you are fine. Or else, father will be in guilt, unable to sleep in peace." Who could tell Mo Qi Liang, who was the old man walking from Prime Minister Mansion? Mo Qi Sheng? She would rather see him in a wicked and sly manner. Couldn't accept the way he talked, too disgusting ah. "Recently, is Prime Minister well?" Mo Qi Liang forced herself to smile and felt her face was stiff. However, people who saw this scene thought the father was gentle and kind while the daughter was filial. They have eyes to see clearly, isn't that so!

"Liang Er still blamed father didn't find you in time? To go as far as not calling me father. Father has neglected you and didn't protect you properly. How to not let your dead mother down?" Mo Qi Sheng nevertheless with guilty expression whereas when Mo Qi Liang heard 'dead mother', she came back to her senses. "Bai Qing Yan is dead?" The cold voice didn't bring any feelings. Mo Qi Sheng startled and not pretending anymore because both of them reached the inner hall where nobody will see them.

"Yes." Mo Qi Sheng said without guilt. Right, couldn't make use of Bai Qin Yan

anymore. Perhaps turns into a hindrance. That kind of person he is, wouldn't let Bai Qing Yan stay any longer. Bai Qing Yan was still naïve.

"How did she die?" Mo Qi Liang didn't expect, first time coming home after marriage, would hear this news. It was a lie if she said she wasn't sad. After all, she lived with her for 16 years, impossible not to have a bit of feelings.

"Fell into the water and drowned." The way Mo Qi Sheng spoke was just like asking what to eat today, that kind of relaxed feeling. Obviously she was his woman but because of the power and authority, he assumed this incident as a mishap. This kind of lie also can. How could Mo Qi Liang believe it? She wouldn't let Bai Qing Yan die without justice. Regardless of time, she wouldn't let the murderer have an easy time.

"You should know who did it, right?" Mo Qi Liang said with interrogative manner and the tone was firm and steady.

"You are cleverer than your mother. If she was like you, she wouldn't die so early." Mo Qi Sheng only likes her beauty when young. Now she's old and still had that kind of hope, who was able to stand it? Someone helped him to settle her, that can't be better than anything else.

"If she was me, she wouldn't look at an immoral and despicable man? Prime Minister is overly estimating yourself too great." Mo Qi Liang sneered. If she was sent a dozen of this type of man, she wouldn't accept them. Bai Qing Yan visions was not so good.

"Don't forget your surname is Mo Qi; Mo Qi Sheng's daughter." Mo Qi Sheng endured anger silently. This younger daughter was cleverer than elder daughter. It's better to entice her. If couldn't, let Mo Qi Liang accompany her dead mother.

"This family name quite pleasant to hear and can produce a character like Prime Minister. I should be happy, right?" Mo Qi Liang didn't care if they would tear at each other face. She wasn't Mo Qi Liang if she didn't have this kind of thought.

"I understand your mother death brings you sadness. Don't you hate your mother? After she died, she will not restrict your acts. Benxiang (refer to Prime Minister) couldn't use her to threaten you, right?" Mo Qi Sheng turned into a person coaxing a child.

Mo Qi Liang was no longer was a child. Impossible she would listen to him right away. Since he was unwilling to say who the murderer is, then, she will

investigate who the murderer is. She didn't believe they would handle this matter perfectly, should have a hint of mistake.

"Because of me, Prime Minister thinks of it thoroughly. Really have to thank endlessly. Does not know where Prime Minister buried her body?"

"Had incinerated." Afraid didn't know where the body has been thrown? Mo Qi Liang secretly thought of it. Mo Qi Liang thought the possibility of her own mother's body in the wild forest. For the first time, Mo Qi Liang felt she was not filial.

Although there was nothing between them, still they were bloodline connected. After death, naturally, people will think a lot. Mo Qi Liang sighed with sorrow. She knew she was only regretting without tears.

"Prime minister's act is quick. Probably her future funeral has been arranged earlier by Prime Minister. Don't know if Prime Minister always dreams of her. After all, she has loved you for her whole life. Even loved you until death." Mo Qi Liang never believes in ghost women. However, Mo Qi Sheng face changed color, afraid he had done a shameful deed, afraid a ghost will knock on the door.

"It has been a while, we, father and daughter, have not seen each other. So, don't talk about sad matters. Father will brings you to see mother (refer to first wife of Mo Qi Sheng) and your sister."

Mo Qi Liang admired Mo Qi Sheng especially the speed of face changing, turned Bai Qin Yan's matter into sad matter and still wanted Mo Qi Liang to see the murderer. She didn't know what he was thinking about, he thought could dissolve her hatred towards him. Mo Qi Liang really wanted to see the expressions where Su Zi Qiao and Mo Qi Jing meet her. Would they have uneasy feelings and felt bad after seeing her, if not, she would love to play with them, isn't that so?

Mo Qi Liang looked towards the window. If you can see, this is the last time I will fight for you. Hope you are able to die peacefully. Next reincarnation, look for a good guy to marry (Mo Qi Liang said to Bai Qin Yan).

# Madam, Master Said to Eat Meal - Chapter

## 24

### MMSTEM Chapter 24

This chapter was edited by Random.AleX and me.

\*\*\*\*\*

The well known pretty and intelligent, Mo Qi Jing, if people saw her in this unexpected manner, will be shocked.

“You will know in detail if you ask father.” Mo Qi Liang wasn’t angry. Quarrel with this girl will make her status become lower. Mo Qi Liang wouldn’t do such dumb acts.

“Jing Er, why don’t you behave like a sister in front of Mo Qi Liang?” He, Mo Qi Sheng was the one who spoilt Mo Qi Jing. Even though he lashed out, not sounded had any intention. Therefore, he only acts in front of Mo Qi Liang.

Mo Qi Liang was lazy to expose his acts and acts along. It wasn’t her intention to appear here. It was Mo Qi Sheng’s idea, wanted her to come and look for sister and stepmother. Hence, he was monologuing.

“Liang Er, come here. Nearer to step mother and sister.” Mo Qi Sheng waved at Mo Qi Liang. Mo Qi Liang confirmed she saw an expression of hatred and endurance in Mo Qi Jing and Su Zhi Qiao’s eyes.

“Hello you two.” Mo Qi Liang couldn’t call them, sister and stepmother, especially to both of them. With hidden meaning smiles, they were staring Mo Qi Liang. Hence, Mo Qi Liang couldn’t act along.

"Mother, look at her. Poor manner and is not polite at all, not even a bit." Obviously, Mo Qi Jing was not satisfied with Mo Qi Liang's greetings.

"Of course because I'm not raised by father (Mo Qi Liang refers to herself)." This matter, I won't quarrel with you. Mo Qi Sheng was never a good father. No wonder, Mo Qi Sheng wanted to use me, perhaps Mo Qi Jing wasn't a suitable candidate.

"Jing Er, what are you talking about!" Su Zhi Qiao knew the hidden meaning when heard it. Poor daughter, she realized it too late. At this rate, sooner or later, Mo Qi Liang will replace Mo Qi Jing in this family. Su Zhi Qiao needs to find a solution to prevent it.

Mo Qi Sheng face was darkened. Two daughter's abilities, he knew very well. The one he favors was not an ideal choice. If she was a kid, he could say she still was not mature, but, now grown up he realized Mo Qi Jing was not forward-thinking. Academic such as essay and poetic, she was in average level only. Even, the teacher was in despair. Mo Qi Sheng's daughter must not be an average girl. Hence, Mo Qi Sheng turned his attention to Mo Qi Liang. If he knew earlier, he wouldn't marry her to Huang Fu Yue Xun.

Mo Qi Jing closed her mouth when saw Su Zhi Qiao's warning eye but didn't hide her feelings. Only blind people wouldn't know what was inside Mo Qi Jing's mind. Don't tell her that Mo Qi Sheng's right and authority was able to cover for Mo Qi Jing that she didn't need to pretend? Or maybe, Mo Qi Jing only acts in this way when faced Mo Qi Liang. Mo Qi Liang heard rumors that Mo Qi Jing was a role model for all girls in the city. Even rumors said Mo Qi Jing was the first beauty of Lin'an.

Frankly speaking, if talking about appearance, Mo Qi Liang belongs to a group; couldn't attract other interests whereas Mo Qi Jing, one look will know her types. Family Mo Qi was successful in creating this kind of image to Mo Qi Jing.

"Liang Er, don't argue with Jing Er. She has been spoilt by father and me since she was a kid. That's why she speaks without thinking." Su Zhi Qiao said with smiles, no errors in her words, In front of Mo Qi Liang, the family of three; Su Zhi Qiao, Mo Qi Jiang and Mo Qi Sheng was happy and harmonious. Su Zhi Qiao thought Mo Qi Liang would be sad and heartbroken.

"Madam, you are joking. Nowadays, people who are innocent are becoming lesser. After all, many people think before they act when handling matters."

Su Zhi Qiao wasn't Mo Qi Jing, she knew what Mo Qi Liang's meant. Mo Qi Liang was only a girl, she even dare to show off, too exaggerate in her very own abilities.

"Alright, we are a family. Wife, you take Liang Er for a walk. I still have other things to handle." Mo Qi Sheng said and sent Mo Qi Liang to Su Zhi Qiao. The battles of three women begin now.

"Don't think you can do anything you want after father brings you into the mansion. You are an illegitimate child." After Mo Qi Sheng left, Mo Qi Jing turned to her old self, arrogant. Her postures was like a superior who was examining Mo Qi Liang. Too bad, Mo Qi Liang was taller than Mo Qi Jing, or else the scene will be a harmonious one.

"This words, no need to say to me. It's better to let father know your thought." Mo Qi Liang didn't have any intention to argue with them. Moreover, they were Bai Qin Yan's murderer, she would make them suffer and pitiful.

"Low status is a low status, dressed like a high status still looks uneducated." Su Zhi Qiao didn't give face to Mo Qi Liang. Anyway, Huang Fu Yue Xun's position will fall, soon or later. What face is needed to give to his Wangfei? Moreover, the existence of Mo Qi Liang has humiliated her. Settled the old one, it's time to settle the young one.

"Prime Minister's wife is not satisfy with me. Don't tell me because I'm the result of oa ne night romance?" Mo Qi Liang sneered. Mo Qi Liang knew better than others regarding her status. Illegitimate, couldn't make a public appearance.

All the while, Su Zhi Qiao knew this person was hard to deal, with Mo Qi Liang. She had underestimated her. Made her lose face, Mo Qi Liang was the first person. Recalled the tricks she used in other woman, Su Zhi Qiao suddenly smirked.

Mo Qi Jing was stunned when she saw her own mother smirked in that way. Mo Qi Liang wasn't like others, she was the type of person who takes appropriate measures according to the situations. Su Zhi Qiao's face showed a

slightly embarrassment and scolded herself because unable to remain calm and stimulated by that girl.

"Liang Er, what are you talking about? Mother just thinking how to compensate Liang Er's sufferings. Mother was just quiet for a moment, Liang Er already thinks mother doesn't like you." Mo Qi Liang was annoyed because Su Zhi Qiao changed very fast. However, Su Zhi Qiao didn't notice Mo Qi Jing's unsatisfied expression.

"Mother, how can you say such words?" Mo Qi Jing wasn't going to let Mo Qi Liang off easily. If mother likes Mo Qi Liang, what will happen to her? Su Zhi Qiao sent a eye signal to Mo Qi Jing. Mo Qi Jing was completely immersed in her own world and didn't notice it. For the first time, she felt a crisis. How? All along Mo Qi Jing was an arrogant person, how could she tolerate tan illegitimate girl who stepped on her head. Must think of a method, it will do, then.

"I'm curious too, the reason Madam changed."

"Of course to compensate Liang Er."

"Then, thanks to Madam." Mo Qi Liang guessed how Su Zhi Qiao would compensate her long lost mother love. Su Zhi Qiao wanted Mo Qi Liang to accompany Bai Qing Yan down there.

Mo Qi Liang, Su Zhi Qiao admired her excluding status. Between, Su Zhi Qiao has seen lots and different types of people. A woman that fight for herself is considered not bad. Doesn't have devastating beauty but has fine and delicate appearance with detailed thinking, Su Zhi Qiao definitely would eliminate her.

Mo Qi Liang started to miss You Qing Jia Tian. If he was here, Mo Qi Liang wouldn't waste time debating with them. Perhaps, if it's with him, probably Su Zhi Qiao and Mo Qi Jing would be sent to Hell. Sometimes, Mo Qi Liang envies those who used cruel method which would be better than seeing the fake smiles and also schemes in order to eliminate Mo Qi Liang.

As to Mo Qi Jing who didn't use her brain to think, of course, she wouldn't have a worried heart compared to Su Zhi Qiao and Mo Qi Liang. However, Mo Qi Liang had a final answer for the question, Mo Qi Sheng was not involve in murdering Bai Qing Yan. However, Mo Qi Liang didn't have any good feelings for him, hence, she couldn't find any good reason to be kind to him; could have

shortened her own life.

Three women seated at a round tables. Each of them drink and ate the side dishes, looked like a happy and harmonious scene. However, only the three of them knew what was going on. Sometimes, Mo Qi Jing would secretly glanced at Mo Qi Liang and Mo Qi Liang with big heart allowed her to do so. Anyway, Mo Qi Liang has a pair of eyes, one nose and one mouth, as well as a pair of ears, she didn't think Mo Qi Liang able to differentiate facial features whereas Su Zhi Qiao's eye expression showed obscurity but glanced at Mo Qi Liang few times. This mother and daughter were alike.

"Liang Er, how Prince Lie treats you?" Su Zhi Qiao started to talk about family matter.

"Wangye treats does not treat me badly." Mo Qi Liang acted like a happy woman even though just now she debated with them which didn't match the current situation. However, this sudden changed is needed as to let Su Zhi Qiao understand that Mo Qi Liang likes Huang Fu Yue Xun and both of them are happy.

"What? He doesn't want his sweetheart anymore, he fell in love with you?" The words that Mo Qi Jing blurts out sounded sore. Last time, the Emperor sent a marriage decree, Mo Qi Jing actually was very happy. Huang Fu Yue Xun's appearance or status was placed number one in citizen's heart. Just that the standpoint was different. Mo Qi Sheng wouldn't let his precious daughter marry to enemy resulted in Mo Qi Liang replacing her. That's why when she saw Mo Qi Liang lived happily, Mo Qi Jing became angrier. Now in the city, there were someone saying and gossips that Mo Qi Jing was an old girl. True, she is 18 years old. Other girl with same age with her had become a mother. Mo Qi Jing hasn't even married yet. Two years ago, there was someone inquiring for a marriage and lots of them requested her to become his bride, but she didn't like them. Now can be said deserted. Say, she couldn't not worry?

"A man with three wives or more is normal. Madam, what do you think?" Mo Qi Liang never agreed with this statement, a man with three wives or more but this words were required as to pretend to be more genuine.

"Liang Er, you are right. As long as Wangye treats you good. Mother wouldn't

worry." Su Zhi Qiao nodded head, gratified. Mo Qi Liang really fell in love with Huang Fu Yue Xun. Or else she wouldn't act in this way. Su Zhi Qiao was in ease if she carries out the schemes.

Mo Qi Liang never missed Su Zhi Qiao's planning schemes expression. Should be Mo Qi Liang's words has given her ideas in planning new schemes. Well, only can wait and see if something happens

### MMSTEM Chapter 25

This chapter was edited by Random.AleX amd me.

\*\*\*\*\*

Time passes very quickly. It's already shenshi (3-5pm). Earlier, Su Zhi Qiao reminded Mo Qi Jing to dress and groom whereas Mo Qi Liang chose to continue to wear the same dress which she simply chose, a green dress that was left in the wardrobe. It made Mo Qi Liang looked like the same seniority with Su Zhi Qiao.

"Almost time. Liang Er, prepare yourself." Su Zhi Qiao dislikes Mo Qi Liang and glanced at her once. If Mo Qi Jing could dress up prettily, who cares what Mo Qi Liang looks like.

Naturally, Mo Qi Liang understood what she meant by 'prepare yourself'. With her current status, Prince Lie's Wangfei, if dressed too glamour, probably people will talk about it. Might as well stay at a corner and play a role as cannon fodder. Moreover, after meeting Huang Fu Yue Xun, she decided to do as she thought. In this kind of banquet, she never expected he brought Li Wan Wan along. Even though the invitation card did state 'could bring family members along'. Perhaps in this way, they could show off their affections and love. It's pretty small-minded if it happened to be that way. Moreover, with current Mo Qi Liang's status, they completely didn't give face to her.

"Sister, it's me who begs Xun to bring me along. Sister, you will not get angry with Xun, right? Li Wan Wan with face expression slightly didn't dare to see Mo

Qi Liang's face. Even her voice sounded careful and cautious. People who heard it will thought Mo Qi Liang who is the officially wife has given Li Wan Wan hard time. Li Wan Wan's appearance and her voice made her looked like a punching bag person. So, if Mo Qi Liang really bullies her, she is the one who stimulates Mo Qi Liang.

"No need to call me Sister. You are older than me. Wangye and you have been together for a long time, no need to be courteous."

Huang Fu Yue Xun wrinkled eyebrow when heard these words from Mo Qi Liang. Moreover, Mo Qi Liang seemed not bothered by them made Huang Fu Yue Xun felt uneasy.. He knew he shouldn't have bring Li Wan Wan along to banquet today. Just that, he couldn't stand Li Wan Wan's begging. Lastly, he compromised. Initially he thought Mo Qi Liang will shows dissatisfaction even a bit, however, he never expect Mo Qi Liang didn't care about them at all. In addition, she looked happy to see him bring another woman partner.

"Where are you going?" Huang Fu Yue Xun impatiently said when he saw Mo Qi Liang walking away.

Mo Qi Liang turned, looked at Huang Fu Yue Xun's eye and said, "Randomly walking somewhere else. If you need me, your bodyguard will bring me to you." Better not have.

With Mo Qi Liang words, how could Huang Fu Yue Xun hold against on her which will only make him small-minded. Just that, he didn't notice his hands which was holding Li Wan Wan's hand had released. His empty hand just stopped in the air.

"Xun, is Wangfei angry?" Li Wan Wan with innocent and helpless looking leaning towards Huang Fu Yue Xun embrace, clear eyes overflowing with self-blame, too easy to evoke desire of man's protection. Huang Fu Yue Xun who was irritated, immediately, whispered and comforted her in his embrace.

"Nothing, all along, she is virtues. Don't bother her."

"However, Wangfei is alone. Is she alright?"

"You are too kind but really, no need to worry about her. She has a sense to act accordingly." Huang Fu Yue Xun first sentence made Li Wan Wan very happy

but the next words made her heart sank more and more. You believed her? Until assuming Mo Qi Liang as one of your people?

Li Wan Wan lowered her head not letting Huang Fu Yue Xun see her doubts expression. Don't tell her that he is bored towards his sweetheart? She didn't dare to think further and didn't know how she was going to live if she left Huang Fu Yue Xun. With suspicion, panic, and jealous, Li Wan Wan was absent-minded for whole night.

Mo Qi Sheng conducted the banquet, Huang Fu Yue Xun doesn't have excuses not to come. Just that, the Prince's wife wasn't with him. True, if this kind of woman stands beside him will only become a hindrance to him.

The appearance of Huang Fu Yue Yang has attracted many people including the talented handsome youth and all kind of ladies. The ladies looked like eagerly to attract the Prince's attention and also eager to see who is the first lady to attract prince. With patience, Huang Fu Yue Yang faced everyone, his warm smiles, plus pretty boy face compared to Huang Fu Yue Xun who could bring distance and gap of feelings. Moreover, the current Huang Fu Yue Yang has more benefits than Huang Fu Yue Xun. Everyone, naturally will go for a big tree but forgot the meaning of its principle.

"Prime Minister, are you well? Recently, Bengong is busy, didn't have time to visit Prime Minister."

"Prince, laochen (Prime Minister addressed himself as laochen) don't dare to have prince visit me. Should be laochen go and visit prince."

Two people didn't have any meaning in their greetings just like in the script. Other people who saw them will think they were good friend. In reality, everyone knew about this fact, Huang Fu Yue Xun who was standing aside, his face turned dark.

This old man, Mo Qi Sheng invited Benwang still made me looked bad. Also didn't even give greetings.

"Xun? You also came over?" Didn't know from where Mu Rong Lun Shu appeared, looked like he also one of the people invited to this banquet.

"Shu, looked like you are also invited?"

“Yes, come over to see what Mo Qi Sheng up to.” Mu Rong Lun Shu dressed in a white robe, tied up long hair, fine facial feature made people have deep memory even though what he did was quietly stand but just like a beautiful painting, which can overshadow the world.

“Our thinking is the same.” Huang Fu Yue Xun all the while very glad have this friend, Mu Rong Lun Shu, wholeheartedly supported him and also knew if didn’t have Mu Rong Family relationship, impossible to have chance to compete for the Crown Prince position. Their assistance for many years, he will engrave and remember.

“Why can’t I see sister, brother?” Because of Huang Fu Yue Xun, Mu Rong Lun Shu has interests towards Mo Qi Liang, wanted to see exactly what kind of woman.

“Her? Doesn’t know where she went earlier.” Huang Fu Yue Xun knew who Mu Rong Lun Shu was referring to. After greetings, that woman had left them. He looked around and couldn’t find her.

“This ah, it is a pity.”

“Don’t tell me, you have interest in that kind of woman. She is not completely like a woman.” Huang Fu Yue Xun recalled things happened to Mo Qi Liang, totally didn’t have a woman’s charm at all. This kind of woman, didn’t even feel anything when she came back. They were married for quite some time but still haven’t had a first night. It was a miracle.

“Xun, you think too much. She is your Wangfei, how can I be interested in? From investigation, Mu Rong Lun Shu thought Mo Qi Liang was a very interesting woman, and never had that kind of ‘interests’ as thought by Huang Fu Yue Xun.

Li Wan Wan stood beside Huang Fu Yue Xun, listened all the conversation between these two people. They totally ignored her and talking about another woman without worry. Moreover, she followed Huang Fu Yue Xun for a long time, she never heard of other woman and only talked about this one woman only. However, they had fiery talk about Mo Qi Liang, don’t tell her she needed to get rid of this woman?

When she knew Huang Fu Yue Xun wanted to go out this afternoon, she asked around to check where he was going. It can be said, she was stubborn and

wanted to follow him. That's why Huang Fu Yue Xun brought her along. She didn't want Huang Fu Yue Xun and Mo Qi Liang get the opportunities to be together alone which will make her feel insecure. Around twenty years, she has been secure. Her precious, suddenly belongs to someone else, how she can bear this kind of feelings. However, how is she going to prevent it with her own abilities?

The two people who happily chat didn't notice Li Wan Wan's dubious face. However, someone noticed her expression, where there was a pair of eyes hiding in the crowd staring at Li Wan Wan. Even heard the conversations between two men clearly, a trace of a scheming smile attached to the face.

The extremely bored Mo Qi Liang chose to avoid the crowded place and went to a boring place, a forest at the backyard of Prime Minister Mansion. She wasn't walking so far but heard rustling sounds. Immediately, she dodged behind of a tree. If a thief, she definitely will block him but the sounds as if something was going on, plus, voices of two men. At one time, Mo Qi Liang unable to accept, she stole a glance at the sound source. A man bent over to another man and the back of the man looked familiar. Mo Qi Liang was in the middle of recalling the familiar man, but was picked up by a man and flew to another tree.

Mo Qi Liang didn't struggle as she smells familiar mint scents, turned her head and really see You Qing Jia Tian with an angry handsome face. He probably guessed the reason Mo Qi Liang smiled, who was leaning towards him with peace of mind, absorbing the warmth from his body.

You Qing Jia Tian actually very angry but his anger dissipate after seeing Mo Qi Liang's docile face. Quietly holding her, just that the place was not right. Showy sounds, Mo Qi Liang found that source of sound.

"Why? Interested?" You Qing Jia Tian wasn't satisfied with Mo Qi Liang as her attention was on unrelated people. With half force, he turned her head back, and looked straight at her.

Two pair of eyes was staring. Mo Qi Liang felt warmth, and showed a smile of happiness, "It's good to have you."

Mo Qi Liang with rarely spoiled expressions made You Qing Jia Tian surprised for a moment. The clenched mouth suddenly softened with a very light voice,

“Fool.”

Unfortunately, the good mood was made to be broken, didn’t know what the other two people was thinking. They chose to flirt under the tree where Mo Qi Liang and Huang Fu Yue Xun’s tree at. However, after knew who was them, Mo Qi Liang grievances turned into women gossips, involved You Qing Jia Tian accompanied her to watch over them.

“Jing Er, I missed you badly.” Huang Fu Yue Yang glanced around but didn’t look up. After confirmed nobody was around, he hugged Mo Qi Jing, at this moment, his lips near to Mo Qi Jing’s lips but Mo Qi Jing Jig pulled away.

“Prince, please be polite.” Mo Qi Jing was not a person to beg someone and wouldn’t follow Huang Fu Yue Yang to this place. If this is seen by others, it will damage her reputation.

Huang Fu Yue Yang was not in urge. Just that his face showed obvious impatient which made Mo Qi Jing afraid. After all, she was nothing but raised in a rich family. Usual pampered behavior, meeting people who was in lower status than her but Huang Fu Yue Yang status was higher and honorable than hers. Hence, she didn’t know what to do.

“Since Miss Mo Qi didn’t have matter, Benwang will leave first.” For many years, he has been in a palace struggles and fought, Huang Fu Yue Yang was not completely useless. At least, he learnt to watch face expressions, looking at Mo Qi Jing’s expression, he knew she has a problem. Since she didn’t speak, he will force her.

“Wait a minute, please.” Mo Qi Jing tugged at Huang Fu Yue Xun and immediately freed herself. Her face trembled with fear expression, “This woman from an ordinary family would like to ask a favor.”

“Miss Mo Qi no needs to be courteous. Speak, if you have any matter. This prince will help if has abilities to do so.” Huang Fu Yue Yang hides his wicked smiles where Mo Qi Jing couldn’t see it. He should be happy, right?”

“Really?” Didn’t know whether Mo Qi Jing was innocent or an idiot. This kind of words, she believed him. Mo Qi Liang who laid on the tree felt Mo Qi Jing couldn’t be saved anymore.

“Prince words, definitely will fulfill. Miss Mo Qi doesn’t need to be overcautious. Just say what you want to say.” Huang Fu Yue Yang put himself at the higher level of trust but didn’t need a lot of effort as Mo Qi Jing took the bait, so easy to cheat her.

“I need your help to take revenge on someone.” Mo Qi Jing looked like she has made a big decision and blurt out but her eyes didn’t fake the hate expression.

“Ah? Who is the person who angered Miss Mo Qi?”

“Mo Qi Liang.”

“Bengong remembers she is the Prime Minister’s daughter, right?”

“Who was she? Just an illegitimate girl and still hopes to become father’s daughter. She is a slut.” Mo Qi Jing became colder when talking about this matter. It would be weird if she wasn’t colder. If Mo Qi Liang didn’t stop You Qing Jia Tian, Mo Qi Jing would be decapitated by the angry You Qing Jia Tian.

“Seems like she became a thorn in Jing Er’s eye. So, Bengong didn’t know what kind of help Jing Er wants?”

“I want her to suffer.” Mo Qi Jing gritted her teeth and said. Mo Qi Liang didn’t care about her schemes, just that she took efforts to calm You Qing Jia Tian, her lips was still swollen.

“How can Bengong help Jing Er. Jing Er shouldn’t you give something in return to Bengong?” Huang Fu Yue Yang step by step walking nearer Mo Qi Jing. He enjoyed when Mo Qi Jing looked like want to run away but couldn’t.

“Prince, don’t do this..” Mo Qi Jing is not married yet, still doing such improper act at a backyard forest which makes her embarrass to meet people.

“Rest assured. Bengong just ask for a little interest, will not do anything else.” Huang Fu Yue Yang voices was like a spell. Mo Qi Jing almost believed and with no hesitate, she has been kissed. The beginning was like scratched and later sucked. Huang Fu Yue Yang restricted his body; after all he has been lusting over a beauty for a long time. Slowing down the rhythm doesn’t matter. Eat bit by bit wouldn’t able to stop oneself right?

### MMSTEM Chapter 26

#### Chapter 26

This chapter was edited by Random.AleX and me.

\*\*\*\*\*

Huang Fu Yue Yang controlled himself and didn't take the last step towards Mo Qi Jing. It was beyond Mo Qi Liang expectations due to his character; pervert and his appearance. So, at last, Mo Qi Liang lost interests, but she realized You Qing Jia Tian's body move closer to her. Mo Qi Liang was laughing, but You Qing Jia Tian caught and hugged her as well. The laughter was stopped and swallowed by kisses. Mo Qi Liang lips was swollen and asked with dissatisfaction, "Why did you come here?" You Qing Jia Tian intends to continue, but Mo Qi Liang pinched his waist. However, he is still pleased with her action. If he didn't notice Mo Qi Liang was breathless, he wouldn't end the kiss. The mess thought in his mind and after looking at Mo Qi Liang's expression, he answered her seriously.

"This master has received assassination mission. I came to look for you after knowing you were here."

"Huang Fu Yue Yang?" Mo Qi Liang thought over and over. In this bunch of people, the highest possibility of a person to die was Huang Fu Yue Yang.

"Indeed, he should die." From You Qing Jia Tian's bodyguard, he knew Huang

Fu Yue Yang acts inappropriately towards Mo Qi Liang. You Qing Jia Tian knew Mo Qi Liang didn't mind it. However, You Qing Jia Tian's end would be more tragic compared to Huang Fu Yue Yang if You Qing Jia Tian punished Huang Fu Yue Yang. In other words, it was a laughing stock. He is an evildoer leader. He can make others afraid him. However, come across Mo Qi Liang and unexpectedly, at all times, he is concerned about her thoughts. Sure enough, he is poisoned by Mo Qi Liang? Sounds impossible.

"Who else if not him?" Mo Qi Liang regretted after asking, after all, this matter belongs to his triad.

She was an outsider, inappropriate to ask this question. However, You Qing Jia Tian didn't mind it at all.

"All men, attends the banquet including Mo Qi Sheng?" In her subconscious mind, Mo Qi Liang suspected the target was fixed at Mo Qi Sheng. Seems like he was the only one will do such a senseless thing but at the same time he could get rid of suspicion. Even, he could push on to others if it's reasonable.

"At this time, you are still clever." You Qing Jia Tian didn't have any intentions to hide it from Mo Qi Liang.

"What do you mean? We didn't do anything, you start to dislike me?" Mo Qi Liang's eyes expression looks threatening, looked at You Qing Jia Tian. If he continues to say, even a word, Mo Qi Liang would push him down from the tree.

"How can I?" You Qing Jia Tian's love turned him into behaving like a hedgehog. He tightly hugged Mo Qi Liang from behind, his head leaned to her shoulder. It would be nice if this moment could stop.

The sky gradually darkened. In Prime Minister Mansion, the light gradually lit With the chatting, the network making is everywhere.

"Seems like, I should go back." Somehow, Mo Qi Liang was reluctant to part with You Qing Jia Tian at this moment.

"You must be careful after you go back." You Qing Jia Tian gently caress and stroke Mo Qi Liang's long hair. He is unwilling to see Mo Qi Liang with another man. The soft eyes from You Qing Jia Tian engrossed Mo Qi Liang. Perhaps, love passion wouldn't have many words to say. Mo Qi Liang was swaggering and

finally, reached the courtyard where the banquet was held. Accidentally, she saw Huang Fu Yue Xun's face full of anger. Mo Qi Liang ignored him and simply chooses a seat to sit on. The purpose is to eat until full, or else, she will not have a chance to eat after the fighting begins.

Huang Fu Yue Xun's eyes never left Mo Qi Liang after she appeared. That bitch woman, he knew she will bring him trouble. In this occasion, she expects him, personally to invite her to come over? Mo Qi Liang noticed Huang Fu Yue Xun's face expression blaming on her, but this time he was blaming her wrongly. As far as the eyes can see, which men will bring first wife and concubine to this kind of occasion? Moreover, the way Mo Qi Liang dressed; wouldn't it bring shame to Huang Fu Yue Xun? Mo Qi Liang is good in understanding others. Suddenly, there is a man appearing beside her. Accurately said, should say a boy. His age was around 17-18 years old. If she was not wrong, he is moving from Huang Fu Yue Xun's table to her side. Mo Qi Liang looked at him suspiciously. Everything will be clear if he opened his mouth and explained.

"Imperial sister in law, Imperial brother asked you to go over there." Huang Fu Yue Li looked up and down at Mo Qi Liang but couldn't find any special in her. This type of person, how could she match third brother?

"Huang Fu Yue Li." Huang Fu Yue Li introduced himself. Huang Fu Yue Li is a straight person who talks directly just as same as Mo Qi Liang.

Turns out he was a part of Imperial Family. The boy who suddenly appeared was the Fifth Prince and he is one of the princes who has good relations with Huang Fu Yue Xun. No wonder, they were sitting together. Reportedly, their siblings' relationship is good since they were kids. Shu Concubine was a birth mother of Huang Fu Yue Li, played a major role. Huang Fu Yue Xun's mother was dead because she had a difficulty of giving birth to him. Thereafter, Huang Fu Yue Xun was raised by Shu Concubine. Shu Concubine didn't treat him coldly after she had her own child. That's why, Huang Fu Yue Xun, Huang Fu Yue Xuan and Huang Fu Yue Li's relationship just like biological siblings. Just that, Huang Fu Xuan Er has abnormal feelings towards Huang Fu Yue Xun.

Mo Qi Liang also looked up and down at Huang Fu Yue Li. She finds his smiles quite eerie. Probably because of his pale face made Mo Qi Liang feel uncomfortable.

"I won't go over there as not to interrupt their world." (refer not to become third party and disturb the couple; Huang Fu Yue Xun and Li Wan Wan.)

"Imperial sister in law don't mind them? Not even a bit?" Huang Fu Yue Li thought Mo Qi Liang is jealous as she chose to sit at another table. However, looks like it didn't seem to happen in that way.

"What should I care? From my point of view, they are a perfect couple, made for each other. On the other hand, my existence who is a bad woman has ruined their relationship. That's why, as much as possible, I try to create opportunities for them to be together as to reduce my crime. Isn't that good?" Mo Qi Liang didn't care to let the idiom of his words idiom; devotion to righteousness to inspires reverence. Huang Fu Yue Li will agree with Mo Qi Liang if he takes into account of relationship between Huang Fu Yue Xun and him, right.

"That woman definitely doesn't match third brother." Huang Fu Yue Li observed Mo Qi Liang's every tiny expressions and found out she didn't tell a lie. Hence, he didn't mind to share his thoughts as well. If she stays beside third brother, he wouldn't worry so much.

"But your third brother and that woman like each other." Or else Li Wan Wan wouldn't appear with fully armed. When Mo Qi Liang saw her, she is really happy but Mo Qi Liang thinks it's better to be in high alert because that person is Li Wan Wan.

"That woman likes third brother? She likes his authority and power. That's all" Huang Fu Yue Li curled his lips. This face appearance looked like a youngster. Mo Qi Liang didn't deny or couldn't deny because there are many reasons to love a man. However, that kind of love is too materialistic.

"Why are you married to third brother if you didn't like him?" Huang Fu Yue Li attacked her. Mo Qi Liang felt strange. The way he asked sounds jealous. Can be said, she is too sensitive. "I was forced to do so. A woman with low status like me, doesn't have other choices." Mo Qi Liang showed distressed expression, trying to get Huang Fu Yue Li's sympathy. She doesn't want a young man bearing grudges against her.

Huang Fu Yue Li nodded. He is a part of Imperial Family, he knows it very well. The so-called no freedom to act independently made him sad. Probably, under

Imperial Father and Empress arrangement and without his consents, he will marry a woman whom he didn't love. Even, he couldn't be together and live forever with a woman he loved. While Huang Fu Yue Li thinks about it, he looked at Mo Qi Liang with sympathy. However, Mo Qi Liang wanted Huang Fu Yue Li to converse with her normally and not to become a sad leading role character. Huang Fu Yue Li completely thinks wrongly, but never mind, at least, he is willing to converse with her.

Huang Fu Yue Xun looked at Mo Qi Liang and Huang Fu Yue Li who was talking and laughing. At the same time, Huang Fu Yue Xun was getting angry. Fifth brother, who is always conscientious, was talking and laughing which was surprisingly. He can be this cheerful and happy. It was beyond Huang Fu Yue Xun expectations.

Mo Qi Liang's abilities was not considered small. Li Wan Wan too, was looking at Mo Qi Liang's table. She understands the relationship between Huang Fu Yue Xun and Huang Fu Yue Li as she and them grew up together, but Huang Fu Yue Li never treats her the same way as he treats Mo Qi Liang. Still, Huang Fu Yue Li could get along with Mo Qi Liang. Doesn't this mean, her importance to Huang Fu Yue Xun is decreasing? Even Huang Fu Yue Xun's best brother, Huang Fu Yue Li sided Mo Qi Liang. Still had confidence and want to compete with Mo Qi Liang? The more Li Wan Wan thinks, the more she felt uneasy. It's not the first time she thought of planning to get rid of Mo Qi Liang. If Huang Fu Yue Xun founds out about this, she will have no hope and fail to retrieve him back. Don't tell her there is no other way?

Huang Fu Yue Xun was looking at Mo Qi Liang and didn't notice Li Wan Wan was upset. He didn't realize he was paying attention to Mo Qi Liang all the time. Perhaps, it started when she returned to Prince's mansion. Mo Qi Liang was the first girl without intentions, he met. She is unwilling and even takes effort just to look at him. This made his self-respect and ego suffers. That's right, he felt wronged because of male chauvinism and not because of love. However, is it really happening in that way?

Mo Qi Sheng still walking around and chatting with others. Even though, Mo Qi Sheng hid his expression, Mo Qi Liang noticed, he was absent-minded at all the time, he was looking at the outside of the wall. As expected, it is him. Prime

Minister's Mansion was destined to have a reign of terror.

# Madam, Master Said to Eat Meal - Chapter

## 27

### MMSTEM Chapter 27

Hall banquet was full of laughter, there were a few young men took this opportunity to drink alcohol. Mo Qi Sheng walked to every table and drank with them. If she didn't see Mo Qi Sheng's eye despised expression, she would think he was very thirsty.

Nearly xushi (7-9pm), most of the people in the banquet, had blushed red face. Looked like, they drank a lot, even, some of them, sleeping with their heads on the table. In front of Mo Qi Sheng, they didn't care about their image.

Cold wind blew piercing through thin clothes making people shiver with cold. Mo Qi Liang shrinks her body, but in a sudden, her shoulder, mysteriously has another layer of fabric.

"You are?" Mo Qi Liang didn't understand Huang Fu Yue Li's behavior. Didn't he dislike her?

"If you are sick, you will become a burden to third brother." Huang Fu Yue Li frankly spoke, but his face slightly red which emitted sentiments.

"The relationship between Huang Fu Yue Xun and you is good." Mo Qi Liang simply sighed which provoked Huang Fu Yue Li to gaze at her.

"Ah...." A sound of scream; nowhere came from, everyone pay attention to this scream source. A man was lying on the table, a dagger was stabbed at the back. Mo Qi Liang could see until this point from afar, the clothes were soak with blood, probably had died.

A person was killed. Everyone was running away, but not easy. This was only the beginning.

Above the wall, there were masked people wearing black shirts, armed with various types of weapons; one of them had arrows and a bow. People who successfully escaped from the courtyard, was shot by them, thus, created obstructions as they were lying at the courtyard. It was a horrible sight.

Huang Fu Yue Li no longer stayed beside Mo Qi Liang and she didn't know where Huang Fu Yue Xun was because she was pushed by a stream of people. The most evildoer master received this mission; was make this place fill with blood of all men who attends this banquet but the unlucky people were ladies because, for them, it's hard to escape. Mo Qi Liang didn't want to become one of them.

The people in courtyard became lesser. Mo Qi Liang felt her foot was wet and the air filled with the stench of blood, she felt like throwing up. Even so, someone was dragging her, making her turn around, looking at the unfamiliar face.

"Follow me." Mo Qi Liang suspected that person was Mu Rong Lun Shu. Under darkness, she couldn't look at his face clearly, but could hear his voice that wasn't really anxious. She remembered they don't have any relations.

Mu Rong Lun Shu accidentally saw Mo Qi Liang. The way Huang Fu Yue Xun was looking at her, he knew she was Huang Fu Yue Xun's wangfei. Mu Rong Lun Shu attentively looked at Mo Qi Liang who was sitting at the corner, but couldn't find any charm on her except the mocking conversation between Mo Qi Liang and Huang Fu Yue Xun. However, with her current status, she was different from others as she was calm and composed plus, all kind of matters happened in the past, resulted in him having an interest in her.

Mo Qi Liang who was slightly stiff was pulled by Mu Rong Lun Shu and reached the corner where nobody was there. She admitted, here, nobody will pay attention to them. However, Mu Rong Lun Shu went back to the middle of courtyard, where Huang Fu Yue Xun is.

Huang Fu Yue Xun's bodyguard protects Huang Fu Yue Xun and Li Wan Wan by surrounding and putting them in the middle. Huang Fu Yue Xun didn't expect this incident will happen which was why he didn't bring many bodyguards. He put himself in high alarm in case someone rushing to him. Moreover, at this

moment, Li Wan Wan is a nuisance, sticking to Huang Fu Yue Xun which made him unable to move freely. Without realizing, his body appeared more wounds, but he didn't collapse and still firmly standing. More or less still had energy left. Same with Huang Fu Yue Li, he didn't bring many people and just rely on his martial skill that he learned in the past few years in order to survive.

Currently, the man left were Huang Fu Yue Xun, Huang Fu Yue Yang, Huang Fu Yue Li, this three brothers and Mu Rong Lun Shu. The others young men who attended this banquet had become dead; definitely were weak scholars. If Mo Qi Sheng was unable to explain this incident, afraid he will not become Prime Minister anymore.

"Few of you are considered Lin'an City's famous people. Kill yourself if you didn't want to die miserably." A woman appeared above the wall. Bright red color cloth combined with dark pitch sky, she appeared in dazzling. With half mask in red color, adds the seductions.

"One of the four evildoer, looks like, today will have a good show which will be directed by the evil triad?"

"Young master Mu Rong has good eyes." Qiu Mei fiddling her nail and her voice was soft just like her name. The alluring appearance made Huang Fu Yue Xun nearly forgetting his own situation, walking forward but was stopped by a bodyguard.

"Then, today's matter is not related to the evildoer master?" Huang Fu Yue Xun disagrees if this high scale incident was not done by them. However, rumors said, evildoer triad carries mission without fail or traces and will not expose their identity. Or are they purposely doing it?

Mo Qi Liang can't help but quiver. Woman's six sense, the appearance of Qiu Mei gives her an uncomfortable feeling. They never meet before, but Mo Qi Liang could feel deep hatred in her when Mo Qi Liang sees her. This never happened before.

"Just you, want to kill us?" Huang Fu Ye Li still has the youth behavior and ignore his small and big bruises, the blood is dripping. He still has courage to anger her. Don't know whether he is a praise worthy or simply hard to defeat?

"Kid, don't talk any more. If you anger sister, the outcome will not be a light

one.” Qiu Mei talked like comforting a kid.

“You...” Huang Fu Yue Li didn’t say anything and could only glared at her as if he wanted to burn a hole.

“Prince Lie and Young Master Mu Rong is discussing the plan of escaping here? But this girl unwilling to let you two go?” Qiu Mei was jumping from the wall, another battle will begin again?

Qiu Mei, the only woman, able to become one of the four evildoer. Thus, couldn’t look down on her. Who said a woman must stay in the house and take care of a husband and children. It’s not bad at all becoming a woman who everyone is scared of.

“Looks like Master has overestimate your strengths, even sent me a boring task. Today, my night life will not be wasted, accompany you all to play games.”

For them, Qiu Mei words means she wanted to finish this quickly. Huang Fu Yue Li has fainted. Huang Fu Yue Xun brought a nuisance, Li Wan Wan. He cannot depends on Huang Fu Yue Yang, the last choice; left the person who has battle skills, Mu Rong Lun Shu. However, he has wasted energy on a high rank killer. His speed and strength has reduced to half. Facing Qiu Mei, he didn’t have confidants to defeat her.

In a speed pace, Qiu Mei appeared in front of Mu Rong Lun Shu. Her hands holding the dagger pointing and stabbing towards his chest. From nowhere, Mu Rong Lun Shu grabbed the swords and blocked it resulting in it breaking in half, but it has exposed Mu Rong Lun Shu to Qiu Mei’s dagger. Qiu Mei continues her intention to stab him, with her charming smile, similar to the god of death, indicating she is going to succeed.

Don’t know from where the stone flew and hit Qiu Mei’s hand at the right moment. At that moment, the pain made her miss a good opportunity to kill him. She intends to find the culprit, but the noise from outside of the door indicates there are big troops are coming in. Qiu Mei glanced at the stone and escapes by flying to the opposite direction. Very quick, she vanished from their vision.

The depressed and chill atmosphere suddenly relaxed. The bruises and wounds on their body suddenly ache. They doubt in this sorry figure, they are not weak,

especially, Huang Fu Yue Yang, wishes he could yell to everyone, he is wounded heroically. The rescue team who is rushing, seeing the scene, probably, even the general has never see this much of a bloody scene. His shoes were soaked with blood when stepping into Prime Minister Mansion even though it was a first step. They rushed to the scene soon after they heard this news. However, it is too late. The civilians who died here were innocent. Fortunately, the Emperor's sons had not died; otherwise, their responsibility will become bigger.

Mo Qi Liang walked from the 'cloudy shade' area. Huang Fu Yue Xun was happy when he saw her and unexpectedly in a joy 'sentiment'. He wanted to look for her, but he couldn't find her. Hence, he could only protect Li Wan Wan. However, Huang Fu Yue Xun is thinking; if the person who stood beside him was Mo Qi Liang, she will not be frightened and faint, right?

"Thank you." Mo Qi Liang firmly stand in front of Mu Rong Lun Shu. Although, she didn't know why he must save her, but it is the fact and she doesn't intent to quibble it.

"It doesn't matter." Although, Mu Rong Lun Shu appeared in a somewhat sorry state, but the real fine young master, will not damage his reputation no matter what happens. Obviously, he is this type of person. Mo Qi Liang didn't continue talking with Mu Rong Lun Shu because Huang Fu Yue Xun's face expression is too obvious which made Mo Qi Liang unable to neglect his presence.

In front of many people, his own Wangfei chats with other man happily and cast him away. Of course, every man will not feel content with this situation. Seeing Mo Qi Liang insincere smile while he was in sorry state, wounded, he was angry.

"Wangye, anger is not good for wound recoveries." Mo Qi Liang coldly blurts out making Huang Fu Yue Xun choke and unable to say anything. Just like eating something else made him uncomfortable.

"Don't you think, you need to give an explanation in regards to today's matter?"

"I am a dull-witted, the meaning of these words, I don't understand. Hope Wangye can give a clear cut question"

“Talk again when we return to mansion.” They quickly left the scene as to avoid gossips and rumors. In addition, more and more common people were entering the mansion. The common people were awoken by the rescue team in the middle of the night.

Mo Qi Liang who is following Huang Fu Yue Xun from behind and ready to go back to mansion, didn’t notice the two incoming people had expressions with different meanings. However, unfortunately, this was actually seen by another person. Perhaps after today, everyone will not have an easy time.

## 28

### MMSTEM Chapter 28

\*\*\*\*\*

The news regarding the massacre in Prime Minister's mansion is spreading everywhere. Even, hard to avoid the spread of false facts which made the common people in Lin'an city, nervous and worried. For the time being, the storyteller with talented literature wouldn't go to either big nor small teahouse.

After the massacre incident, the survivors were well protected. Prince Lie and other Princes Mansion's entrance were guarded with a massive army as in deploying troops for defence. However, looks like unable to withstand a single blow if facing high martial skilled people.

"The entire soldiers of city are looking for the murderer. You are actually relaxed and come to my place." Mo Qi Liang is looking at the person who is sitting at the side table, drinking tea. Perhaps, she think it over and give it a go of betraying You Qing Jia Tian in exchange for the enormous rewards even though she is not short of money.

"The triad sent the men and yet to accomplish the mission, but it's a complete wipe out. This matter was not done by us." You Qing Jia Tian's tone sounded dignified, but the expression was not abnormal at all.

"I thought that woman is obscuring the fact. Didn't expect she has stated a fact actually."

"A woman?"

"It's said, she is one of the four evildoer. Perhaps, another person disguised as her."

"She hasn't accomplished the previous tasks yet. Thus, she should be in Qi Liang." You Qing Jia Tian coldly smiled. Someone actually spent time and put some thought in to him. Seems like, he is too careless recently.

"In other words, someone is targeting evildoer master." Mo Qi Liang didn't feel weird, not even a bit. After all, as idiom goes, it is normal for the tall tree to catch much wind. Regardless, in Imperial household or people in the martial world, they wanted to eliminate evildoer master. However, someone able to execute such a high scale incident with intention against him, afraid that person is not a small character.

"I will be busy from now onwards. Perhaps, don't have time to visit you. Although, I have arranged bodyguard to stay beside you, you must be extra careful." You Qing Jia Tian sounds apologising and walking towards Mo Qi Liang, tightly hugs her. In his mind, he is being too careless. Possible, she will be in dangerous situations. It's entirely his fault.

Mo Qi Liang returns the hugs and slowly speaks, "Don't worry about me. I'm not a fragile vase, moreover I also want to know who is the person that dare to go against you."

"Believe me?"

"Shouldn't ?" Mo Qi Liang with joyful trusts You Qing Jia Tian. He knows the outcome, but he is happier after confirming it.

You Qing Jia Jian never show his 'blood thirst' in front of Mo Qi Liang. He was worrying whether Mo Qi Liang able to accept such behavior from him, but accidentally tried it out and obtained a satisfactory answer.

Mo Qi Liang feels You Qing Jia Tian's sentiment changes. He and her are too equally restless. They are the people who lack security, was the type; wanted to spend life together after confirming it. So, they kept on checking it, responsible to themselves and also to each other.

Two people haven't had enough affection, the clear and rapid sound of footsteps stops at the entrance, shoved the door in a flash. In the room, there is one person; Mo Qi Liang.

"Wangfei, Wangye asked you to go over." Wang Hai even saved the energy of

knocking the door. As a housekeeper in Prince Mansion, the major trait in him is treating people according to the status. In his view, Mo Qi Liang is a Wangfei who is not doted on. Therefore, he does not try to be attentive. That's why, he even neglects the most basic etiquette.

Mo Qi Liang assumed him as air, even not looking at him. She totally ignores him, turns into deaf. Huang Fu Yue Xun has not gesture while talking to her. A servant has overestimate himself and intends to bully her, he really is arrogant and awful.

"Wangfei, Wangye asked you to go over." Wang Hai increases the voice, but Mo Qi Liang was still not responding. He started to worry.

"Wangfei, Wangye will be angry if Wangfei is still not going over. Afraid Wangfei will not able to take it." Wang Hai sounds threatening her. He does not pay much attention to Mo Qi Liang, or else he will not say such words.

"You may go back and tell him, but remember to close the door when you go out." Mo Qi Liang ignored Wang Hai's threats, or Mo Qi Liang didn't take it as a threat. However, is she should consider to remind Huang Fu Yue Xun's to increase the entire mansion's servant quality.

Wang Hai furiously looking at Mo Qi Liang. He angrily flings the sleeve, left the room, his mouth mumbling. Looks like, he is going back to report, and see who is the person who should to take the consequences.

Mo Qi Liang lazily focuses on the unworthy person, but never thought the person who was sent here was him. However, looking at relationship between Huang Fu Yue Xun and him, why would Huang Fu Yue Xun make him do this matter?

"Does Wangfei mind I'm here?" Huang Fu Yue Xun brought him to the mansion with excuse; protection. Together, they discuss the incident occurred last night. They discussed half way, Huang Fu Yue Xun wanted Mo Qi Liang to join them. Wang Hai went over but failed. Therefore, he wanted to try out as if Mo Qi Liang is the person who is hard to deal with as mentioned by Wang Hai.

"Don't mind. Just have some issues."

"Wangye asked Wangfei to come over, does not know if Wangfei and I go

together?"

"Young Master Mu Rong no need to be courteous. Wangye and you are actually doing this which means using talented people in insignificant things. Moreover, you are my savior, I must go right?"

"Wangfei spoke discreetly." Mur Rong Lun Shu humbly smiled. As if he is used to it, maintaining the elegant young man's image, refined scholar. Therefore, it doesn't sounds fake.

Mo Qi Liang together with Mu Rong Lun Shu arrived Huang Fu Yue Xun's study room. Every time she comes here will have no good things. Inside, Huang Fu Yue Xun and Huang Fu Yue Li was sitting. Huang Fu Yue Li hasn't marry, thus didn't have his own mansion. Huang Fu Zuo Tian gives exception by allowing Huang Fu Yue Li to stay in Prince Lie's Mansion to recover from wounds. Thus, able to see Huang Fu Yue Li's position from this situation.

"Finally, willing to come?" Huang Fu Yue Xun said with peculiarly. Mo Qi Liang is familiars with this situation. She glances once at him and casually looked for a seat to sit on.

"The servants in Prince's Mansion do not have etiquette. I fel disgusts, throwing up until unable to walk."

"Sharp tongue." Huang Fu Yue Li does not lose opportunity in butting in even though he has wounds all over his body.

"Say. What is the purpose of calling me over?" Mo Qi Liang will not argue with a brat kid, but Huang Fu Yue Li seems like different from their first meeting. She couldn't tell the differences.

"Last night incident, what do you think?"

"Ask me? Wangye is thinking highly of me." Mo Qi Liang didn't expect Huang Fu Yue Xun actually discuss this matter with him. Her identity is considered sensitive, in addition, he is a male chauvinist, how could he let her opinion to be voice out. Don't tell her, he has finds out?

"Answer me. So many idle talks!" Huang Fu Yue Xun looks like a beast trap in the cage. He has wounded, which why he is hot tempered now.

“Found Mo Qi Sheng?” Moonless night, Mo Qi Liang didn’t know where Mo Qi Sheng ran to . Moreover, she thought You Qing Jia Tian’s men carrying out the mission. Mo Qi Sheng who is organized the banquet was only protecting himself. However, seeing this, probably Mo Qi Sheng has been captured, even killed. That’s why, she thought if he is found, will know the truth.

“Not yet, Imperial Father has given an order, to capture him whether he is alive or bring back the corpse if he is dead. No matter what, must find him. You suspect it’s him?”

“Not good to say, but if he is still alive, he has excuses to say last night incident is related to him. After all, he is the one who organized the banquet, isn’t it?” Mo Qi Liang didn’t have any feeling on father daughter relations especially after Bai Qin Yan dead. However, she didn’t wish him to die, but to die without suffering is simply too merciful right?

“He is your father.” Everytime, Huang Fu Yue Li butts in, it is wrong timing. In a sudden, three people stares fixed at him.

“Um, I know exactly, from bloodline determines relationship.”

“But if it’s really him, why he do it?” Huang Fu Yue Xun agrees Mo Qi Liang’s point of view. Regarding to the motive, they must make it clear.

“How do I know?” Mo Qi Liang stares coldly at Huang Fu Yue Xun. If she knows, she already informed You Qing Jia Tian, as she is worrying about him.

“You, this woman!” Huang Fu Yue Xun always stops and unable to say anymore and still unable to deal with her.

“Wangye asked me to come here, wanted me to provide possibilities of directions. I already said it, don’t tell me to investigate too?”

“You went ahead of time to Prime Minister Mansion. Did you notice something wrong with Mo Qi Sheng?” Huang Fu Yue Xun still unwilling to give up. Currently, he did not have any clue. Imperial Father has hand over this case to Ministry of Justice. Huang Fu Yue Yang and him cannot get involve, Prime Minister Mansion has been sealed off. Private people who stays inside has been taken to a special place with protection. Unless there is an order from Imperial Father, nobody shall go in. Really kept him from this case.

"I seldom converse with him and only rely on one hours time of conversation, I really did not find anything." If You Qing Jia Tian didn't tell her, she wouldn't imagine Mo Qi Sheng has this kind of idea, not to mention carry it out, but he really lost a lot as idioms go try to steal a chicken only to end up losing.

"You really didn't notice anything?" Huang Fu Yue Xun still does not gives up and with irritation, pressing her in order to know the truth.

"Actually, Wangye asked me to come here. is not to believe me but suspect me. With this, I don't have anything else to say." Mo Qi Liang didn't want to join in this discussion. She could feel the culprit is not a simple person and it is just a beginning. So, for her who is a lazy person, it is better to avoid getting involve.

Huang Fu Yue Xun also knew he is too anxious. Mo Qi Liang's words, he was unable to refute because he knew well his innermost feeling. Call Mo Qi Liang to come here not to test her if she knows . He thought, she will know a bit. However, the truth is different from the real situation, the sentiments changed out of control.

"Wangfei no need to take offence, Wangye just impatient. After all, the big incident has happened." Mu Rong Lun Shu acts as peacemaker. As of now, it is better to have a friend rather than an enemy. Privately, he has sent someone to investigate, but all the traces seem to be cleared by someone. Even, the group of killers has vanished without a trace. Frankly speaking, Mu Rong family's information gain will not reach this level, but this is the first time such a thing has happened, made him not in peace of mind , thus be extra cautious because they don't know who the enemy is. Suspects the evildoer master did it but was unable to carry it out. Moreover, unable to know what is the purpose of them doing it. The dead ones are all innocent civilian, the most is talented people, could this be a good reason to kill them?

"I suggest you go to Prime Minister's Mansion. Perhaps, will have clues in there." Mo Qi Liang thinks over and over, unable to find out. Sometimes, using other's manpower can achieve own goal. However, the present people in front of her, it waas possible to disappoint her.

Huang Fu Yue Xun never thought to investigate the Prime Minister's Mansion, but now he is put under house arrest. Huang Fu Zuo Tian suspects too many

people, even he is among them. The bodyguards at the entrance door are known to be protecting them but in reality, is to observe their movements. What should he do, as to not alert the bodyguards sent by Imperial Father. This is the issue made his head ache.

Four of them in the study room are thinking, could only hear their heavy breathing. This matter is really beyond their expectations. What to do and how should they do it has become their puzzled issues. ..

### MMSTEM Chapter 29

This chapter was edited by Random.AleX and me

\*\*\*\*\*

Four people thinking fruitless thought, time quickly passed, it is dinner time. Initially there are four people, but with Li Wan Wan unwilling to be left out, five of them sitting together appeared somewhat awkward.

“Good to see jiejie is alright. Last night, Xun was busy protecting me, wanted to look for jiejie but jiejie already disappeared. Chenqie thought jiejie has been harmed. Now, I’m relieve seeing jiejie is fine.” Li Wan Wan intends or without intention brings out this issue, making the present three gentlemen’s expression turning dark. Mo Qi Liang didn’t mind about it, she knows she was not pleasant in Li Wan Wan’s eyes. Li Wan Wan always found opportunity to say something, that’s why Mo Qi Liang didn’t care about it.

“Do not talk when eating. Should know this manner, right?” Huang Fu Yue Li didn’t mention who, but everyone was well aware, making Li Wan Wan’s face expression becoming very ugly.

“Yue Li, eat your meal.” Huang Fu Yue Xun rebukes, but Li Wan Wan words make him loose his temper. Is it clearly said he did not have the ability to protect his woman? Even, if a man is not good enough, will not allow other people to talk such things. However, Huang Fu Yue Xun knew Li Wan Wan did not have other meaning, thus he lowered himself to the same level as her.

Huang Fu Yue Li light ‘ahem’, knew third brother will protect that woman. He couldn’t tell what was good about that woman which made it worth for third brother to be like this for her. Many years have past, yet still couldn’t look through her characters.

Li Wan Wan fully aware, she is not a backstage concubine, only depends on Huang Fu Yue Xun’s doting love to stand firm in the Prince Mansion. As for this type of person, Huang Fu Yue Li, she wasn’t capable of going against him, but she never expected all along, he never spared a glance, actually raise his head to refute her. If in the past they were eating together, he only showed through body language, that’s all. That’s why, she is embarrassed of what happened just now.

“I feel full. All of you please continue to eat.” Mo Qi Liang looking at them, unable to swallow anymore. Sometimes, seeing an annoying person, no need to express it, still can not take it. Mo Qi Liang is in this condition now.

“I also feel full.” Huang Fu Yue Li together with Mo Qi Liang left the table. Both of them left together.

“Why are you following me?” Mo Qi Liang glances, the place he lives in should not be the same direction as her.

“You are really a strange woman.” Huang Fu Yue Li is considered to have a sharp tongue towards Mo Qi Liang. A moment ago, Li Wan Wan said such things to her, she doesn’t even refute making him puzzled

“Thanks for the praise.” Mo Qi Liang thought she wouldn’t need to explain, actually unrelated, can he manage?

“That woman treating you in that way, you are not angry?”

Mo Qi Liang know who is he talking about, “Angry? Why should I be angry?”

“She said such things to you.”

“I will not let unworthy people affect my mood. Do you understand?”

“Then, why did you leave?”

“That kind of awkward atmosphere was not suitable for me.” It appeared everyone seems to enduring something, the reality is, nothing happened. Huang Fu Yue Li felt what Mo Qi Liang said was not right, but did not know what’s wrong, waiting for him to regain sense, Mo Qi Liang has disappeared. At the dining hall, Mu Rong Lun Shu also left, shortly after Mo Qi Liang and Huang Fu Yue Li left. He and Huang Fu Yue Xun is a good friends, but it did not

represent he could accept the all types of people who sided Huang Fu Yue Xun, obviously Li Wan Wan is among the people he rejected.

Originally, there are five people at the dinner party, now two of them left. Huang Fu Yue Xun face expression was somewhat cloudy, his body emitted a cold aura, sitting beside him is Li Wan Wan who didn't dare to move. She knew Huang Fu Yue Xun really angry, no matter who is the other person, he will become violent. Moreover, she knew herself, although, does not want to acknowledge, but her status now in his heart is no longer the same. Perhaps, in the past she would dare to persuade him, but now consider overestimating herself.

A quarter of hour has passed, Huang Fu Yue Xun was leaving the dining hall. Through the whole process, he didn't look at Li Wan Wan. Once is a lover, now the distance between them had more and more gaps. This has not happened before even in the past, but it happens after Mo Qi Liang appeared, how can Li Wan Wan not hate her?

Mo Qi Liang returns to her own courtyard, sitting alone in the room. She knew You Qing Jia Tian will not come, she is still anticipating, at the same time worry about him. Since she was taken to be a prisoner, problems gradually appeared. Last night incident, The Ministry of Justice still hasn't found the people who were involved in the massacre until now. Mo Qi Liang didn't really believe they are still alive, but the corpse were destroyed and left no trace, made them to be more vigilant.

Winter is around the corner, the weather has become cold especially at night. The cold wind seeps through the gaps of the window. Mo Qi Liang wrinkled her eyebrow. She wanted to close the window tightly, but never expect to see the thing which was in front of her. To be exact, it is a person. Mo Qi Liang shook her head and the person she is seeing, Mu Rong Lun Shu wobbling to her room and is getting nearer.

“The man who is assigned by You Qing Jia Tian, come out right now!” Mo Qi Liang shouted at no one. In front of her, appeared a person, fully-armed man in black. A pair of hawk sharp eyes was staring at Mo Qi Liang which appears to be impolite.

Mo Qi Liang wanted to say something, but heard ‘peng’, kicking door sound. Mu Rong Lun Shu walks step by step unstably closer to her.

“Mu Rong Lun Shu, can you hear me?” Mo Qi Liang unable to see Mu Rong Lun

Shu's face as he has been lowering his head, she got an ominous feeling. Looks like Mu Rong Lun Shu lost consciousness. In a sudden, he lifts up his head. Mo Qi Liang saw his face blue, vein sticking out, and a pair of red eyes. His appearance, completely two different people. Mo Qi Liang didn't know in a short time such things could happen. What's going on that could make him to become like this. However, now it's not a right time to think about it. Every time Mu Rong Lun Shu stepped nearer, she became more and more anxious till their distance is about an arm length away. She actually could see a pair of pupil with burning desire which made her scared. What exactly has made him turn into this?

Mu Rong Lun Shu raised hand to grab Mo Qi Liang's shoulder. The man who is assigned by You Qing Jia Tian is looking at Mu Rong Lun Shu, immediately stops him by pressing yuedao. However, this method could only stop him for a short time. Very quick, Mu Rong Lun Shu moving again, walking towards Mo Qi Liang. Seems like, the ordinary pressing yuedao method is simply useless on him. Mo Qi Liang steps backward, the bodyguard stood at the middle of Mu Rong Lun Shu and Mo Qi Liang. She was helpless, never thought this situation would happened, but now was not the right time to think about it. She recalls the medicines that are able to make people calm, which she brought over last time. That time, her shifu studied about this medicine and conveniently, she took some of it.

Ying Han is one of the skilful bodyguards in the triad. Initially, You Qing Jia Tian ordered him to stay with Mo Qi Liang, he had a lot of discontent. He never thought he would encounter this kind of situation. Mu Rong Lun Shu's condition has attracted his interest. Looks like some kind of drugs have control over him, in addition the person who made this drug, is not a good person. The days after this will not be boring anymore.

Mo Qi Liang with her high speed, found the thing she wants. The powder from the bottle was scattered at Mu Rong Lun Shu face, even Mo Qi Liang was affected too. She felt a bit dizzy. Mu Rong Lun Shu eyes condition only improved a bit.

"Exactly, what's wrong with him?" Mo Qi Liang has to acknowledge her medical skill not good enough, totally didn't know what kind of medicine turned him into this zombie appearance. No choice but to seek help from another person in the room.

“Don’t know.” Ying Han coldly replied. The attitude of his is the same as his name.

“Can you take him away? It would be best if bring him back to his own room.” Mu Rong Lun Shu appearing in her room is another issue and she suspects someone arrange this scheme. This incident should be done by someone who goes against her. Seems like, she is one of the victims of this fearful scheme. Ying Han looked at Mo Qi Liang. It’s not a problem to bring him back to his room, but if he brings him, her safety will have other issues. As a bodyguard, no matter what happens, cannot make this kind of mistake; leave behind the person he should protect. This act couldn’t be forgiven.

“Can you?” Mo Qi Liang asked again.

“Can, but this subordinate is unable guarantee your safety.”

Mo Qi Liang more or less is worried. The behaviour of Mu Rong Lun Shu is just like someone secretly drugged him or just a warning, made her start to feel not at peace.

“You send him back first.” Mo Qi Liang’s mood is complicated. In her mind, appears the argument taunting herself as a coward. Indeed, when did she start to be timid? But facing unknown conditions, somehow she lacks the confidents. After all she is human too.

Ying Han observed Mo Qi Liang’s expressions strangely. Probably, he wouldn’t imagine she would become this way after following her. If compared to the master, she could be a better master perhaps.

Mo Qi Liang only wanted Mu Rong Lun Shu to settle down, totally neglected Ying Han with strange smiled checking on Mu Rong Lun Shu. In addition, if she knows such things will happen, she definitely wouldn’t pass Mu Rong Lun Shu to him. However, after a period of time, she rethinks about it. The outcome was; she made one of the correct decisions in her life

# Madam, Master Said to Eat Meal - Chapter

## 30

Early in the next morning, Mo Qi Liang who was sleeping soundly was awakened by the sounds of the hurried footsteps. When she opened her eyes, she saw Huang Fu Yue Xun's angry face. What is going on? Mo Qi Liang wanted to open her mouth and ask, but Huang Fu Yue Xun impatiently said, "Where is your lover?"

Lover? Mo Qi Liang admires Huang Fu Yue Xun's imagination. Hold on, don't tell her...

Huang Fu Yue Xun saw Mo Qi Liang who was smiling, grabbed her with anger and didn't care many servants were surrounding them. With his loud voice asking, "Where did you hide him?"

"Huang Fu Yue Xun, why are behaving insanely? Let me go!" Thought about last night incident, Mo Qi Liang realized she has been pulled into the scheme. This anger she hasn't vent and yet Huang Fu Yue Xun appeared in front of her, behaving unreasonable. Want to compare whose voice is louder? Who can not do it ah!

"You said Benwang goes crazy. Search everything clearly in this courtyard!" Huang Fu Yue Xun stared at her. Mo Qi Liang is too lazy to argue with him. Anyway, there is nothing valuable in this courtyard.

Two people were refusing to budge, neither one of them find each other is pleasing to the eyes. Early in the morning, the servant reported to him, saw a suspicious person in Wangfei's courtyard. Actually he is worried and wanted to come here, but heard Mo Qi Liang had an affair, he became a person who is catching a wife having an illicit lover. Such a serious matter, which man is able to bear the consequences?

"Wangye, found a cloth bag at the behind pot in courtyard." Mo Qi Liang glanced at the burden which the servant was holding. She definitely never saw such a thing before. Huang Fu Yue Xun seems to not believe her, without care, snatched the cloth bag and tossed it directly at the Mo Qi Liang's feet. Thing that kept in the burden was rolling out.

"This time, how are you going to explain?" Huang Fu Yue Xun looked at the revealed male close-fitting gown. He has been using the remaining rational thinking telling himself to calm down. His rage burning eyes looked at this slut Mo Qi Liang as if she has anything to explain.

"Let the irrelevant servants to withdraw first as to avoid Huang Fu Yue Xun from embarrassed." Mo Qi Liang didn't mind what kind of Huang Fu Yue Xun responds was, but frankly speaking, as a man and as a husband who suffers dignity, it's all because of superior like behavior.

"All of you get lost." Huang Fu Yue Xun understood what Mo Qi Liang is hinting. He just realized she was wearing a layer of cloth only. A moment ago, with anger, he grabbed and throws the quilt off of Mo Qi Liang. It can be said, such appearance of her, was seen by the presents servants?

The servants who follows Huang Fu Yue Xun coming in, was retreating one by one. Can't escape responsibility due to own action; Benwang will kill them if they felt unhappy, which is like gains do not make up for losses. It is better to leave this place as soon as possible.

"Wangye, why so angry? I as a Wangfei, is just a title. As long as you care, and I do not cause trouble, It will do, right?" Mo Qi Liang un hurried wearing clothes. It is only beginning of winter. A layer of cloth only cover the private parts, didn't play other roles which made Mo Qi Liang who fear cold, worried.

"Did you acknowledge?" In a rage, Huang Fu Yue Xun seems to calm himself, staring closely at Mo Qi Liang. If she said a word, 'yes', he definitely will punish her on the spot.

"Never did such thing. How can Wangye want me to admit? "Mo Qi Liang didn't answer, but ask a question. That answer is, she didn't do such thing.

"How can Benwang trusts you?"

“Benwang never trusted me, is there a room to discuss?” Mo Qi Liang smiled, she never shows this ability before. Huang Fu Yue Xun thinks what she said was true.

“You did such things and still want Benwang to cover it for you?”

“Did Wangye see me doing it? Not to mention, this rag burden can not be considered as evidence. If there are really evidences and people testimonies, who will prove that people did not frame deliberately. Wangye is from Imperial household, you know all of this better than me, right?” Mo Qi Liang unwilling to become a toy in their schemes. If she really falls into the schemes, she only hopes to become a leader rather than a follower.

“Someone is framing you?”

“Yes or no, Wangye knows it well. Probably, at Prince’s Mansion, no need for me to have an affair. I do not wish Wangye to understand, but this matter, after Wangye calms down, please continue to think of this matter, aren’t there many holes?” Mo Qi Liang knew this matter wouldn’t be an affair because the evidence is insufficient. Huang Fu Yue Xun will understand soon. Moreover, to him, she still has value, hence he wouldn’t let something happen to her.

Mo Qi Liang’s words are the same in Huang Fu Yue Xun’s heart. Although, they didn’t converse often, Huang Fu Yue Xun knew Mo Qi Liang is not that kind of a person . After he heard the servants report to him, angrily he rushed here. More or less, he is used to the schemes. However, when he looked at the cloth that rolled out from the burden, he really became angry. It is considered good with the way he, as a Wangye treats her. She actually is not content and still wants to seduce another man. This made him really angry and in the end, he didn’t know what he is angry about.

“Wangye, it’s not because I want to clear myself. Think carefully, this matter has holes, this schemes somewhat extremely hurried. Even, the most basic trick which is to catch the couple on the bed, failed.” Mo Qi Liang slowed down the talking. Bit by bit analyzing doubtful points. Perhaps with Huang Fu Yue Xun’s help, she will know the truth quickly.

-----Another side, Mu Rong Lun Shu untidily lying on the bed with no intention of waking up. His headache

became more and more intense, he finally opens his eyes. His body ache and sore just like it was beaten violently by someone. He tried to flip his body, but discover the pain of the lower part between two legs just like being torn apart. He didn't have a good feeling about this and goes all out to cast this thought, but when he touches that part, the remnant of moist and emitting blood smell made him who is crawling towards the bedside pause for a while. As a man, as a normal man, he can't imagine what is the unusual thing happening to him. Moreover, that part of memory was just like being washed off. No matter what, he couldn't remember what happened after leaving the dining hall. Mu Rong Lun Shu lifts the blanket, his body cover with bluish and purple marks which is a tragic sight. Struggling to leave the bed, feels like the two legs didn't belongs to him. Even, couldn't do the most basic thing, nearly fell to the floor.

"Young Master Mu Rong's body was indeed delicate." Didn't know when Ying Han appeared in Mu Rong Lun Shu's room. His eyes seizing Mu Rong Lun Shu's naked body, with expression wish to continue.

"Who are you?" Mu Rong Lun Shu doubts him. The current situation made him not even a bit gentle, maintaining an awkward posture seizing the person who came here. Probably about two metres height, the tight clothes outline the well-built body, facial features not bad.

"Young Master Mu Rong is a forgetful person. Last night, you were not this cold." Ying Han's tone has stirring up Mu Rong Lun Shu nerve. He is staring at him maliciously. Ying Han didn't feel it and continue to say, "Need me to help young master Mu Rong Lun Shu remember?" Ying Han walking towards Mu Rong Lun Shu while talking.

Mu Rong Lun Shu is speechless. A man to another man.... This kind of extremely shameful and humiliation, he never thought it will happen to him, but why couldn't he remember it.

Ying Han looking at Mu Rong Lun Shu who wore a furious and powerless expression, except funny, didn't feel anything else. Last night to him was purely an accident. He never thought this kind of drug effect is the same as aphrodisiac drugs. Moreover, it is the top grade one. If he did not release it, Mu Rong Lun Shu without a doubt, would die. Ying Han was originally not a kind person, just that he has never 'tasted' a man before. Not bad to try. In the end, he is unsure

who unwilling stop was.

“You don’t come here!” Mu Rong Lun Shu couldn’t remember what happened, but the pain at that part made him assume that this man is extreme. Whether he did it or not, he doesn’t want him to come nearer. It is because Mu Rong Lun Shu could feed danger from him.

“Young master Mu Rong, no need to be anxious. With your body condition, I didn’t have any interest to do anything. But, I advise Mu Rong Lun Shu young master to rest well.” Anyway, he is the first man, moreover the taste is not that ordinary. Ying Han didn’t want anything happen to him as to avoid getting bored. “Put me down!” Mu Rong Lun Shu is struggling to free from Ying Han’s bosom. To hug by another man, extremely humiliating.

“If you move again, I won’t guarantee I will not do anything to you.” Ying Han’s martial art, Mu Rong Lun Shu is not a match. Moreover, his body is seriously injured, impossible to run away. In addition, Ying Han will not give him this kind of chance.

Mu Rong Lun Shu is an outstanding talent in trading, but towards feeling just like white paper. Ying Hand acknowledged. Who is the enemy who harmed him like this? Definitely will not let him go, but why is this man in his bosom actually feel relief?

---

Mo Qi Liang needs not to be long winded in explaining. Looking at Huang Fu Yue Xun, she knew her words has affected him. Huang Fu Yue Xun chooses to accept her view. Mo Qi Liang more or less is still in doubt. In her opinion, Huang Fu Yue Xun is an obstinate type. Androcentrism, unable to express well. Actually she didn’t have a high expectation towards him. If he did not believe her, she will pack everything and leave.

Mo Qi Liang didn’t know Huang Fu Yue Xun has kept her in his heart; categorized as non-female. Regarding ally, he still trusts her.

“This matter...” Huang Fu Yue Xun is just about to say, suddenly someone appears and whispers to Huang Fu Yue Xun. Huang Fu Yue Xu’s face turns serious, seems like something has happened....

# Madam, Master Said to Eat Meal - Chapter

## 31

### MMSTEM Chapter 31

---

Looking at Huang Fu Yue Xun serious expression, Mo Qi Liang knew something big must have happened and it has high possibilities related to him or else he wouldn't assigned his own bodyguard.

Mo Qi Liang as if not caring about it, sitting at another side. Her heart is calculating. All sorts of incidents has happened, impossible for her to stay out of it now. In addition, she is interested to know who is the person behind it is, but seems like Huang Fu Yue Xun was not planning to tell her about it this time. After the servant withdraws, an unexpected visitor blocks his footsteps.

"Why do you come here?" Li Wan Wan sudden appearance made Mo Qi Liang and Huang Fu Yue Xun some doubt in her. He didn't know why she came here, and she thought Li Wan Wan wouldn't come here.

"Heard something has happened to Wangfei. Chenqie come here to take a look." Li Wan Wan heard this news earlier. She was thinking whether to come here or not. She didn't want to be a person whom Huang Fu Yue Xun took his anger out on but heard from the servant that Huang Fu Yue Xun decided not to punish Mo Qi Liang, at last she came, as she couldn't bear it.

"Already settle." In this crucial point, Huang Fu Yue Xun completely does not suspect of Mo Qi Liang anymore. In addition, as she said, this matter has a lot of questionable point which can be thought of later. That's why this matter can be hold for later.

"That's great. Chenqie also think that Wangye is good and nice to Wangfei,

impossible Wangfei likes another person?" Li Wan Wan looks like she didn't understand what Wangye is talking about. She still talks without thinking.

Huang Fu Yue Xun seeing no signs of Li Wan Wan leaving, was somewhat impatient to say anymore, and left the two women in the room. Li Wan Wan didn't know what she has done.

For the first time, Li Wan Wan was alone with Mo Qi Liang, totally uncomfortable. Even though, Mo Qi Liang never paid attention to her, but still could feel the constriction.

"Heard you and Wangye are childhood sweethearts?" Mo Qi Liang unknowingly opens her mouth, tones gradually rises just like an unreasonable first wife picking on concubines.

Li Wan Wan was stunned. Nobody has talked in this manner to her before, unsatisfied with Mo Qi Liang status, "That's right, Wangfei."

"That's mean you understand Wangye very well?"

"Prince's heart, Chenqie does not dare to analyze, however, Chenqie knows very well about his ordinary habit." Anyway I understand him very well compared to you.

"Then, you should know Wangye likes and dislikes in types of women?"

"Good, as to avoid particular woman who think themselves can win Wangye heart, actually resulted in opposite outcome." Mo Qi Liang founds herself acting in this character and has skills at this job. Looking at Li Wan Wan's face turned red, Mo Qi Liang felt a bit depressed, not bad to get rid of this feeling.

"Many thanks to Wangfei's advice. Chenqie will bear in mind." Li Wan Wan ending the talks with teeth clenching. It is because Mo Qi Liang status is more honorable than her isn't it? Making Mo Qi Liang act arrogantly towards her. This time unable to scheme against her, Li Wan Wan believes she will not fail next time. Moreover, she believes that person will help her.

"Since you knew, inform the entire concubines in Prince mansion. Wangye's woman aren't many, enough for Wangye to be free from issues arises from concubines". Looking at her good ability at understanding others, Mo Qi Liang praised herself greatly.

Li Wan Wan only nods her head. She completely couldn't butt in. Mo Qi Liang words are just like what she said to her, seems like didn't oppose her but usually she didn't care about this matter, right? How come today she became so wordy.

"It's enough to know my heart. If nothing else, you may withdraw. Today, you are not looking good, plus you were frightened by that incident. Take care of your body." Mo Qi Liang looking at Li Wan Wan's face, indeed pale, but not sure the reason behind it. Mo Qi Liang didn't believe she is innocent.

"Many thanks for your concern. Chenqie withdraw first." Li Wan Wan knew Mo Qi Liang is not a simple person. Not painful nor causing an itch, few words from Mo Qi Liang made Li Wan Wan feel Mo Qi Liang is warning her. Is Mo Qi Liang knew everything? Impossible, Mo Qi Liang must be testing her, she must absolutely not reveal anything.

After sending off Li Wan Wan, Mo Qi Liang immediately calls out Ying Han. Same as his master, arrogant.

"Where did you send Mu Rong Lun Shu last night?"

"This subordinate, of course return him to his own room."

"After that, what has happened? You didn't come back for a whole night." Mo Qi Liang never missed Ying Han's expression, carefully observing him, probably found out something serious.

"Later, Mu Rong Lun Shu acted differently, that's why this subordinate didn't come back as to stop him." Ying Han said without change in his expression, just like heart isn't beating

"Is it true?" Mo Qi Liang totally didn't believe him. "But now I know that kind of drug is used."

Mo Qi Liang with profound meaning looked at Ying Han, even though someone is taking advantage of the gentleman , but... really great!

From Mo Qi Liang eyes, when she got the information from Ying Han: I know what you have done, well done! He started to worry for Master in future life. This type of woman, master is able to endure?

"Don't mention this matter anymore. Do you know where Huang Fu Yue Xun

went?"

"This subordinate heard the suburb that woods, probably has discovered the killers." Ying Han skills were considered absolutely well, or else Huang Fu Yue Xun's bodyguards would have discovered him. So, the news he heard is definitely not wrong.

"Then, we will go." Huang Fu Yue Xun didn't bring her along, he even didn't say anything. He couldn't even appear there as he likes. He and Huang Fu Yue Yang has been ordered not to get involved in the investigation. Huang Fu Zuo Tian should be suspicious of them.

Mo Qi Liang and Ying Han secretly left Prince Lie Mansion. Even if someone discovers Mo Qi Liang is missing, nobody will bother. She can simply lie and find an excuse as long as she can deceive Huang Fu Yue Xun, it is enough. Moreover, now is a confusing time, nobody will care where she went.

Ying Han thought Mo Qi Liang will send him to investigate, never imagine she will go together with him. Just like this, with slender arms and legs, how is he going to bring her along? If they don't hurry up, afraid they will lose them.

Mo Qi Liang saw through Ying Han's worries, the taste of being looked down is really depressing. Then, she departs first, see if he still look down upon her.

Two people arrive at the suburb, even if they were prepared, they still couldn't bear if because the sight in front of them is a horrible, tragic sight. Mo Qi Liang recalls the massacre incident that bloody night.

The blood stench fills the air, dry blood stains on the ground, the river became bright red. The fishes floated, failed to seek their homes following the flow of water.

Dozens of bodies were hung upside down in each tree following the river. From the angle where Mo Qi Liang is standing, she couldn't see the dead ones expressions, but could see their necks had deep bloodstains clearly. The technique is neat.

"Do you know who did it?" Mo Qi Liang returned to normal, questioned Ying Han.

"Don't know." He has been in martial world for a long time, killed many people

but couldn't find out who is the killer who was involved in killing with cruel methods, the blood slowly draining from the bodies was a result of hanging upside down. If it was discovered a bit late, afraid they would have seen dried bodies.

The way of silencing the witness of the crime, it was hard not paying attention to it. However, there is no clues, no weapons on crime scene at all. According to the forensic, the throat of dead bodies were cut before hung on the tree. Moreover, dead knots were tied to the dead bodies which could mean bringing down the bodies from the tree, only by cutting the both feet. This is why Mo Qi Liang can see a scene where bodies were still hanging on the tree.

Mo Qi Liang looks carefully every dead bodies. If she isn't wrong, there are 23 male bodies. Don't tell her that a woman of four evildoer is a murderer? Although, she also use the dagger, but except sharp edge there is nothing else on that dagger. Then, where did that woman go? Or can she believe that woman status is higher than these bodies? Moreover, this bunch of killers have been murdered. Where would Mo Qi Sheng be? Is he alive or dead? Are these two massacre incident related to him? Mo Qi Liang's brain is filled with various questions. She needs a clue to leave this confusing place, but where is this clue?

Not only Mo Qi Liang is puzzled, the other high ranking officials are also in a daze. At first, Huang Fu Yue Xun wanted to bring along Mu Rong Lun Shu, but don't know why he is suddenly sick. Of course, he can not force him and just brought a few bodyguards and hurriedly rushed over. When he reached the place and saw the crime scene, he was so disgusted and almost threw up. This massacre and the last massacre incident were about the same, the only difference is, this murder method is neater. However, the only clue was also cut off.

Crown Prince Party was passive because of Mo Qi Sheng disappearance. None of them have plans or ideas. Huang Fu Yue Yang has nothing left, the minister who supports him has been clogged by Su Zhi Xin. Moreover, with Huang Fu Zuo Tian suspicion, Crown Prince Party is in the state of gloom. Huang Fu Zuo Tian was thought more and more highly of, or the only benefiting party was the party which is neutral, not supporting Huang Fu Yue Yang or Huang Fu Yue Xun.

Ying Han can feel that except Huang Fu Yue Yang and Huang Fu Yue Xun, there

are someone appeared here too. These people, what is their background? Who is hiding the massacre culprit? Ying Han is getting more and more interested in this matter.

Different from Ying Han, Mo Qi Liang feels the crisis is getting nearer. Aiming at whom, she is unsure. However, she feels this is just a beginning. Moreover, it is just an appetizer. Maybe the real main course is waiting for them to taste. At last, the taste of it whether good or bad decided by the victor. What a pity, she didn't want to become other's dishes. . .

# Madam, Master Said to Eat Meal - Chapter

## 32

### MMSTEM Chapter 32

The high rank official of Ministry of Justice does not seem like an excellent leader. No wonder, his subordinates are like headless flies bumping randomly. Carelessly holding a sword and sweeping over and over, Mo Qi Liang did not believe they won't find anything.

Ying Han does not spare a glance at this kind of half-hearted works. Without a doubt, the massacre has happened almost a day. If there are any clues, afraid people with intentions has gotten rid of the clues earlier. Don't tell him, the culprit will stay and let them find out, who will have this kind of good intentions?

"Let's go downstream and have a look." Mo Qi Liang turned her head and said to Ying Han. According to the wind direction, if there are really something left behind, it will flow along the downstream, but probably not much left if looking for it now. Mo Qi Liang just wants to try.

Obviously, Ying Han does not bear high confidence, but both of them with high speed left the investigation scene. If they stayed here any longer, afraid people will discover them.

After Mo Qi Liang reached downstream, apart from big trees, she saw everything. It's not useful at this height.

"In martial world, does evildoer triad has enemy?"

"Too many to count."

“The main one?”

“Yuan Tang Imperial household always take us as a thorn in their side.”

“Yuan Tang? What they did?”

“Catch our people, seal our shops, but for Master, this is just a small case. They do not have any big movements.” In Ying Han impression, the number of enemies are increasing and whose body it is, nobody cared.

“Can their hands stretch so long?” Mo Qi Liang understands very little about Yuan Tang Country, as well as royal government. However, Huang Fu Zuo Tian’s birthday is around the corner. When the time comes, Yuan Tang probably will send someone. Hold on, due to the Huang Fu Xuo Tian birthday drawing nearer, the culprit made people in Lin’an City alarmed and anxious? If it is as she had thought, that day will be more fun?

“Don’t know.” Ying Han always speaks according to the evidences. His own opinion will affect the proper judgement.

Mo Qi Liang also does not know. The things that she grasps is too few, not enough to deduce in this case. She can only look forward to You Qing Jia Tian side to have a good outcome.

When two people return to Prince Lie Mansion, Huang Fu Yue Xun still has not come back. Nobody notice they have left the house for a long time. Ying Han hides in Mo Qi Liang surroundings to perform his duty. However, suddenly, she is curious on Mu Rong Lun Shu actions now? Therefore...

“Ying Han, help me to take a look Mu Rong Lun Shu, better if can find any clues.”

Ying Han listened to Mo Qi Liang words; almost falling from the house beam. What is her intention? However, this gives him an excuse to leave. It just so happens that he wanted to take a look at Mu Rong Lun Shu, but this fellow definitely will not see him.

Mo Qi Liang is not purposely casting off Ying Han. Maybe after he left, she probably will take a look at Su Zhi Qiao, daughter and mother. After the disappearance of Mo Qi Sheng, she heard their days were not so good.

It's not difficult to know their location. Just need the safety guards of the city to ask the common people of their whereabouts. However, after Huang Fu Zuo Tian ascends the throne and married Su Zhi Xin, the city safety guards gradually decrease because his son can carry father's duty.

Su Zhi Qiao and Mo Qi Jing was not surprise at Mo Qi Liang arrival. Actually, they stare at her as if confirming Mo Qi Liang has bad ideas. Although this matter is not related to the city's safety guards , he didn't forget manners. Knowing Mo Qi Liang status as a Wangfei, greeting her respectfully making Mo Qi Liang flustered. Then, he also informed Su Zhi Qiao to treat her well. This is why Su Zhi Qiao now indignant but did not dare to speak out. She is extremely awed regarding her father.

"Furen and your daughter how is your life?"

"Why do you come here?" Mo Qi Liang quietly looking at Mo Qi Jing who is getting impatient. She is aggressive as usual, just like she wanted to swallow Mo Qi Liang.

"I'm here to visit both of you. At the same time, to ask where Mo Qi Sheng is." When mention Mo Qi Sheng, Su Zhi Qiao and Mo Qi Jing's eyes becomes red, looking at Mo Qi Liang who has a lively appearance has added their hatred towards Mo Qi Liang.

Seems like, they didn't know Mo Qi Sheng's whereabouts.

"Wangfei, if you are here to joke, please leave now." Su Zhi Qiao tones are unusual but could feel this force supressing, if didn't have the warning from the city's safety guard afraid she would already scratch her.

"I'm here to ask only. Do you know where Mo Qi Sheng is?" Although Mo Qi Sheng family is not really great, but Mo Qi Liang has no intention of pouring oil to the fire. After all one is her husband and another one is her father. If it happened to someone else, they will have a hard time accepting it.

"Don't know. We don't know anything." Mo Qi Jing now looks like a vixen, Mo Qi Liang just bumped right to it. Consider her out of luck.

"Since, it is like this. I will not disturb you again." Mo Qi Liang didn't see any flaw from their expression, or they are very good at acting. Obviously, the

second point on Su Zhi Qiao and Mo Qi Liang is not to be untenable. Maybe, they didn't know anything at all. Even if there is a clue, they wouldn't see it as a clue. Sure enough, depending on ourselves is better than depending on others.

Except the city's safety guard, Mo Qi Liang sensed someone is following her. When she arrived, there is none. In other words, should be the city's safety guard is playing tricks. Since it is like this, she could relax just right and roam around as she wishes. There is a teahouse on her left hand-side. She has been busy for half a day, she feels hungry now. This teahouse's business is quite low.

"Waiter!"

"Coming. Customer, what do you want to order?"

"Brings several signature dim sum with a pot of tea."

"Okay, please wait for a while."

"Wait a minute, why is there less people in this teahouse? Perhaps, this place is not clean?" Mo Qi Liang with curious asked.

"Customer, do not talk nonsense. In this teahouse, our food is clean. All this due to the incident that happened in The Prime Minister Mansion. Not only this teahouse, other shops's business also declined. As the work in teahouse became less, the waiter stands beside Mo Qi Liang and started to chat. Seems like, he is bringing out what he is suffering in this period of time. Anyway, Mo Qi Liang didn't have anything else to do, listening to waiter talk endlessly. She obtained a bit information which is the storyteller art has disappeared after the incident happened in Prime Minister Mansion. Nobody knows where they went to, resulting in every teahouse environment become quieter.

This is also another issue, the group of innocent people and where they run to? Mo Qi Liang is observing the people on the street while drinking tea. She is just like a person, as idioms goes every tree or bush an enemy soldier may panic and treat everyone as an enemy. In this town, probably, she could find the person she wants.

Mo Qi Liang is not a person who acts before thinking if she came across someone who is behind the incident. However, why, she hasn't digest the information of all disappearances of story teller art, Ying Han found her and said,

Mo Qi sheng has come back, his looks appeared to be unusual.

All this back and forth, someone purposely trick her ah? Mo Qi Liang without intention asking heaven. Looking at Mo Qi Sheng, she knew what Ying Han means, unusual. Indeed, full of hidden meaning. Who could imagine, a 40 years old fox holding sleeve of a soldier, swaying, not letting go. His mouth is shouting the word father. His intelligent quotient has reverted back to a few years old boy, turned to a child, completely turned into a fool.

All people who is present here, their first response was how can he become like this? Mo Qi Sheng is back, not wrong, but in this condition. When opening mouth, only said this word, father. Nobody put high hope what he remembers are useful information. With difficulty, have sparks the hope, but at the same time, this hopes is extinguished. Mo Qi Liang has an urge to murder someone.

Huang Fu Yue Xun expressions also don't look good. Who can anticipate the final outcome is a wasted effort. The lost person has returned, same as in never returning. All murderers have died. The clues have been cut off. Now, didn't know who is stabbing him from behindWhat to do ah?

"Go back first, with his condition, what do you expect he will tell you?" Mo Qi Liang reached beside Huang Fu Yue Xun. Seems like they need to start over again.

"He could have a bit memory now. If we wait later, he will not remember anything." Huang Fu Yue Xun somewhat flustered and exasperated which is different from Mo Qi Liang. Even with Mo Qi Sheng's condition now, he must obtain something then he will give up.

Mo Qi Liang shook her head, not agreeing to Huang Fu Yue Xun views. That person behind the scenes manipulator has created big scene, the dead ones are his people. Mo Qi Liang felt he wouldn't let it go. Just assign people to monitor Mo Qi Sheng every action and movement, but to ask about it, it's impossible.

Now, Mo Qi Sheng has changed to a child. The biggest affected party is Crown Prince Party. Huang Fu Yue Yang Party looking at Mo Qi Sheng, becoming more hateful. Afraid Huang Fu Yue Yang and he had a bit relationship. Indeed, with Mo Qi Sheng's conditions, couldn't help Mo Qi Sheng at all. The glorious him in the past can be said no longer exist, Mo Qi Liang suddenly had an idea, the director

of the scene is warning or revenge on something.

Huang Fu Yue Xun didn't ask Mo Qi Sheng which is the reason why he was dejected and returned to the mansion. Mo Qi Liang saw him with the dejected face, not good to continue talk anymore. It's his problem for not accepting her views. Mo Qi Liang wouldn't waste her kindness on him. She also needs to clear her mentality now. This period of time, many things have happened making her suddenly feels she is small, only as last resort. She does not want to utilize that strength, after all that could mean consigned to eternal damnation ah..

# Madam, Master Said to Eat Meal - Chapter

## 33

### MMSTEM Chapter 33

Mo Qi Sheng was one of the Prime Minister, such thing happened to him of course will create issues. Huang Fu Zuo Tian visited Mo Qi Sheng where Mo Qi Liang and Huang Fu Yue Xun were present as well. After all, Mo Qi Liang was a daughter to Mo Qi Sheng and another one was son-in-law to Mo Qi Sheng. Mo Qi Sheng and Huang Fu Zuo Tian considered relatives.

Mo Qi Liang stood aside and observed Huang Fu Zuo Tian's expressions; sympathies, sad, slightly secretly delighted as if chuckling on something. Mo Qi Sheng had a day like this due to his acquiescence? Could it be, Mo Qi Sheng had abilities in threatening Emperor's throne which made him insecure? The matter happened in this period of time was related to Emperor? Interesting.

Huang Fu Zuo Tian sincerely wanting to discuss with Mo Qi Sheng, but Mo Qi Sheng was in his own his world. Only occasionally paid attention to Huang Fu Zuo Tian. Mo Qi Sheng, still acted like a child and created troubles. To maintain the image of cherishing people, Huang Fu Zuo Tian patiently endured anger, but his pale face has replaced the words completely. Mo Qi Liang wanted to laugh but didn't dare to make noise. She signalled to Huang Fu Yue Xun, to hurry sent off his father.

Huang Fu Yue Xun was helpless when facing this situation. Probably, Mo Qi Sheng was the only one felt everything was normal in this room. It is because he didn't know anything. However, affected many people due to the relations with

him.

Other official desired to take after his seat, Prime Minister. After Mo Qi Sheng had unfortunate incidents, these Ministers wanted to assist in investigating. However, how many of them were sincere to find the truth. If Mo Qi Sheng really recovered, many people will losses than gaining benefits. In addition, if one of them belongs to the murderer clan, it would be double loss. Think of it, nobody will be such silly to do so.

Moreover, Mo Qi Sheng matter had affected Crown Prince Clan and the other three Emperor's son to inherit Emperor's throne. With Mo Qi Sheng status, his good friend, the royal government; several high ranking court officials and each had many disciples among them which they sided him and Crown Prince Clan as well. Now, can be said he lost authority, Crown Prince Clan lost the most important strength. They were reconsidering and afraid if stood wrong clan, will lose life. That's why since the incident happened to Mo Qi Sheng, can be said royal government and folks were anxious, didn't know the next seconds what will happened to them.

Mo Qi Liang with Huang Fu Yue Xun returned to the prince mansion. After almost two day of recovery, Mu Rong Lun Shu's body almost healed. Huang Fu Zuo Tian instructed Huang Fu Yue Yang to return work place. Thus, left three of them in Huang Fu Yue Xun's study room.

"What do you think of this matter? When Huang Fu Yue Xun kept in touch with Huang Fu Zuo Tian, he felt Huang Fu Zuo Tian did not trust and doubted him as well. Moreover, not only Huang Fu Zuo Tian, many Ministers suspected he was the one behind the incident, but this time, he did not do it. He was a victim. "Mo Qi Sheng's matters can be said come to the end. Maybe there won't be anything happen again." Mu Rong Lun Shu could walk around since yesterday. Thinking about past few night which Ying Han suddenly appeared in his room, he really wanted to kill him, but...

# Madam, Master Said to Eat Meal - Chapter

## 33.2

### MMSTEM Chapter 33(2)

"Shu, are you getting better? Your face looked pale." They are good friend for many years. Of course, Huang Fu Yue Xun concerned about him and wanted to invite Imperial Physician to treat him, but he strongly insisted, saying after two days, he would recover. As such, Huang Fu Yue Xun gave up, but looking at Mu Rong Lun Shu today, still unwell.

"I'm fine. Let's discuss serious matter." Mu Rong Lun Shu sounded weak, but at least he was able to correspond. However, Mu Rong Lun Shu couldn't accept that he was being forced by another man. The process, he didn't recall. He thought his world was really chaotic.

"Um." Huang Fu Yue Xun responded with a voice, looking at Mo Qi Liang, "What is your point of view in this matter?"

"Now, Huang Fu Yue Xun is helpless about this situation, right."

"But wait until when?"

"When they exposed their weakness." Mo Qi Liang also didn't know if could wait until that day, but massacre did happen once, afraid there will be second and third time. The person behind it, the purpose, Mo Qi Liang guessed too many, thinking it's related to diplomatic post. If that's the case, their plans wouldn't stop at this point.

"Wangfei is right. Enemy is in dark, we are in bright. Chasing the murderer on a

grand scale definitely is unwise choice. We slow down the activities to make them loose alert.” Mu Rong Lun Shu’s view happened to have same view with Mo Qi Liang. That dozens of corpses until now, they couldn’t find the identity corpses. Somebody was trained and purposely did it. If they didn’t die at that place, without doubt and no other choices, their fate were death. Ministry of Justice already wasted a lot of manpower and resources. They hope wouldn’t be another trouble again during their investigation.

Recently, Huang Fu Yue Xun’s mood considered anxious. He looked at Mo Qi Liang and Mu Rong Lun Shu which their views were same and matched as well. In his heart, he was worried and moody. He tightly frowned eyebrow nearly could clamp a fly to death.

“Imperial Father’s birthday is reaching in half month. If that people still have tricks, that day will be a good opportunity for them.” Huang Fu Yue Xun analyzed. Mo Qi Liang knew, that day would be easy for opponent to act and hard for them to escape. However, not much they could do about it if opponent carry their plans.

“But how to know whether they carry their plans on that day?

“The chances to carry their plans are high.” Mu Rong Lun Shu was pondering too, he wasn’t an idiot, felt this time, wasn’t a small issue. Although he wasn’t patriotic, but Mu Rong Mansion consisted old and young family member which need to take care of. If enemy harmed his family, regret would be useless.

“Imperial Father already suspected me. If I inform him to increase the guards, afraid he will have more doubt on me. The Emperor seat will become farer and leaned more to Huang Fu Yue Yang, that moron.”

“Then, let Huang Fu Yue Yang to tell him. But not to a level that he didn’t aware of crisis. After that incident happened to Mo Qi Sheng, he was under the wings of Empress and would be mindful.

“Will find an appropriate chance approach and tell him. Should not be difficult” What a pity, Mo Qi Liang overestimated Huang Fu Yue Yang. If she knew what Huang Fu Yue Yang was working on, she wouldn’t say like that.

“This is also another method.” Mu Rong Lun Shu nodded. He knew Mo Qi Liang wasn’t the type of woman who only knew to embroidery flower. This was the

reason he has been admiring her. Although, they didn't communicate often, she gave him a different feeling. Moreover, honestly, if she didn't marry to Xun, the wife of Murong should be someone like her.

"Counting on that moron is fine?" Huang Fu Yue Xun's impression on Huang Fu Yue Yang especially understanding of a matter wasn't good. When Huang Fu Yue Xun was a kid, he was punished because of Huang Fu Yue Yang. Obviously, it was Huang Fu Yue Yang's fault, but the person who was punished was Huang Fu Yue Xun. It was because Huang Fu Yue Xun didn't have backup authority which seems as not equally important to his royal status? He didn't want to admit this point. He has been working hard to change this, but in Imperial Father eyes, he was not exist. Even if Imperial Father always smile when converse with him, he could not feel the warmth. Since Huang Fu Yue Xun was a kid, he considered himself fatherless. Hence, it wouldn't be easy to improve their father and son relationship. In addition, Huang Fu Zuo Tian didn't have any intention to fix it.

"We have advantage if using moron people. He will not aware if we assigned a person to spy him." Mo Qi Liang knew Huang Fu Yue Yang was a pervert lever. His weakness was woman. Placing a woman to stay with him, beauty trick, indeed a good method.

Huang Fu Yue Xun heard Mo Qi Liang words. Although, not really happy after sorrow, but can be said they have found a method. However, who would deliver a woman to him? This person must be trustworthy and able to fulfil task. In this moment, Huang Fu Yue Xun couldn't think of anyone.

"Deliver a woman to him. Huang Fu Yue Yang is a pervert, you know right." Mu Rong Lun Shu and Mo Qi Liang had same view, but different from Huang Fu Yue Xun view.

"A woman? Will she reliable?"

Mo Qi Liang glanced at Huang Fu Yue Xun, still have gut to say, "If use the correct method, any person will be reliable. Don't tell me, Wangye doesn't have this skill?"

Mu Rong Lun Shu heard her, a bit happy. This Mo Qi Liang was a grudge woman. Accidentally said the words, she would bear grudges. It's really pitiful.

Mo Qi Liang paused for a while and continued said, "In addition, Wangye has

been lingering with a bunch of flowers for many years, should have more female friend. Should have one woman willing to do it for Wangye? Afraid woman who ‘sincerely’ likes Wangye comes to Wangye because of status right. These types of women are good for nothing.” Every word from Mo Qi Liang seems like for Huang Fu Yue Xun good, but Huang Fu Yue Xun heard them otherwise. The more he listened, the more his expression darkened. In other words, she had guts to say such thing.

“You, woman, can’t you don’t speak?”

“Don’t tell me, I said accurately about Wangye? Then it’s bad for Wangye.” Better to stir things up in this way then over did it as to avoid her purpose. Plus, not bad to see his expressions

“Xun, Wangfei is right. The task of finding a woman, we leave it to you.” Mu Rong Lun Shu butt in, but did not manage to persuade Huang Fu Yue Xun. He was pouring oil on fire, but his expression was innocent compared to Mo Qi Liang. Huang Fu Yue Xun felt, the friend relationship with him wasn’t deep enough.

“Woman’s appearance must be excellent. Better to have bit ability. Wangye’s woman preference shouldn’t bad, right?”

Huang Fu Yue Xun looking at Mo Qi Liang, refused to talk anymore. Anyway, she would refute to whatever he say. However, as a magnanimous man, he didn’t know that he treated her as a special person. Probably he wouldn’t realize it forever.

# Madam, Master Said to Eat Meal - Chapter

## 34

### MMSTEM Chapter 34

Translated chapter released:) and proofread by Joyce.

After the massacre that happened in the Prime Minister's Mansion, Huang Fu Yue Xun wholeheartedly spent his time in investigations and didn't accompany Li Wan Wan. Thus, Li Wan Wan was alone and finally, had a taste. After some time, she got impatient and mistreated some few servants.

"What are you all servants doing? Don't you have eyes!"

This kind of situation was common these past, few days. Everyone in Li Wan Wan's room lowered their head, afraid that they would make Li Wan Wan unsatisfied which led to punishment. They didn't know what type of torments or punishment they would receive. Originally, they thought that if they followed Li Wan Wan, they would have good days. However now, the number of servants flattering Wangfei was increasing. When their master saw Wangfei holding authority, their master would lose temper, thus scolding and hitting them. Who's able to live in this kind of day ah?

Li Wan Wan wanted to control her temper but was unable to calm her anger. Why can't she compare to that woman who has nothing, except status. That woman snatched the "Wangfei" title which originally belongs to her and now, she wanted to snatch his man too? If the first scheme failed, then there would be a second time. She did not believe that she would fail every time.

With the winter season, it was rare to have a fine weather. Mo Qi Liang was in the courtyard strolling around when she heard Servant No. 1 reporting that someone came to pay a visit. Again, the same concubines of Huang Fu Yue Xun. What was their purpose this time?

“Our visit does not disturb Wangfei’s rest?” Still the same woman spoke. Looking at her appearance, probably her age should be around twenty something. Never expect Huang Fu Yue Xun would love an older woman.

“Last time, I didn’t ask for your name. If you don’t mind, please introduce yourself.” Mo Qi Liang didn’t know that they were thinking she could bring them a good life. However, she herself was unable to get her own desired life.

“This concubine is Xi Meng Ying. The other two is Qin Su Su and Xu Ling Yue. All of us are Wangfei’s concubine.”

Last time she saw Xi Meng Ying, and Mo Qi Liang had a deep impression of her. As her status is a concubine, naturally she would stay in a wealthy family but it was somewhat a pity.

“A few of you entered this residence way longer than me. Moreover, you are all my seniors. There’s no need to be polite.” Mo Qi Liang did not really take into account their manners. The few people in front of her didn’t object, but they could not easily abandon their conduct, so they did it in this way.

“Courtesy couldn’t be abandoned. Wangfei doesn’t have to accommodate us.” Xi Meng Ying said. Even she wanted to live a peaceful life in this mansion. But based on her status, she must find a backer. Originally, she was attached to Li Wan Wan. More or less she would have favour, but she received different achievements than what she begged for. At this time, Mo Qi Liang appeared and matched her wishes, which was why she was eager to be friends with Mo Qi Liang.

“Whatever. What brings you here today?” Even though she does not have a bad impression towards Xi Men Ying, it didn’t represent that she’s willing to mind the other’s business. Mo Qi Liang’s ideal wish was to live peacefully without being disturbed by anyone. Even sometimes, she thinks that Servant No. 1 and Servant No. 2’s presence was unnecessary, but to do everything by herself was not suitable for she was a lazy person. That’s why she simply let them serve

her. However, if someone intends to treat her as a shield, she couldn't help but be bothered by it.

"We, concubines only came to see Wangfei, and didn't have any other intentions." Xi Meng Ying was always the one talking whereas the two other people's expression somewhat shows impatience.

"Since you came here, let's have a meal before you leave. It happens to be lunch time now." Although her courtyard appears to be worn out, it has all her needs. Sometimes, extra people in the room were not a bad decision.

Just when Mo Qi Liang and the concubines agreed to have a meal together, she never expected Huang Fu Yue Xun to suddenly come over. Looking at every one of them, having timid and shy expressions glancing at Huang Fu Yue Xun, she was afraid that this lunch would drag longer.

Huang Fu Yue Xun intends to tell Mo Qi Liang something, that he found the woman they were looking for. This matter couldn't be revealed to other people and Mu Rong Lun Shu already went home. Thinking of it, he himself never came to her courtyard. That's why he came here to tell the good news and never expected that other people were present too.

"Why are you all here?" Out of curiosity, Huang Fu Yue Xun asked. Just that his tone was stiff. He didn't know that he had broken a few people's heart. Just now, the shy expressions changed to grieving. No wonder Huang Fu Yue Xun didn't like them. Compared to Li Wan Wan, they make people speechless.

"They came here to see me. Let's have lunch if Wangye hasn't had a meal yet." Mo Qi Liang helps relieve the awkward atmosphere. After all, this was her place. It's not nice if they're in a deadlock.

Huang Fu Yue Xun suspiciously glanced at Mo Qi Liang. When did she plan to have a good relationship with them?. Don't tell him, she started to care towards him? (this guy definitely think too much).

"When did you all have a good relationship?" Huang Fu Yue Xun tried asking again without a hidden meaning. However, the three women thought it was daring to have a backing in the Prince Mansion. Hence, their expression turned to a terrified one.

However, Mo Qi Liang did not think like that. She only said, "Women matters are not worthy for Wangye to worry about." Since I didn't like you, I won't like your women as well. Is it worthwhile for thieves to guard against me?

Regarding Mo Qi Liang's words, Huang Fu Yue Xun was used to it. He was not listening as to avoid himself from getting angry. This was the conclusion made under many conversations, absolutely reasonable.

Huang Fu Yue Xun sat at Mo Qi Liang's left side. Haven't started to pick up his chopsticks, when another uninvited guest, Li Wan Wan appeared at Mo Qi Liang's courtyard with a valid reason. The servant behind her, held a lot of things.

Huang Fu Yue Xun saw Li Wan Wan wearing only an unlined garment while standing at the door. He immediately stood and walked to Li Wan Wan. The cape he wore, drops on Li Wan Wan's shoulders. His words held a blaming tone but didn't hide away the concerns, "Today's very cold. You are not in a good condition. Why wear so few and come out?"

"Chenqie was rushing when she came out, and forgot to add a few layers. Chenqie made Wangye worry." Due to the cold weather, her face looks flushed and red. With apologetic smiles she attracts her lover to pamper her; however, only to Huang Fu Yue Xun. Except for Mo Qi Liang and the rest of the three women who stared at Li Wan Wan's fake face. After all they stayed at the Prince's Mansion longer than her, they probably found out what kind of person Li Wan Wan is.

"You ah. Never know how to take care of yourself." In this period of time, many things had happened, Huang Fu Yue Xun has been busy and under pressure, accidentally ignored Li Wan Wan. Looking at her today, he felt guilty, and recalled the way he treated her coldy. He would certainly compensate her.

"Wangye's lesson, Chenqie will remember." Li Wan Wan was looking at Huang Fu Yue Xun who still cares about her, and suddenly her heart becomes bright. At first when she heard him and Mo Qi Liang publicly eat lunch, it can be said that her heart sunk to the lowest point. That's why, she came over hurriedly. However, not bad, he still has concerns about her. Seeing this situation, she had a chance to pull back to the original state.

"Have you eaten? Or let's eat together?"

"Wangfei will mind. I will just wait for you all to finish eating and then goes in." Li Wan Wan acted like she was afraid of Mo Qi Liang. Her voice clearly reached to Mo Qi Liang's ear. Ah, she really thought she was that kind of person that could bring attention to her. She really looked high of herself.

"No worries. She wouldn't mind it. Come inside." Huang Fu Yue Xun was holding Li Wan Wan's hand. Two people displaying public affections in front of four women, was really disgusting. Mo Qi Liang had a feeling that she was unable to eat.

As always, Mo Qi Liang had a bland taste. No exception for today's dishes, but who could tell her why when Li Wan Wan looked at these dishes, she suddenly covered her mouth with her hand and had a throw up expression. Could it be ...?

"Wan Wan, what's wrong?" Huang Fu Yue Xun looks worried. After all, she was the person he loves. Her conditions of course would make him worry. One hand held her arm, another hand slowly helped her follow the breathing beat. Xi Meng Ying, the three people looked at them jealously, wishing they could dismantle her stomach.

"Are you probably pregnant?" Mo Qi Liang blurted. The people present was startled, then showed various expression. She looked at them and felt amused.

"Wan Wan, is it true?" Huang Fu Yue Xun was completely unable to express his feelings when he thought he would be a father. His hopeful eyes looking at Li Wan Wan, both hands tightly holding her shoulder, the satisfied expression; sounds like he wanted to fly to the sky immediately.

Li Wan Wan's face blushed and became redder, gradually nodded her head, and rested it against his chest. She used her most gentle voice and proudly said, "Xun, finally we have our own child."

When he heard the acknowledgement from Li Wan Wan's mouth, he was blank for a moment. And then, his mind filled with, 'I'm becoming a father, I'm becoming a father'. It was their first time to have a child. This was the biggest gift from Heaven. At that moment, he felt the entire world belongs to him. Emperor, throne, status, fame and fortune, everything did not matter anymore as long as the person he loved the most and him has a child. The rest was no

longer important anymore.

“Congratulations to Wangye.” Anyway, Heavens granting a child to husband and wife was the happiest gift. Even though Mo Qi Liang didn’t like Li Wan Wan, but this child was innocent. Therefore, she didn’t mind and blessed them sincerely.

“Congratulations to Wangye to have a baby boy.” Mo Qi Liang finished congratulating. The remaining three women didn’t forget to offer their blessings. They blessed while glancing at Li Wan Wan’s belly at the same time.

“I would accompany you to go back. Now, you are pregnant and are still wondering around. What to do if the child got injured?” Huang Fu Yue Xun softened his tone. Mo Qi Liang who heard it, nearly had a goosebump.

“But Wangfei...” Li Wan Wan always had this feared expression towards Mo Qi Liang. People who didn’t know will thought Mo Qi Liang mistreated her. Just that when Mo Qi Liang was bored, she use this trick towards her.

“She’s ok with it.” Huang Fu Yue Xun knew Mo Qi Liang wouldn’t mind about it. Currently, his mind was totally filled with the “child” thought.

Li Wan Wan full of apologies smiled at Mo Qi Liang, but her eyes showed a clear meaning. Just that, from Huang Fu Yue Xun’s direction, he couldn’t see Li Wan Wan’s expressions which was why she made this expression.

Mo Qi Liang has seen enough of this trick by Li Wan Wan. However, she was pregnant now, she would carry out what kind of miscarriage show to provoke her. If its really the case, Mo Qi Liang would probably make her unable to become pregnant for her entire lifetime. Mo Qi Liang recalled that she had a pile of collected potions which are useful and acted as a toxic medicine.

Mo Qi Liang could accept Huang Fu Yue Xun’s neglect, but this didn’t mean that the other three women didn’t care about it. All the while Li Wan Wan was doted by him and now she was pregnant, Huang Fu Yue Xun would surely be more doting to her. In this prince’s mansion, would they have a glorious day?
